Arnol'd,2012-12-06 *On Tolerance* Frank Furedi,2013-02-14 Outwardly we live in an era that appears more open minded non judgemental and tolerant than in any time in human history The very term intolerant invokes moral condemnation We are constantly reminded to understand the importance of respecting different cultures and diversities In this pugnacious new book Frank Furedi argues that despite the democratisation of public life and the expansion of freedom society is dominated by a culture that not only tolerates but often encourages intolerance Often the intolerance is directed at people who refuse to accept the conventional wisdom and who are stigmatised as deniers Frequently intolerance comes into its own in clashes over cultural values and lifestyles People are condemned for the food they eat how they parent and for wearing religious symbols in public This book challenges the quiet mood of tolerance towards morally stigmatised forms of behaviour The author examines recent forms of unacceptable behaviour It will tease out the real motives and drivers of intolerance
