Social Welfare in America Walter I. Trattner,W. Andrew Achenbaum,1983-11-22 Product information not available

Social Welfare June Axinn,Herman Levin,1982

Regulating the Lives of Women Mimi Abramovitz,2017-08-23 Widely praised as an outstanding contribution to social welfare and feminist scholarship *Regulating the Lives of Women* 1988 1996 was one of the first books to apply a race and gender lens to the U S welfare state The first two editions successfully exposed how myths and stereotypes built into welfare state rules and regulations define women as deserving or undeserving of aid depending on their race class gender and marital status Based on considerable new research the preface to this third edition explains the rise of Neoliberal policies in the mid 1970s the strategies deployed since then to dismantle the welfare state and the impact of this sea change on women and the welfare state after 1996 Published upon the twentieth anniversary of welfare reform *Regulating the Lives of Women* offers a timely reminder that public policy continues to punish poor women especially single mothers of color for departing from prescribed wife and mother roles The book will appeal to undergraduate graduate and postgraduate students of social work sociology history public policy political science and women gender and black studies as well as today s researchers and activists

The Empowerment Tradition in American Social Work Barbara Levy Simon,1994 Inaugurates a new field of disability studies by framing disability as a minority discourse rather than a medical one revising oppressive narratives and revealing liberatory ones The book examines disabled figures in Harriet Beecher Stowe s *Uncle Tom s Cabin* and Rebecca Harding Davis s *Life in the Iron Mills* in African American novels by Toni Morrison and Audre Lorde and in the popular cultural ritual of the freak show

A People's History of Poverty in America Stephen Pimpare,2011-06-07 In this compulsively readable social history political scientist Stephen Pimpare vividly describes poverty from the perspective of poor and welfare reliant Americans from the big city to the rural countryside He focuses on how the poor have created community secured shelter and found food and illuminates their battles for dignity and respect Through prodigious archival research and lucid analysis Pimpare details the ways in which charity and aid for the poor have been inseparable more often than not from the scorn and disapproval of those who would help them In the rich and often surprising historical testimonies he has collected from the poor in America Pimpare overturns any simple conclusions about how the poor see themselves or what it feels like to be poor and he shows clearly that the poor are all too often aware that charity comes with a price It is that price that Pimpare eloquently questions in this book reminding us through powerful anecdotes some heart wrenching and some surprisingly humorous that poverty is not simply a moral failure

Human Behavior Theory and Social Work Practice Roberta R. Greene, 2017-07-28 *Human Behavior Theory and Social Work Practice* remains a foundation work for those interested in the practice and teaching of social work. Roberta Greene covers theoretical areas and individual theorists including classical psychoanalytic thought, Eriksonian theory, Carl Rogers, cognitive theory, systems theory, ecological perspectives, social construction, feminism, and genetics. She discusses the historical context, its philosophical roots, and major assumptions of each theory. The general theme which distinguishes this volume is that the person-in-environment perspective has been a central influence in the formation of the profession's knowledge base as well as its approach to practice. Greene provides perspective on how individuals and social systems interact. This book examines how social workers can use theory to shape social work practice by increasing his or her understanding of and potential for enhancing human well-being. Greene covers the relationship between human behavior theory and professional social work practice. She also explores the challenges and limitations of each theory and addresses the following issues: how the theory serves as a framework for social work practice; how the theory lends itself to an understanding of individual, family, group, community, or organizational behavior; what the implications are of the theory for social work interventions or practice strategies; and what role it proposes for the social worker as a change agent. Throughout the profession's history, social workers have turned to a number of theoretical approaches for the organizing concepts needed to define their practice base. The aims of social work to improve societal conditions and to enhance social functioning of and between individuals, families, and groups are put into action across all fields of practice and realized through a variety of methods in a range of settings. This third edition, completely revised, represents a fundamental contribution to the field and like its predecessors will be widely used as a basic text.

Social Welfare June Axinn, Mark J. Stern, 2011-11-21 Seeing social work and social welfare through a historical lens. This book is part of the Connecting Core Competencies Series. This series helps students understand and master CSWE's core competencies with a variety of pedagogy, highlighted competency content, and critical thinking questions for the competencies throughout. *Social Welfare: A History of the American Response to Need* allows students to place current issues of social concern in their historical context. Numerous original documents help students understand the impact of history on current social welfare issues. The book examines the history of social work and social welfare in the United States since the 18th century. It shows how social conditions, ideas about dependency and poverty, and institutions have shaped social policy and the efforts of voluntary organizations and individuals who work with at-risk populations. Coverage of economic developments, the impact of volunteerism, and the impact of privatization in *Social Welfare: A History of the American Response to Need* helps students understand the context of social welfare movements and policies. By examining forces of social change and continuity, the text helps students see contemporary topics like health care reform, welfare, and homelessness through a historical framework. Teaching Learning Experience: Improve Critical Thinking: Analysis of current issues requires students to think critically about historical influences. Engage Students: Numerous original documents help to engage students and contemporary and cutting-edge information on health care and LGBT rights keep readers interested. Explore Current Issues: The text incorporates important topics of today such as poverty, inequality, race, and gender. Apply CSWE Core Competencies: Integrates the 2008 CSWE EPAS throughout, highlights competencies, and practice behaviors, and includes experiential pedagogy. The text integrates the 2008 CSWE EPAS with critical thinking questions and practice tests to assess student understanding and development of competency. Support Instructors: An Instructor's Manual and Test Bank, Computerized Test Bank, MyTest, BlackBoard Test Item File, and PowerPoint presentations are included in the outstanding supplements package.

