Grace Like Scarlett Adriel Booker, 2018-05-01 Though one in four pregnancies ends in loss miscarriage is shrouded in such secrecy and stigma that the woman who experiences it often feels deeply isolated unsure how to process her grief Her body seems to have betrayed her Her confidence in the goodness of God is rattled Her loved ones don't know what to say Her heart is broken She may feel guilty ashamed angry depressed confused or alone With vulnerability and tenderness Adriel Booker shares her own experience of three consecutive miscarriages as well as the stories of others She tackles complex questions about faith and suffering with sensitivity and clarity inviting women to a place of grace honesty and hope in the redemptive purposes of God without offering religious clichés and pat answers She also shares specific practical resources such as ways to help guide children through grief suggestions for memorializing your baby and advice on pregnancy after loss as well as a special section for dads and loved ones

Regretting Motherhood Orna Donath, 2017-07-11 A provocative and deeply important study of women's lives women's choices and an unspoken taboo that questions the societal pressures forcing women into motherhood Women who opt not to be mothers are frequently warned that they will regret their decision later in life yet we rarely talk about the possibility that the opposite might also be true that women who have children might regret it Drawing on years of research interviewing women from a variety of socioeconomic educational and professional backgrounds sociologist Orna

Donath treats regret as a feminist issue as regret marks the road not taken we need to consider whether alternative paths for women currently are blocked off She asks that we pay attention to what is forbidden by rules governing motherhood time and emotion including the cultural assumption that motherhood is a natural role for women for the sake of all women not just those who regret becoming mothers If we are disturbed by the idea that a woman might regret becoming a mother Donath says our response should not be to silence and shame these women rather we need to ask honest and difficult questions about how society pushes women into motherhood and why those who reconsider it are still seen as a danger to the status quo Groundbreaking thoughtful and provocative this is an especially needed book in our current political climate as women s reproductive rights continue to be at the forefront of national debates **The Act of Sewing** Sonya Philip,2021-04-27

Express your personal style and make clothes that are comfortable for you and your body Maybe you learned to sew in school and have a sewing machine but it hasn t seen the outside of the closet since your last move Or maybe you are completely new to the craft with a lot of enthusiasm but no idea how to thread your machine No matter where you re coming from in terms of experience this sewing workbook offers four basic patterns two tops a skirt and a pair of pants that empower you to express your personal style and make clothes that are comfortable for your body type After explaining the basic concepts of sewing and construction 100 Acts of Sewing designer Sonya Philip then provides suggestions for mixing the basic patterns together to create new garment iterations as you gain confidence structural adjustments such as full bust no bust long torso big small etc as well as a range of possible alterations and embellishments including sleeves pockets hems and more Going beyond simple pattern instructions this book will make sewing garments accessible for every body type each pattern comes in sizes ranging from XS to 5X With inspiring essays on Sonya s sewing philosophy that speak to the slow and ethical fashion movement this will be the go to guide for all aspirational and seasoned sewists **How to Grow a Baby** Amy J.

Hammer,2021-09-21 Written by a nurse this holistic guide for pregnancy and the postpartum experience provides foundational knowledge and intuitive wisdom to help new mothers support the optimal health of their baby and their own bodies Get the answers to the big questions about pregnancy What kinds of foods should you eat and how do you prepare your body for labor and birth How does movement impact pelvic health and the baby s position in the womb How does the endocrine system and your brain change throughout pregnancy How does the microbiome influence your and your baby s health Packed with practical information and helpful infographics Amy J Hammer helps you create the optimal environment for growing a baby and navigating the major transitions in a pregnancy including nurturing pelvic floor health the fetal and parental microbiome and the science behind the stages of pregnancy from conception to postpartum By providing vital and often ignored information about reproductive science movement and nourishment this book empowers parents to make informed and personal choices about their pregnancy birth and beyond Her Body and Other Parties Carmen Maria

