The four-part lessons encourage creativity and strengthen writers by focusing on gerunds, colons and semicolons, and double negatives. The book features easy-to-understand directions and includes Supplement your social studies curriculum with 180 days of daily geography practice! This essential classroom resource provides teachers with weekly geography units that build students' geography knowledge, and are easy to incorporate into the classroom. In a world that is becoming more connected and globalized, 21st century students must have the skills necessary to understand their world and how geography affects them and others. Students will develop their map and spatial skills, learn how to answer text- and photo-dependent questions, and study the 5 themes of geography. Each week covers a particular topic and introduces students to a new place or type of map. The first two weeks consist of a mini-unit that focuses entirely on map skills. For additional units, students will study various places, and how culture and geography are related. With a focus on the six populated continents, students will explore various types of maps including physical maps, political maps, topographic maps, thematic maps, climate maps, regional maps, and various topics including scale, legends, cardinal directions, latitude and longitude, and more. Aligned to state standards and National Geography Standards, this resource includes digital materials. Hollywood, 1956. Journalist and war widow Evangeline Kilhooley is assigned to write a "star profile" of the fading actor Bela Lugosi, made famous by his role as Count Dracula. During a series of interviews, Lugosi draws Evi into his curious Eastern European background, gradually revealing the link between Old World shadows and the twilight realm of modern horror films. Along the way, Evi meets another English expatriate, Hugo Radelle, a movie buff who offers to help with her research. As their relationship deepens, Evi begins to suspect that he knows more about her and her soldier husband than he is letting on. Meanwhile, a menacing Darkness stalks all three characters as their histories and destinies mysteriously begin to intertwine. Reading Comprehension and Skills for sixth grade is designed to help students develop a strong foundation of reading basics so that they will become competent readers who can advance to more challenging texts. It includes engaging passages and stories about a variety of subjects to appeal to all readers. The book also encourages vocabulary development and reinforces reading comprehension through leveled activity pages that target each student's individual needs for support. Kelley Wingate's Reading Comprehension and Skills is the perfect choice for both teachers and parents. This valuable reading and comprehension skills practice book provides nearly 100 reproducible pages of exciting activities, 96 durable flash cards, and a motivating award certificate.
