**When a Man's Single** James Matthew Barrie,1888    **Mortal Doubt** Anthony W. Fontes,2018-11-06 The fear of violent crime dominates Guatemala City In the midst of unprecedented levels of postwar violence Guatemalans struggle to fathom

the myriad forces that have made life in this city so deeply insecure Born out of histories of state terror migration and US deportation maras transnational gangs have become the face of this new era of violence They are brutal organizations engaged in extortion contract killings and the drug trade and yet they have also become essential to the emergence of a certain kind of social order Drawing on years of fieldwork inside prisons police precincts and gang dominated neighborhoods Anthony W Fontes demonstrates how gang violence has become indissoluble from contemporary social imaginaries and how these gangs provide cover for a host of other criminal actors Ethnographically rich and unflinchingly critical *Mortal Doubt* illuminates the maras role in making and mooring collective terror in Guatemala City while tracing the ties that bind this violence to those residing in far safer environs

**Generations** Neil Howe,William Strauss,1992-09-30 Hailed by national leaders as politically diverse as former Vice President Al Gore and former House Speaker Newt Gingrich *Generations* has been heralded by reviewers as a brilliant if somewhat unsettling reassessment of where America is heading William Strauss and Neil Howe posit the history of America as a succession of generational biographies beginning in 1584

and encompassing every one through the children of today Their bold theory is that each generation belongs to one of four types and that these types repeat sequentially in a fixed pattern The vision of Generations allows us to plot a recurring cycle in American history a cycle of spiritual awakenings and secular crises from the founding colonists through the present day and well into this millenium Generations is at once a refreshing historical narrative and a thrilling intuitive leap that reorders not only our history books but also our expectations for the twenty first century *How to Kill a Rock Star* Tiffanie DeBartolo,2005-09-01 Funny tender edgy I wanted the love story to go on forever Joan Johnston bestselling author of No Longer a Stranger Written in the wonderfully honest edgy and hilarious voice she perfected in God Shaped Hole Tiffanie DeBartolo shines in a passionate new story of music love and sacrifice Eliza Caelum a young music journalist is finally getting her footing in New York when she meets Paul Hudson a talented songwriter and lead singer of the band Bananafish They soon realize they share more than a reverence for rock music and plunge headlong into love When Bananafish is signed by a big corporate label and Paul is on his way to becoming a major rock star Eliza s past forces her to make a heartbreaking decision that might be the key to Paul s sudden disappearance A layered and emotional look into the world of music this raw summer read will resonate with readers who loved Daisy Jones the Six by Taylor Jenkins Reid Praise for Tiffanie DeBartolo s God Shaped Hole From highs to heartbreak DeBartolo conjures an affair to remember People Honest raw and engaging Booklist This generation s Love Story Kirkus Reviews *The Black Lion Inn* Alfred Henry Lewis,2019-12-09 The Black Lion Inn by Alfred Henry Lewis Alfred Henry Lewis was an American investigative journalist lawyer novelist editor and short story writer In this book Lewis takes readers on a series of adventures From Christmas at Wolfville to lost royalty the book is a thrilling collection of adventures that perfectly portray the romance of America s past and the excitement of the country at the turn of the century **The Drummer's Studio Survival Guide** Mark H. glitter Manhattan and every Lada would be better engineered than a Porsche It s about the scientists who did their genuinely brilliant best to make the dream come true to give the tyranny its happy ending Red Plenty is history it s fiction it s as ambitious as Sputnik as uncompromising as an Aeroflot flight attendant and as different from what you were expecting as a glass of Soviet champagne **The Thesaurus of Slang** Esther Lewin,Albert E.
