**Global** Mike W. Peng,2013 **Global Strategic Management** Philippe Lasserre,Felipe Monteiro,2022-11-03 Seamlessly blending academic rigour and practicality this textbook provides an introduction to global business strategy Assuming a born global perspective Global Strategic Management is supported by ample pedagogical features including numerous case studies and examples featuring both established multinationals and unknown SMEs from across the globe The book takes an applied approach to global business strategy emphasising functional parts of international business managing marketing operations HR and finance The text has been widely updated to incorporate the impacts of the Covid 19 pandemic such as work from anywhere and deglobalization New to this fifth edition is increased material on sustainability and corporate social responsibility including discussion of climate change NGOs and sustainable development goals Subjects such as the impact of technology cryptocurrency and global strategy in the digital space are discussed in more detail while the conflict in Ukraine is also considered **Managing Across Cultures** Susan C. Schneider,Jean-Louis Barsoux,1997 This is a book about managing across cultures the threats and opportunities the problems and possibilities The authors explore how national culture can impact on the effectiveness of managers and companies and how national culture can interact with corporate and industry culture to create competitive advantage **The Unspoken Rules** Gorick Ng,2021-04-27 Named one of 10 Best New Management Books for 2022 by Thinkers50 A Wall Street Journal Bestseller this guide provides readers with much more than just early careers advice it can help everyone from interns to CEOs a Financial Times top title You've landed a job Now what No one tells you how to navigate your first day in a new role No one tells you how to take ownership manage expectations or handle workplace politics No one tells you how to get promoted The answers to these professional unknowns lie in the unspoken rules the certain ways of doing things that managers expect but don't explain and that top performers do but don't realize The problem is these rules aren't taught in school Instead they get passed down over dinner or from mentor to mentee making for an unlevel playing field with the insiders getting ahead and the outsiders stumbling along through trial

and error Until now In this practical guide Gorick Ng a first generation college student and Harvard career adviser demystifies the unspoken rules of work Ng distills the wisdom he has gathered from over five hundred interviews with professionals across industries and job types about the biggest mistakes people make at work Loaded with frameworks checklists and talking points the book provides concrete strategies you can apply immediately to your own situation and will help you navigate inevitable questions such as How do I manage my time in the face of conflicting priorities How do I build relationships when I m working remotely How do I ask for help without looking incompetent or lazy The Unspoken Rules is the only book you need to perform your best stand out from your peers and set yourself up for a fulfilling career

**Principles of Management** Oliver Laasch,2021-03-10 There is now widespread understanding that business and management must evolve and act responsibly in the world giving full consideration to people and planet not just profit Principles of Management Practicing Ethics Sustainability Responsibility was the first official textbook of the United Nations global initiative network Principles for Responsible Management Education PRME Now fully revised and updated with three brand new chapters on communicating innovating and leading this accessible and engaging textbook provides an introduction to management while empowering you to think ethically and sustainably in order to become a responsible manager It also includes essential workplace skills for the 21st century and coverage of the various management occupations that you will go on to fill after your studies Exclusive interviews with management pioneers and professionals help bring theories and concepts to life throughout the text as do the all new case studies which include Lego Patagonia and Greta Thunberg Worksheets and exercises make for an active learning experience alongside the supporting online resources provided to your lecturer for dissemination The textbook includes coverage of the UN s Sustainable Development Goals SDGs which are central to business education and practice today It can be used for introductory management courses as well as courses that cover business ethics business and society corporate social responsibility CSR sustainability and responsible management

**Global Business Management** Abel Adekola,Bruno S. Sergi,2016-04-22 This book interweaves the concepts of the guidance on globalization international management and the intricacies of international business that many books on the market treat independently It clarifies and explains culture cultural misunderstandings and cross cultural interactions Adekola and Sergi s text is unique in that it offers both the management perspective and the cultural perspective It is for managers seeking to thrive in the global economy This book focuses on managing global organizations providing a basis for understanding the influence of culture on international management and the key roles that international managers play It clearly shows how to develop the cross cultural expertise essential to succeed in a world of rapid and profound economic political and cultural changes

Managing a Global Workforce Charles Vance,Yongsun Paik,2015-03-27 This new edition of Managing a Global Workforce provides balanced and contemporary coverage of human resource management in the international marketplace Directed at future general managers and international executives rather than HR specialists it

is designed to help students as well as professionals recognize the critical human resource issues underlying the cultural and economic challenges they face

**Business Strategies in Transition Economies** Mike W. Peng, 2000 The work is a practical examination of fundamental strategic issues confronted by firms competing in newly opened markets It covers emerging markets in East Asia Central and Eastern Europe and the new states of the former Soviet Union

**Global Business Today** Charles W. L. Hill, 2006 Charles Hill's Global Business Today 4e GBT has become an established text in the International Business market for its excellent but concise coverage of the key global issues including the cultural context for global business cross border trade and investment the global monetary system and competition in the global environment GBT's concise chapters give a general introduction to international business emphasizing the environmental factors with less coverage of operations Charles Hill is renowned for his attention to research trends and that is evident in Global Business Today 4e through a variety of real world examples and cases from small medium and large companies throughout the world

*Global Strategic Management, Second Edition* Philippe Lasserre, 2007-12-15 This second edition embraces traditional strategic management teaching but extends it to a world scale It offers insight into the impact of globalization on business organizations and into how managers could and should react
