McTeague Frank Norris

McTeague Frank Norris,2012-06-08 Inspired by an actual crime this riveting tale of avarice degeneration and death chronicles the demise of an ignorant charlatan and his avaricious wife as they descend into moral corruption **McTeague: A Story of San Francisco** Frank Norris,2013-06-05 First published in 1899 this graphic depiction of urban American life centers around McTeague a dentist practicing in San Francisco at the turn of the century While at first content with his life and friendship with an ambitious man named Marcus McTeague eventually courts and marries Trina a parsimonious young woman who wins a large sum of money in a lottery It is not long before the jealousy and avarice of the majority of the characters in the novel sets off a chain of inevitable and increasingly horrific events Norris work so strikingly different from that of his contemporaries is an admirable example of social realism which provided America with a shocking reflection of its sordid sense of survival From the opening description of San Francisco to McTeague s final desperate flight far from his Dental Parlors this novel examines human greed in a way that still causes readers to pause and reflect *McTeague* Frank Norris,1906 **McTeague** Frank Norris,2019-08-14 Although otherwise ignorant and ineffectual McTeague has managed to eke out a meager career as an unlicensed dentist His dreary existence rapidly improves upon meeting and marrying Trina whose possession of a winning lottery ticket further brightens their lives But Trina s lust for money and parsimonious habits arouse a latent brutishness in her husband as the couple s happiness gradually curdles into a quagmire of suspicion jealousy and corruption Inspired by a real life crime that the San Francisco tabloids eagerly exploited McTeague created a literary sensation upon its initial 1899 publication Frank Norris s riveting depiction of avarice and moral degeneration ranks among the earliest works in American literature to offer a compelling realistic view of human nature at its most basic level Critic Alfred Kazin praised the novel as one of the great works of the modern American imagination and it was the inspiration for Erich von Stroheim s groundbreaking 1924 silent film *Greed* **McTeague** Frank Norris,2022-09-08 Reproduction of the original [McTeague: A Story of San Francisco](#) Frank Norris,2021-01-01 It was Sunday and according to his custom on that day McTeague took his dinner at two in the afternoon at the car conductors coffee joint on Polk Street He had a thick gray soup heavy underdone meat very hot on a cold plate two kinds of vegetables and a sort of suet pudding full of strong butter and sugar On his way back to his office one block above he stopped at Joe Frenna s saloon and bought a pitcher of steam beer It was his habit to leave the pitcher there on his way to dinner **McTeague; A Story of San Francisco** Norris Frank,2019-02-28 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United
