Modoc The True Story Of Greatest Elephant That Ever Lived Ralph Helfer

Modoc Ralph Helfer, 2009-10-13 Once I started this incomparable story I couldn't put it down and I cannot get it out of my mind nor will I ever. The message of what can be accomplished by training through affection and joy will thrill all animal lovers. Betty White: A captivating true story of loyalty, friendship, and high adventure that spans several decades and three continents. *Modoc* is one of the most remarkable true stories ever told, perfect for fans of *The Zookeeper's Wife* or *Water for Elephants*. Raised together in a small German circus town, a boy and an elephant formed a bond that would last their entire lives and would be tested time and again through a near-fatal shipwreck in the Indian Ocean, an apprenticeship with the legendary Mahout elephant trainers in the Indian teak forests, and their eventual rise to circus stardom in 1940s New York City. As the *African Sun Times* put it, *Modoc* is heartwarming, probably the greatest love story ever told. **Modoc** Ralph Helfer, 1997 The greatest elephant story ever told, re-created by *Modoc*'s owner during the last twenty years of her seventy-eight year life. The story spans eight decades and three continents. *Zamba* Ralph Helfer, 2009-10-13 When Ralph Helfer, now one of Hollywood's top animal behaviorists, first began working, he was shocked by the cruelty that was accepted practice in the field. He firmly believed in affection training that love, not fear, should be the basis of any animal's development, even when dealing with the most dangerous of creatures. Then *Zamba* came into his life, an adorable four-month-old lion cub that went on to prove Helfer's theories resoundingly correct. Over the next eighteen years, *Zamba* would thrive and grow and go on to star in numerous motion pictures and television shows, all the while developing a deep and powerful bond of love and affection with the man who raised him. By turns astonishing, hilarious, and poignant, *Zamba* is not only the unforgettable story of the relationship that Helfer would come to consider one of the most important in his life, but also that of the amazing career and adventures of the greatest lion in the world. **The Beauty of the Beasts** Ralph Helfer, 2014-04-29 A trainer shares true stories of famous lion, orangutan, and other animal actors that will hold readers enthralled. *School Library Journal*: They are major stars who do not speak a word onscreen yet are world famous for their compelling performances. Who are they? The animal stars of the big screen, of course. In *The Beauty of the Beasts*, Ralph Helfer shares with the reader his love of animals and his work with some of Hollywood's biggest stars: Clarence the Cross-Eyed Lion, Gentle Ben the Schlitz Malt Liquor Bull, Clint Eastwood's orangutan sidekick Clyde, and many more. Helfer shares his philosophy on training these beautiful beasts to do amazing feats and maximize their acting potential without coercion. Join Ralph Helfer in his exploration of animal acting and read of his masterful use of TLC to work with these phenomenal non-human actors. Todd,2018-10-16 The Bahamas are famous for sun sand and swimming pigs National Geographic In the middle of paradise with billionaires and celebrities for neighbors is an island populated only by swimming pigs For decades this archipelago of 365 islands would remain largely unknown to the world It would not be a ruthless pirate pioneering loyalists a notorious drug kingpin or the infamous Fyre Festival that would unveil Exuma to the world but rather the most unlikely of creatures Appearing in magazines videos newspapers commercials TV shows and countless selfies the Swimming Pigs of Exuma in the Bahamas have become a bucket list sensation and have been named one of the marvels of the universe But how did they reach this celebrity status What made them so famous And why in February 2017 did so many of them die Pigs of Paradise is an unlikely story of humble beginnings and a swift rise to stardom With interviews from historians world renowned ecologists famous pig owners and boat captains it thoughtfully considers what this phenomenon says about not only these animals but also about us *Last Chain on Billie* Carol Bradley,2014-07-22 Against the backdrop of a glittering but brutal circus world Carol Bradley s Last Chain on Billie charts the history of elephants in America the inspiring story of the Elephant Sanctuary and the spellbinding tale of a resilient elephant who defied the system even as she struggled to conquer her past who never lost sight of the life she was meant to have Left in the wild Billie the elephant would have spent her days surrounded by family free to wander the jungles of Asia Instead traders captured her as a baby and shipped her to America where she learned to carry humans stand on a tub and balance on one leg the full repertoire of elephant tricks For decades Billie crisscrossed the country dazzling audiences as she performed breathtaking stunts But behind the scenes she lived a life of misery traveling in trucks chained for hours on end barely able to move giving eight minute performances under harsh lights and to the sounds of blaring music And worse Finally she got a lucky break As part of the largest elephant rescue in American history Billie wound up at a sanctuary for performing elephants in Tennessee able once more to roam through open meadows and share her days with a herd She would never be beaten again But overcome with anxiety she withdrew from the rest of the elephants and refused to let anyone remove a chain still clamped around her leg Her caregivers began to wonder if Billie could ever escape her emotional wounds The compelling story of Billie s battle to reclaim her old self is a testament to the intelligence emotional complexity and remarkable strength of all elephants captive or free **Dewey** Vicki Myron,2008-09-24 Experience the uplifting unforgettable New York Times bestseller about an abandoned kitten named Dewey whose life in a library won over a farming town and the world with over 2 million copies sold Booklist Dewey s story starts in the worst possible way On the coldest night of the year in Spencer Iowa at only a few weeks old a critical age for kittens he was stuffed into the return book slot of the Spencer Public Library He was found the next morning by library director Vicki Myron a single mother who had survived the loss of her family farm a breast cancer scare and an alcoholic husband Dewey won her heart and the hearts of the staff by

pulling himself up and hobbling on frostbitten feet to nudge each of them in a gesture of thanks and love For the next nineteen years he never stopped charming the people of Spencer with his enthusiasm warmth humility for a cat and above all his sixth sense about who needed him most As his fame grew from town to town then state to state and finally amazingly worldwide Dewey became more than just a friend he became a source of pride for an extraordinary Heartland farming community slowly working its way back from the greatest crisis in its long history

The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and gripping novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
