Unatoned Brent LaPorte, 2021-06-01 For readers of Alan Cumming's *Not My Father's Son* comes a heart wrenching memoir that interrogates an abusive father and his dark legacy. Children who experience physical, mental, and emotional trauma at the hands of a parent often grow into adults who suffer from mental illness and find it difficult to build lasting healthy relationships. Some find it impossible to integrate into society and are constantly searching for the love and approval that they never received as a child. The abuse impacts all aspects of the survivor's life. In his new memoir, Brent LaPorte asks his dead father questions that will never be answered. *Unatoned* not only explores the dark nature of LaPorte's father but the darkness that has at times enveloped him too. In confronting life choices that have hurt those around him, he asks, is it possible to break the cycle of a violent alcoholic family history and live a life that is productive, loving, and above all, happy. In exploring the challenges of his youth, married life, and careers, LaPorte lays bare failings and triumphs, sharing pain and struggle to ultimately tell readers, none of us are alone. This is not a self-help book; rather, the story of a man's request for atonement for sins past, his father's, and his own.
