Don't be fooled by other blank handwriting papers that offer multiple grade levels in one book. Just like kids in different grades need different sized clothes, each grade level requires handwriting paper with different sized lines, especially for younger children or those that are struggling with handwriting. Our age-appropriate blank handwriting paper for Third Grade students is the traditional 1/2 inch ruled horizontal paper with a dotted midline. This larger, educationally sound, developmental design will help your child learn handwriting without the frustration of having to write too small, too soon. If your child has difficulty fitting letters to the page or writing on the lines, consider using the handwriting practice paper one grade level below instead for a while as it will provide bigger spaces and lines. Little hands need bigger spaces for better practice. Try our time tested blank handwriting paper and