Machado,2017-10-03 Finalist for the National Book Award for Fiction These stories vibrate with originality queerness

sensuality and the strange Roxane Gay In these formally brilliant and emotionally charged tales Machado gives literal shape to women s memories and hunger and desire I couldn t put it down Karen Russell In Her Body and Other Parties Carmen Maria Machado blithely demolishes the arbitrary borders between psychological realism and science fiction comedy and horror fantasy and fabulism While her work has earned her comparisons to Karen Russell and Kelly Link she has a voice that is all her own In this electric and provocative debut Machado bends genre to shape startling narratives that map the realities of women s lives and the violence visited upon their bodies A wife refuses her husband s entreaties to remove the green ribbon from around her neck A woman recounts her sexual encounters as a plague slowly consumes humanity A salesclerk in a mall makes a horrifying discovery within the seams of the store s prom dresses One woman s surgery induced weight loss results in an unwanted houseguest And in the bravura novella Especially Heinous Machado reimagine every episode of Law Order Special Victims Unit a show we na vely assumed had shown it all generating a phantasmagoric police procedural full of doppelg ngers ghosts and girls with bells for eyes Earthy and otherworldly antic and sexy queer and caustic comic and deadly serious Her Body and Other Parties swings from horrific violence to the most exquisite sentiment In their explosive originality these stories enlarge the possibilities of contemporary fiction

They Were Still Born Janel C. Atlas, editor of They Were Still Born: Personal Stories About Stillbirth,2010-12-16 The stories in this book are not easily told but for the many thousands of families each year who endure the silent tragedy of a stillbirth they offer a welcome voice of solidarity and guidance Janel Atlas familiar with the pain of losing a child has selected here the firsthand accounts of not only mothers but also fathers and grandparents all of whom have reached out to offer readers the comfort of knowing they are not alone on this painful path Through these stories the writers found validation of their babies lives and have now shared the same gift with others inspiring readers to write their own as well as showing them how to do so

Be Yourself Amy Brooks,2020-06-05 Be Yourself A Journal for Catholic Boys was designed for boys to understand their identity and individuality with the help of their Catholic faith Packed full of great art quizzes journaling questions quotes from the saints Scripture verses and passages from the Catechism of the Catholic Church the Be Yourself journal helps boys become the men God created them to be

From Bump to Baby To Be Announced,2018-10-02 A beautiful journal to use throughout pregnancy and in those all important first weeks after the birth of your baby A beautiful journal to use throughout pregnancy and in those all important first weeks after the birth of your baby In this invaluable journal you can track your unborn baby s development week by week discover some helpful pregnancy tips and record how you are feeling at each stage Stay on top of your medical care with note pages for your midwife appointments and prenatal classes and there s space to include those precious scan photos as well as a handy storage pocket for important documents In later pregnancy using the journal will help to focus your mind as you make important decisions such as choosing a name for your baby and writing a birth plan and there are useful checklists to ensure that you ve bought everything you need Elated but exhausted after the birth everything

can become a bit of a foggy haze which is why there is a special section at the end to help you with everyday care as well as record your newborn baby's first precious weeks *Sew Liberated* Meg McElwee,2010-01-01 Resurrecting the art of applique a technique in which pieces of fabric are sewn onto clothing bags quilts and other creations this enlightening resource provides today's generation of sewists with a technique that can be combined with embroidery beadwork buttons ribbons and more to imbue works with a creative and personal style Ideal for those with some sewing experience looking to break away from the restrictions of traditional patterns this guide offers the details for both hand and machine applique techniques as well as a history of applique and how it was rediscovered in the fiber arts Featured are 20 modern stylish sewing projects ranging from aprons skirts pillows and totes to a duvet cover wall clock blouse baby quilt and scarf With step by step instructions color photographs and comprehensive how to embroidery instructions this is an all in one resource and guide

Operating Instructions Anne Lamott,2005-03-08 With the same brilliant combination of humor and warmth she brought to bestseller *Bird by Bird* Anne Lamott gives us a smart funny and comforting chronicle of single motherhood It's not like she's the only woman to ever have a baby At thirty five On her own But Anne Lamott makes it all fresh in her now classic account of how she and her son and numerous friends and neighbors and some strangers survived and thrived in that all important first year From finding out that her baby is a boy and getting used to the idea to finding out that her best friend and greatest supporter Pam will die of cancer and not getting used to that idea with a generous amount of wit and faith but very little piousness Lamott narrates the great and small events that make up a woman's life Lamott has a conversational style that perfectly conveys her friendly self-deprecating humor Los Angeles Times Book Review Lamott is a wonderfully lithe writer Anyone who has ever had a hard time facing a perfectly ordinary day will identify Chicago Tribune

