Standing Committee on Legal Aid and Indigent Defendants,2006 We Are Not Dreamers Leisy J. Abrego,Genevieve Negrón-Gonzales,2020-08-14 The widely

recognized Dreamer narrative celebrates the educational and economic achievements of undocumented youth to justify a path to citizenship While a well intentioned strategic tactic to garner political support of undocumented youth it has promoted the idea that access to citizenship and rights should be granted only to a select group of deserving immigrants The contributors to *We Are Not Dreamers* themselves currently or formerly undocumented poignantly counter the Dreamer narrative by grappling with the nuances of undocumented life in this country Theorizing those excluded from the Dreamer category academically struggling students transgender activists and queer undocumented parents the contributors call for an expansive articulation of immigrant rights and justice that recognizes the full humanity of undocumented immigrants while granting full and unconditional rights Illuminating how various institutions reproduce and benefit from exclusionary narratives this volume articulates the dangers of the Dreamer narrative and envisions a different way forward Contributors Leisy J Abrego Gabrielle Cabrera Gabriela Garcia Cruz Luc a Le n Katy Joseline Maldonado Dominguez Grecia Mondrag n Gabriela Monico Genevieve Negr n Gonzales Maria Liliana Ramirez Joel Sati Audrey Silvestre Carolina Valdivia **A Guide to Naturalization** United States. Immigration and Naturalization Service,2000 *Tough Cases* Russell Canan,Gregory Mize,Frederick Weisberg,2018-09-25 *Tough Cases* stands out as a genuine revelation Our most distinguished judges should follow the lead of this groundbreaking volume Justin Driver *The Washington Post* A rare and illuminating view of how judges decide dramatic legal cases *Law and Order* from behind the bench including the Eli n Gonz lez Terri Schiavo and Scooter Libby cases Prosecutors and defense attorneys have it easy all they have to do is to present the evidence and make arguments It s the judges who have the heavy lift they are the ones who have to make the ultimate decisions many of which have profound consequences on the lives of the people standing in front of them In *Tough Cases* judges from different kinds of courts in different parts of the country write about the case that proved most difficult for them to decide Some of these cases received international attention the Eli n Gonz lez case in which Judge Jennifer Bailey had to decide whether to return a seven year old boy to his father in Cuba after his mother drowned trying to bring the child to the United States or the Terri Schiavo case in which Judge George Greer had to decide whether to withdraw life support from a woman in a vegetative state over the wishes of her parents or the Scooter Libby case about appropriate consequences for revealing the name of a CIA agent Others are less well known but equally fascinating a judge on a Native American court trying to balance U S law with tribal law a young Korean American former defense attorney struggling to adapt to her new responsibilities on the other side of the bench and the difficult decisions faced by a judge tasked with assessing the mental health of a woman who has killed her own children Relatively few judges have publicly shared the thought processes behind their decision making *Tough Cases* makes for fascinating reading for everyone from armchair attorneys and fans of *Law and Order* to those actively involved in the legal profession who want insight into the people judging their work *Immigration and Citizenship* Thomas Alexander Aleinikoff,David A. Martin,Hiroshi Motomura,2003 With a theme of membership and belonging reflected

throughout Immigration and Citizenship Process and Policy presents exceptionally broad coverage of immigration and citizenship and their unalienable rights The book discusses constitutional protections deportation and judicial review and removal procedures The authors define immigration and citizenship to include not only the traditional questions of who is admitted and who is allowed to stay in the United States but also the complex areas of discrimination between citizens and non citizens unauthorized migration federalism and the close interaction of constitutional law with statutes and regulations The fifth edition integrates important developments including many changes to the immigration statutes as part of the Patriot Act anti terrorism enforcement and splitting up the Immigration and Naturalization Service into various parts of the new Department of Homeland Security and other federal agencies Other significant changes include deleting the chapter on the concept of entry folding the deportation chapter s discussion of relief into a general chapter on the grounds of deportability and creating a new chapter on undocumented immigration

Deported Tanya Maria Golash-Boza, 2015-12-11 Winner 2016 Distinguished Contribution to Research Book Award given by the American Sociological Association Latino a Section The intimate stories of 147 deportees that exposes the racialized and gendered dimensions of mass deportations in the U S The United States currently is deporting more people than ever before 4 million people have been deported since 1997 twice as many as all people deported prior to 1996 There is a disturbing pattern in the population deported 97% of deportees are sent to Latin America or the Caribbean and 88% are men many of whom were originally detained through the U S criminal justice system Weaving together hard hitting critique and moving first person testimonials *Deported* tells the intimate stories of people caught in an immigration law enforcement dragnet that serves the aims of global capitalism Tanya Golash Boza uses the stories of 147 of these deportees to explore the racialized and gendered dimensions of mass deportation in the United States showing how this crisis is embedded in economic restructuring neoliberal reforms and the disproportionate criminalization of black and Latino men In the United States outsourcing creates service sector jobs and more of a need for the unskilled jobs that attract immigrants looking for new opportunities but it also leads to deindustrialization decline in urban communities and consequently heavy policing Many immigrants are exposed to the same racial profiling and policing as native born blacks and Latinos Unlike the native born though when immigrants enter the criminal justice system deportation is often their only way out Ultimately Golash Boza argues that deportation has become a state strategy of social control both in the United States and in the many countries that receive deportees
