## The Wedding Gift Kathleen McKenna

*The Wedding Gift* Kathleen McKenna, 2011-10 Leann wasn't good enough for her upper crust in laws so they gave her the mansion none of them wanted Years ago something or someone in the house killed Leann's brother Will its violent secrets kill her next a spine electrifying supernatural tale where a huge Southern States mansion contains one of the most terrifying violent and indeed psychopathic ghosts to haunt any town It is also a murder mystery why did Robina Willets apparently kill all five of her young children and her husband before stabbing herself to death And if you are in the camp of believing that Justice just is not then this will have you frothing at the mouth with righteous social fury Tim Roux author of *Missio* and *The Dance of the Pheasant* Kathleen McKenna is a former adolescent social worker who holds a degree in Sociology She is from Alaska and after relocating to New Mexico began writing An admitted aficionado of a good scary tale she began *The Wedding Gift* following a visit to New Orleans where she saw a beautiful antebellum house and began imagining what if there were a beautiful young girl from the wrong side of the tracks who married her way in and then what if there was already a ghost there She shares her home in New Mexico with a morbidly obese alcoholic Old English Sheepdog and is presently working on a new novel

*The Night My Husband Left Me* Kathleen McKenna Hewtson, 2014-07-23 A British aristocrat murders his children's nanny mistaking her in the dark for his wife and disappears never to be seen again For forty years the British press will look for him There will be sightings there will be leads but the police will eventually close the case when he is officially declared dead For many the whole affair was the best and most addictive of mysteries based on a tragedy and before that on a turbulent marriage between a breathtakingly handsome elegant and noble gambler and an inept and possibly insane social climber But for his wife it was the most romantic and passionate of love affairs turned sour a love affair that would stretch beyond death itself

**The Night My Husband Killed Me** Kathleen Hewtson, 2013-12 A movie heart throb A sports superstar An aristocrat A brilliant surgeon Killers all These are the stories of those they killed Their wives *The Night My Husband Killed Me* is the story of four women who were murdered by their husbands All of the women were beautiful and were either famous at the time of their deaths or became famous for being the victims of the charismatic disturbed men who ended their lives Being dead doesn't end a woman's feelings or her anger There is Natalie the international and revered movie star who died the death she had most feared all of her life There is the beautiful life loving Nicole who might just have gone back to the stunning athlete she loved if only he hadn't killed her first Then there is Sunny heiress to one of America's greatest fortunes sent into an irreversible coma for paying too much for all the wrong things And finally there is Colette the high school sweetheart who married the golden boy and endured a marriage of increasing lies and disappointment culminating in her death and that of her little girls shortly after Valentine's Day These four amazing women's lives were cut short but each has a story to tell and now they have

**The Funeral Bride** Kathleen McKenna

Hewtson,2015-12-02 Once upon a time there was a handsome sixteen year old prince who was the heir to one sixth of the world and to the largest private fortune on earth Once there was a beautiful golden haired princess who came from a small German duchy They met and their love forever changed the course of history This is their story told in Alexandra s voice the tale of Nicholas Romanov and Alexandra of Hesse who became her Imperial Highness Alexandra Feodorovna of Russia the last Empress of Russia Long before the tragedy there was the romance the one of a kind fairytale story of two beautiful young people who met loved and were given everything that money could buy combined with nearly limitless earthly power They must have lived happily ever after Didn t they Part II The Empress of Tears covering the years 1895 1904 will be published in the early summer of 2016 [Blood & Marriage](#) Kathleen McKenna Hewtson,2021-07-02 In August of 2018 in a wealthy Denver suburb a shocked and horrified nation learned that Christopher Lee Watts had murdered his pregnant wife their two little girls and their unborn son But shock was soon replaced by puzzlement Why And the surprising answer is that a standard Anadarko Petroleum employee policy led unintentionally of course to the murders By early 2018 the Watts family finances were beyond dire again after a recent shattering bankruptcy then Chris Watts employer Anardarko Petroleum offered him a life insurance policy on the lives of his wife Shan ann and his very young daughters Bella and CeCe for a total of 450 000 Wouldn t that get him out of a spot After that Shan ann s days were numbered preferably via a perceived oxycontin overdose Well Chris Watts tried that twice and failed Then he decided to go for the jackpot Shan ann would murder the girls and would then disappear Nobody was going to find her body in the Cervi 19 oil storage tanks He would collect on the girls immediately and then get the rest when Shan ann was legally declared dead It was an excellent plan to be carried out by a complete moron On the night of Sunday August 12 2018 two things went catastrophically wrong leaving Chris Watts to dispose of three bodies not one and facing a nail biting time crunch Then a friend of Shan ann s called in the cops on the morning of Monday August 13 and it was game over But for some that s when the party started The paperback contains photographs [A Desperate Place](#) Jennifer Greer,2020-08-11 Perfect for fans of Tess Gerritsen s Rizzoli Isles and Kathy Reichs comes an explosive debut thriller about a team of two strong women and a crime that will shake you to your core Three separate homicides Three unrelated victims One grisly secret When the body of famous actress Niki Francis is unearthed from its shallow grave the small town of Medford Oregon is alarmed but not shook After all there should be plenty of motives and suspects Niki had fame wealth looks The kill was targeted premeditated and it s about her celebrity Or so they thought Whit McKenna is licking her wounds working as a reporter for the local Medford rag Fresh from a harrowing assignment for her previous post at the L A Times which cost her her husband Whit must pull herself together for the sake of her two daughters The wound has hardly begun to scab when she s called to cover the murder so she teams up with her best friend medical examiner Katie Riggs Then two more victims turn up completely disconnected from one another and McKenna loses all hope of a breakthrough Rather than clarity the possible suspects and motives become scrambled But time is running

out and each front page article McKenna writes brings her closer to a killer who will stop at nothing to realize a deadly vision

