Debt Nina G Jones

Debt Nina G. Jones, 2014-12-24 I don't know what I was thinking when I hired someone to attack me Maybe I was bored or lonely or there was a void so deep inside of me that I needed something explosive to fill it It was supposed to be safe A thrill A way to break through the monotony of everyday life It was an illusion of danger that I could walk away from as soon as it was over Except that it wasn't Because I had been in danger long before I ever invited it into my life My mission is almost complete The bubbling boil of vengeance that heats my blood might finally simmer She is the last piece of the puzzle Once I destroy her everyone who ever hurt me will have paid their debt It was supposed to be quick and easy but as soon as I met her it got complicated Very complicated Publisher's description *Take Me with You* Nina G. Jones, 2016-10-18 I watch I study I prowl I hunt I always go in with a plan A set of rules for myself I don't take unnecessary risks That's how I've been able to evade capture all these years But there's something about this girl that is different than the others When I finally meet her the rules become a blur And I break the most important one of all I take her with me It's just my imagination that feeling of being watched That those icy eyes a vivid turquoise with a distinct golden fleck aren't watching me It's just stress I am the person everyone relies on Maybe that's why I haven't been feeling so content with my life lately Why I dream those eyes belong to someone who can tear me away from all of my responsibilities But these are just shameful fantasies never meant to breach reality Then one night the dream comes true only it's a horrific nightmare Now I only have one task survival 124k words Trigger warning If you need one this is really not the book for you *Swelter* Nina G. Jones, 2015-10-01 I married the right brother At least that's what I tell myself at night when I stare at the ceiling and listen to the rhythm of the grandfather clock down the hall It never feels like the mere passage of time but a countdown towards something inevitable Bobby Lightly is selfish irresponsible and careless I haven't seen him since the day I married his brother He slipped out during the wedding reception without a word A year later I heard Bobby was drafted to Korea He never said goodbye Never sent a letter We had all come to terms with the fact that he was probably dead somewhere either a victim of the war or its aftermath That is until in the midst of an unrelenting heatwave he showed up at the doorstep of the house I lived in with his brother Everyone thinks I'm cruel Everyone thinks I should be easy on him They think I don't understand him They all think I hate him But what no one understands is that it was Bobby who broke my heart And I think he's back to do it again

Strapped Down Nina Jones, 2014-04-23 The much anticipated second installment of the *Strapped Trilogy* *Strapped Down* picks up where the first installment concluded Eric is not going down without a fight but Shyla and Taylor are willing to go to equally dark lengths to make him pay for his betrayal In their quest to seek revenge and find happiness deeply guarded secrets from their pasts begin to surface revealing they are linked to each other in ways they could never have imagined For every secret they uncover another seems to surface as they find themselves raveled in a web that extends much further than

the confines of the darkroom As Shyla and Taylor become more entwined with each other she learns that Taylor s dark side is far more dangerous than she believed Will Shyla continue to follow Taylor into the darkness or is he far too gone for her light to shine through *Take Me with You* Carolyn Marsden,2010-03-23 Raised in an Italian orphanage in the years following World War II a biracial girl named Susanna and her best friend Pina want to be adopted but fear being separated *Notice* K Webster,2016-06-17 I didn t notice her before but now I do The shiny strands of gold in her silky brown hair Tiny crinkles between her eyebrows when she frowns Her passion for neatness Once I focus on her I can t take my eyes from my newest obsession Ever I need to know everything about her Her past Her present The way she takes her coffee Exactly how she smells after a spritz of perfume in the mornings She s perfect in every way and I was blind But God now do I see I notice the organized way she arranges her clothes in her closet How she visits the same market each Saturday The sounds of her breathing as I lie beneath her bed in silence Violet is mine She just doesn t know it yet **WARNING** *Notice* is a dark and unusual romance Extreme sexual themes and violence in certain scenes which could trigger emotional distress are found in this story If you are sensitive to dark themes then this story is not for you If you aren t into super obsessive stalkers then this story is not for you **You Take It From Here** Pamela Ribon,2012-07-03 Just because you d give your best friend everything doesn t mean she has to take it On the heels of a divorce all Danielle Meyers wants is her annual vacation with sassy life long best friend Smidge complete with umbrella cocktails by an infinity pool but instead she s hit with the curveball of a lifetime Smidge takes Danielle to the middle of nowhere to reveal a diagnosis of terminal cancer followed by an unusual request After I m gone I want you to finish the job Marry my husband Raise my daughter I m gonna teach you to how to be Smidge 2 0 As Danielle wrestles with this major life decision she finds herself torn between being true to her best friend s wishes and being honest with herself Parenting issues aside Smidge s small town Louisiana world is exactly the one Danielle made sure to escape Danielle isn t one for playing the social butterfly or being the center of attention And when your best friend tries to set you up on a date night with her husband it might be time to become the bossy one for a change In the spirit of *Beaches* and *Steel Magnolias* *You Take It from Here* is an honest hilarious and heartbreaking novel that ultimately asks How much should we sacrifice for the ones we love the most *Take Me There* Carolee Dean,2010-07-20 Seventeen year old Dylan Dawson is trying to pull his life together after his release from juvenile hall But going straight isn t easy and Dylan just can t seem to keep out of trouble His problems escalate fast and soon he has no choice but to hit the road even though it means leaving behind the girl of his dreams He heads south for Texas on the run and in search of his father Dylan has no idea how his life became such a mess but he knows that his dad is at the root of it When Dylan finds him he certainly gets answers but they re answers to questions he wishes he d never asked **Blow Your House Down** Pat Barker,2016-10-27 *Blow Your House Down* is swift spare and utterly absorbing you ll probably read it as I did in one tense sitting **NEW YORK TIMES** A courageous and disturbing novel **ELIZABETH WARD WASHINGTON POST BOOK WORLD** Despite its black humour it is a
