Zombie-in-Chief: Eater of the Free World Scott Kenemore, 2017-08-15 Bestselling author Scott Kenemore is back with a hilarious over the top and bloodthirsty send up of the 2016 political season In the tradition of Joe Klein s Primary Colors and Richard Condon s The Manchurian Candidate Zombie in Chief Eater of the Free World is a compelling and dramatic story with characters and events that may resemble familiar real life elections a little too closely After all who better to perform an autopsy of the American political system than an expert on the undead When a tycoon and reality TV star improbably wins his party s nomination for the presidency pundits and analysts are as baffled as they are certain that he will never win the general election What can a man who already lives at the top of a golden skyscraper with a supermodel wife still want Absent entirely from their prognostications is the possibility that it could be to gorge upon the brains of the living That he dreams of building a border wall to better keep delicious humans in That he seeks to make American great again for zombies Only an unlikely journalistic partnership between a reporter fresh from J school and a blogger who is derided and dismissed as fake news seems to have any chance of derailing the tycoon s plans and exposing him as a member of the walking dead Yet a terrifying question still remains In a nation divided along political lines as never before will such a revelation change anything Or will a candidate revealed to be a proud Zombie American simply be another stepping stone on a historic and not so above board journey to the presidency