*The Light Keeper's Legacy* Kathleen Ernst, 2012-10-08 Past and Present Collide Beyond Death s Door Solitude at last Museum curator Chloe Ellefson leaps at the opportunity to be a consultant for the historic lighthouse restoration project on Rock Island a state park in Wisconsin s scenic Door County Hoping to leave her personal and professional problems at home Chloe s tranquility is suddenly spoiled when a dead woman washes ashore Determined to find answers behind the mystery Chloe dives into research about the island s history and discovers the amazing resilient women who once lived there But will the link between the past and present turn out to be a beacon of hope or a portent of doom Praise Winner of the Lovey Award for Best Traditional Amateur Sleuth Mystery Chloe s third combines a good mystery with some interesting historical information on a niche subject Kirkus Reviews Framed by the history of lighthouses and their keepers and the story of fishery disputes through time the multiple plots move easily across the intertwined past and present Booklist A haunted island makes for fun escape reading Ernst s third amateur sleuth cozy is just the ticket for lighthouse fans and genealogy buffs Deftly flipping back and forth in time in alternating chapters the author builds up two mystery cases and cleverly weaves them back together Library Journal While the mystery elements of this books are very good what really elevates it are the historical tidbits of the real life Pottawatomie Lighthouse and the surrounding fishing village Mystery Scene Kathleen Ernst wraps history with mystery in a fresh and compelling read Jane Kirkpatrick New York Times bestselling author

**The Heirloom Murders** Kathleen Ernst, 2011 Chloe Ellefson a curator for the Old World Wisconsin museum is drawn into an investigation when a murder victim is

discovered at the museum suspecting that someone is after the historic Eagle Diamond The Classical Greek Reader  
Kenneth John Atchity, Rosemary McKenna, 1998 The wonders of the Greek world are presented in a modern accessible  
manner perfect for those looking to refresh their acquaintance with the classics and for those who have yet to explore the  
exciting intellectual energy of ancient Greece Atchity focuses not only on the big names but also on the less familiar voices  
the women doctors storytellers herbalists and romance writers of the time 43 photos **This Golden Fleece** Esther  
Rutter, 2020-06 A history of Britain's long love affair with wool told through a year of knitting garments from around the  
British Isles **North by Northeast** Kathleen Mundell, 2008 Thirty five traditional artists explore their connection to place  
tradition and cultural identity *In Cold Blood* Marcus Brown, Netta Newbound, 2020-08-22 I guess it's safe to say most  
people will have heard of the Watts case Christopher Chris Watts the dashing seemingly genteel affable man who murdered  
his entire family in a calculated attack that shocked the entire world Shanann Watts the pregnant incredibly beautiful  
businesswoman whose life was snuffed out because her doting husband decided he wanted a fresh start Bella and Celeste  
CeCe Watts adorable sisters who worshipped their father the very man who suffocated them both in cold blood using their  
comfort blankets against them He then went on to stuff their tiny bodies into huge oil tanks filled with toxic crude oil Nico  
Watts Chris and Shanann's unborn son No doubt most of you watched the story unfold on the news open mouthed in total  
shock What could push a loving father to brutally murder his family Surely there was some mistake We all have preconceived  
ideas of how a monster should look grotesque hideously deformed a crazed madman not this handsome mild mannered shy  
polite gent who was often portrayed as the perfect husband and father So what the hell happened During this series I will  
look at the facts the police investigation the evidence hear Chris Watts explanation and his reasoning then I will try to make  
some sense of what occurred during the early hours of August 13th 2018 I will show you what can happen when the general  
public take an interest and how the discovery of the shadows cleared Shanann's good name I will endeavour to present to  
you all aspects of the case from the initial 911 phone call and how the investigation unfolded to the first and subsequent  
confessions all transcribed word for word where possible from actual video and audio footage obtained from the Discovery  
Files The mere fact there are so many unanswered questions is reason enough to continue my quest for the truth The general  
public may NEVER know what really happened but I promise you I won't give up until all aspects of this case have been  
thoroughly investigated **The Far Kingdom** Kathleen McKenna Hewtson, 2020-12-21 April 1917 finds the Tsar Nicholas II  
and Tsarina Alexandra of Russia under house arrest at Tsarskoe Selo after the tsar's abdication in favor of his brother Grand  
Duke Michael What was once Empress Alexandra's cozy retreat the Alexander Palace is now cold forbidding servantless  
overrun by revolutionary soldiers and without lighting or heating And several of her children Maria in particular are still at  
death's door suffering from the measles and pneumonia that has prevented the family from escaping its fate Rasputin's  
prophecy curse that if he were to be killed by a member of the Russian Imperial Family as he was a few months earlier

Alexandra's entire family will die within two years has become particularly ominous Alexander Kerensky head of the Provisional Government is their best hope of salvation and his government is about to be toppled by the Bolsheviks who have a very different agenda for the future of Russia All six volumes are as follows 1 The Funeral Bride 1884 1894 published November 2015 2 The Empress of Tears 1895 1904 published March 2016 3 The Shaken Throne 1904 1907 published July 2016 4 The Pride of Eagles 1907 1913 published May 2017 5 No Greater Crown 1914 1917 published September 2018 6 The Far Kingdom 1917 1918 published December 2020