Welcome Little One Sandra Magsamen,2015-06-01 For parents the arrival of a newborn child is an event that offers the promise of never ending love Filled with lively illustrations and heartfelt rhyming text *Welcome Little One* allows parents and children to celebrate and cherish their bond

Mother : An Unconventional History SARAH. KNOTT,2019-03-19 When acclaimed historian Sarah Knott became pregnant she started looking for a history of motherhood only to find that no such book exists For centuries historians have concerned themselves with wars and revolutions not the everyday details of carrying and caring for a baby These details matter they shape our feelings and give structure to our hours But they leave little historical trace Much to do with becoming a mother past or present is lost or forgotten Using the arc of her own experience from miscarriage to the birth and early babyhood of her two children Sarah Knott explores the changing traditions experiences and cultural implications of motherhood Drawing on diaries and letters paintings and songs *Mother* vividly brings to life the lost stories of both ordinary and extraordinary women from the labour pains of a South Carolina field slave to the triumphant smile of a royal mistress pregnant with a king's first son to create a moving depiction of a universal and endlessly various human experience

My Boys Can Swim! Ian Davis,1999-09-22 Finally A Pregnancy Book That Won't Put Men to Sleep *My*

Boys Can Swim tells real men everything they really want to know about pregnancy such as How much is it going to cost Why does your wife primp before seeing her doctor when she hasn't put a stitch of make up on for you in months And most important what is it going to do to your sex life This rollicking laugh out loud book is for expectant dads in search of bottom line pregnancy information without all that boring touchy feely stuff you find in those books written for women Inside you'll discover helpful and hilarious information and insights on such topics as The Maternity Wardrobe A key part of the maternity wardrobe is maternity underwear parachute like undies big enough to fit an NFL defensive lineman Baby Names Don't give your kids mockable names like Thaddeus which is Greek for I'm a dork and should be beaten up The Birth No one told me it's normal that babies heads can be misshapen at birth I was convinced that my wife gave birth to Veldar the conehead 168 Hours Laura Vanderkam,2011-05-31 It's an unquestioned truth of modern life we are starved for time We tell ourselves we'd like to read more get to the gym regularly try new hobbies and accomplish all kinds of goals But then we give up because there just aren't enough hours to do it all Or if we don't make excuses we make sacrifices taking time out from other things in order to fit it all in There has to be a better way and Laura Vanderkam has found one After interviewing dozens of successful happy people she realized that they allocate their time differently than most of us Instead of letting the daily grind crowd out the important stuff they start by making sure there's time for the important stuff When plans go wrong and they run out of time only their lesser priorities suffer Vanderkam shows that with a little examination and prioritizing you'll find it is possible to sleep eight hours a night exercise five days a week take piano lessons and write a novel without giving up quality time for work family and other things that really matter **Yes, Granddaughter, YOU CAN** Joyce M. Wrenn,2017-03-29 Yes Granddaughter YOU CAN by Joyce M Wrenn Joyce M Wrenn's Yes Granddaughter YOU CAN is the inspiring memoir of a woman whose career should be a source of encouragement for our youth young women and young men alike She succeeded in breaking through the glass ceiling before others even knew there was a crack The definition of glass ceiling is The unseen yet unbreachable barrier that keeps minorities and women from rising to the upper rungs of the corporate ladder regardless of their qualifications or achievements This term first surfaced in the mid 1980s With immigrant grandparents Wrenn's father stressed the importance of education In college she chose studies like math and physics over the liberal arts many girls studied Even though she married young she continued her education and graduated accepting her first job as a computer programmer for Bendix in 1959 Over the years Wrenn's career progressed as she moved back and forth across the country working for such companies as IBM Bank of America American Airlines Union Pacific RR each move a step up the ladder retiring as CIO in 1999 Wrenn hopes her story will help young people especially women in their quest to climb the corporate ladder in their own careers *Expectant Prayers for Expectant Mothers* Jennifer J. Weiss,2006-08 Day by day guide from planning pregnancy to delivery Featuring over 260 engaging and interactive prayers formatted with a daily topic verse devotional and journal tip A book worth experiencing The Diving Pool Yoko Ogawa,2008-01-22 The first
