Believe Like a Child Paige Dearth, 2011 Alessa is just seven years old when her uncle rapes her for the first time As the years pass his sexual appetite becomes more voracious and his perversion more twisted until the abuse has become almost a daily ritual with the unspoken involvement of the girl s mother At the age of sixteen after the death of her only friend Alessa finds herself at the mercy of her real life monster with no relief in sight She flees her home to escape this hell only to find herself descending into a more dangerous one Alone and helpless in the streets of North Philadelphia she encounters more human predators who want to take over her life and devour her About to hit rock bottom Alessa manages to break away from her new tormentors and finds refuge in a shelter for homeless and abused women Wherever she goes however trouble keeps seeking her out until she meets three people who change the course of her life forever Though Alessa s bittersweet journey is perpetually fraught with challenges she does nevertheless manage to find fleeting moments of joy along the way But as she begins to settle down a ghost from the past comes to haunt her again threatening to destroy the very foundation of her small world and plunging her back into an abyss of despair until she makes her final bid for escape **Believe Like a Child** Paige Dearth, 2011-06-22 Home isn t safe for young Alessa because her uncle lives there unfortunately neither are the streets The beginning of this story is based on Paige Dearth s life The remainder of this book is fiction Alessa s uncle is a child predator and she s one of his victims At sixteen after the death of her only friend Alessa finds herself isolated at home with her uncle Unable to live there she runs away Alone on the streets of North Philadelphia she encounters more people who hurt her About to hit rock bottom Alessa breaks free from her new tormentors and finds refuge in a shelter for homeless and abused women Wherever she goes however trouble keeps seeking her out until she meets three people who change the course of her life Though Alessa s bittersweet journey is fraught with challenges she does nevertheless find fleeting moments of joy Then as she settles down a ghost from the past comes to haunt her threatening to destroy the very foundation of her small world and plunging her back into an abyss of despair until she makes her final bid for escape **When Smiles Fade** Paige Dearth, 2013 Emma was unloved from the moment she was born Her earliest memory is being severely beaten by her father Pepper Murphy when she was just eight yearsold Seething with resentment over the sacrifice of his dreams for a woman he cares little about and children he never wanted Pepper chooses to blame his older daughter Her mother Valerie makes matters worse with her verbal abuse leaving Emma isolated with a man that had no boundaries in punishing his daughter taking his abuse to unimaginable levels Emma s father s coldblooded beatings and the ultimate abuse to which he subjects her lays the foundation of the person she becomes As she matures into a resourceful teenager she is unwilling and unable to stifle her desire for revenge Reaching her breaking point she can no longer control the impulse to fight back and finally takes matters into her own hands Having learned the art of hatred from her father and the mastery of manipulation from her

mother young Emma now sets out to make a better life for herself leaving the memory of the abused child she had once been behind her Hardened by the heartless brutality she encounters and the dangerous situations she must overcome in the course of her journey she faces every challenge that comes her way in her quest for a normal life for herself and for those she loves Finally a person emerges from within that guides her toward a better life until she learns of a secret that sets her on the path of ultimate redemption

One Among Us PAIGE. DEARTH,2014-12-12 Eleven year old Maggie Clarke is living a nightmare most children couldn't imagine in their wildest dreams She's been abducted from her suburban Philadelphia family and thrust into the indescribably horrific and largely unknown underworld of human sex trafficking Maggie doesn't yet realize that her abduction will change her life forever She's focused on caring for four year old Seth who was also abducted Years pass and though Maggie's family never gives up searching for her she's living the dangerous and degrading life of an underage prostitute Maggie's smarts usually keep her one step ahead of her pimp but her boldness sometimes earns her severe punishments from the man who controls her every move Her close relationship with a drug dealer named JuJu and her continuing role as mother to Seth are what give her the strength to keep going through her brutal existence After nearly a decade when a man approaches her with a dangerous proposition will Maggie be willing to do whatever it takes to break free from this modern form of slavery An unforgettable story of courage and survival **One Among Us** serves as an eye opening reminder that horrible things can happen to anyone it's how people deal with their circumstances that matters

Mean Little People Paige Dearth,2017-04-02 When he's seven years old Tony Bruno nearly dies by hanging But the brutality of school bullies on the streets of Philadelphia is just the tip of the iceberg for Tony who also must endure the crushing loneliness of a father who rejects and terrorizes him And when a teenaged Tony ends up at a juvenile detention center awaiting trial little does he know that his life and quest for acceptance will change forever Tony goes free only to find he has no home to go back to From squatting in an abandoned warehouse to joining a gang to chasing a future with a girl he's forbidden to love Tony digs deep to survive But the cost of escaping this life he hates may be too high This tautly plotted tale moves at a breakneck pace from beginning to end A raw and gritty story tempered only by the honor found in acceptance **Mean Little People** tackles the darkest of issues from the trauma of bullying to the lure of organized crime And in Tony Bruno the ruthless yet surprisingly gentle boy clawing his way through the years toward happiness we find someone to root for despite or perhaps because of his brokenness