The Role of Law in Social Work Practice and Administration Theodore J. Stein,2004-07-06 This book addresses this relationship between the professions of social work and law and helps social workers develop the knowledge necessary to practice in a legal environment The author focuses on how the law affects the day to day practice of social work the creation administration and operation of social service agencies and the ways in which social workers and attorneys collaborate to serve the public

Regulating the Lives of Women Mimi Abramovitz,1996 This important book looks at the changes in AFDC Social Security and Unemployment Insurance and welfare reform This new edition reveals how welfare policy scapegoats women more than ever to justify widespread retrenchment and to divert the public s attention from the real causes of the nation s mounting economic woes

Constraint of Race Linda Faye Williams,2010-11-01

In the Shadow Of the Poorhouse (Tenth Anniversary Edition) Michael B Katz,1996-12-11 With welfare reform a burning political issue this special anniversary edition of the classic history of welfare in America has been revised and updated to include the latest bipartisan debates on how to end welfare as we know it *In the Shadow of the Poorhouse* examines the origins of social welfare both public and private from the days of the colonial poorhouse through the current tragedy of the homeless The book explains why such a highly criticized system persists Katz explores the relationship between welfare and municipal reform the role of welfare capitalism eugenics and social insurance in the reorganization of the labor market the critical connection between poverty and politics in the rise of the New Deal welfare state and how the War on Poverty of the 60s became the war on welfare of the 80s

Social Welfare Policy in a Changing World Shannon R. Lane,Elizabeth S. Palley,Corey S. Shdaimah,2019-12-03 *Social Welfare Policy in a Changing World* is an approachable and student friendly text that links policy and practice and employs a critical analytic lens to U S social welfare policy With particular attention to disparities based on class race ethnicity ability sexual orientation and gender authors Shannon R Lane Elizabeth Palley and Corey Shdaimah assess the impact of policies at the micro meso and macro levels

Foundations of Social Policy Amanda Smith Barusch,2009 Reflecting an emerging consensus that social justice is a primary mission of the social work profession this innovative text provides a thorough grounding in policy analysis with extensive coverage of policy practice and a unique emphasis on the broad issues and human dilemmas inherent in the pursuit of social justice Organized in four parts the book introduces several philosophical perspectives on what constitutes social justice and identifies the values and assumptions reflected in contemporary policy debates Part I provides a framework for policy analysis and policy practice as well as foundation content related to the structure and role of government in the United States Part II offers a theoretical framework for determining when a personal disadvantage is considered a social problem It then focuses on social problems that constitute widely shared risks including poverty physical illness mental illness and disability Part III introduces theories of discrimination and oppression and explores the challenges faced by vulnerable populations including people of color gays and lesbians children women working Americans and the elderly Part IV offers a Glance to The Future examining emerging policy issues such as inequality incarceration as a means of social control globalization and international governance

Welfare Martin Anderson,1978 Monograph on economic policy aspects of welfare and social policy in the USA reviews the success and failure of poverty eradication employment creation and income redistribution programmes etc And discusses relations and trends between social assistance guaranteed income taxation unemployment and social costs and examines president carter s social reform plan of 1977 Bibliography after each chapter graph and statistical tables

Freedom From the Market Mike Konczal, 2021-02-02 The progressive economics writer redefines the national conversation about American freedom Mike Konczal is one of our most powerful advocates of financial reform a heroic critic of austerity and a huge resource for progressives Paul Krugman Health insurance student loan debt retirement security child care work life balance access to home ownership these are the issues driving America s current political debates And they are all linked as this brilliant and timely book reveals by a single question should we allow the free market to determine our lives In the tradition of Naomi Klein s *The Shock Doctrine* noted economic commentator Mike Konczal answers this question with a resounding no *Freedom from the Market* blends passionate political argument and a bold new take on American history to reveal that from the earliest days of the republic Americans have defined freedom as what we keep free from the control of the market With chapters on the history of the Homestead Act and land ownership the eight hour work day and free time social insurance and Social Security World War II day cares Medicare and desegregation free public colleges intellectual property and the public corporation Konczal shows how citizens have fought to ensure that everyone has access to the conditions that make us free At a time when millions of Americans and more and more politicians are questioning the unregulated free market *Freedom from the Market* offers a new narrative and new intellectual ammunition for the fight that lies ahead

Thank you completely much for downloading **From Poor Law To Welfare State A History Of Social In America Walter I Trattner**.
