Cherryh** C. J. Cherryh, 2008-10-07 All of C J Cherryh s award winning short fiction collected in one volume for the first time It s rare that I m not working on a novel Short stories often happen between novels Consequently my output is fairly small But I love the tale telling concept the notion that I can spin a yarn rather than construct something architectural and precise So writes triple Hugo Award winning author C J Cherryh in the introduction to this book the first comprehensive collection of her independent short fiction For though Cherryh is primarily known for her novels it s clear both from the more than two dozen brilliant and varied stories collected here as well as her commentaries about them that she loves the short forms and truly enjoys her forays into them We welcome you to join the realms of C J Cherryh s imagination where you ll visit Cassandra the Hugo Award winning tale of a woman cursed with a unique prophetic madness *Threads of Time* an unforgettable reminder that when you play tricks in time Time itself may play the greatest trick on you *Sunfall* in which six mighty Earth cities laden with the grandeur of history confront their fates in the far future light of our own dying sun And many other magical alien and future worlds in a volume that incorporates all C J Cherryh s previous long unavailable collections individual short stories that have never been compiled before and a never before published novella written specifically for this book Board this spaceship where your tour guide is one of the most gifted and brilliant science fiction and fantasy writers and embark on a journey fueled by the imagination of the incomparable C J Cherryh **Peter Pan . / children collection** / J. M. Barrie, 2018-11-16 Peter Pan is a fictional character created by Scottish novelist and playwright J M Barrie A free spirited and mischievous young boy who can fly and never grows up Peter Pan spends his never ending childhood having adventures on the mythical island of Neverland as the leader of the Lost Boys interacting with fairies pirates mermaids Native Americans and occasionally ordinary children from the world outside Neverland Peter Pan has become a cultural icon symbolizing youthful innocence and escapism In addition to two distinct works by Barrie the character has been featured in a variety of media and merchandise both adapting and expanding on Barrie s works These include a 1953 animated film a 2003 dramatic

live action film a television series and many other works *Ray Bradbury: The Last Interview* Ray Bradbury, Sam Weller, 2014-12-02 Ray Bradbury was long the most influential sci fi writer in the world the poetic and visionary author of such classics as Fahrenheit 451 The Martian Chronicles and The Illustrated Man But he also lived a fascinating life outside the parameters of sci fi and was a masterful raconteur of his own story as he reveals in his wide ranging and in depth final interview with his acclaimed biographer Sam Weller After moving to Los Angeles he became an inveterate fanboy of movie stars spending hours waiting at studio gates to get autographs He would later get to know many of Hollywood's most powerful figures when he became a major screenwriter and he details here what it was like to work for legendary directors such as John Huston and Alfred Hitchcock And then there are all the celebrities from heads of state like Mikhail Gorbachev to rock stars like David Bowie and the members of Kiss who went out of their way to arrange encounters with Bradbury But throughout that last talk as well as the interviews collected here from earlier in his career Bradbury constantly twists the elements of his life into a discussion of the influences and creative processes behind his remarkable developments and inventions for the literary form he mastered Mixed with cheerful gossiping about his travels and the characters of his life it makes for a rich reading experience and a revealing collection of interviews **Beyond the Wall of Sleep** H.P.

The Pursuit of the House-Boat John Kendrick Bangs, 2015-10-30 The House boat of the Associated Shades formerly located upon the River Styx as the reader may possibly remember had been torn from its moorings and navigated out into unknown seas by that vengeful pirate Captain Kidd aided and abetted by some of the most ruffianly inhabitants of Hades Like a thief in the night had they come and for no better reason than that the Captain had been unanimously voted a shade too shady to associate with self-respecting spirits had they made off with the happy floating club house of their betters and worst of all with them by force of circumstances

over which they had no control had sailed also the fair Queen Elizabeth the spirited Xanthippe and every other strong minded and beautiful woman of Erebean society whereby the men thereof were rendered desolate I can t stand it cried Raleigh desperately as with his accustomed grace he presided over a special meeting of the club called on the bank of the inky Stygian stream at the point where the missing boat had been moored Think of it gentlemen Elizabeth of England Calpurnia of Rome Ophelia of Denmark and every precious jewel in our social diadem gone vanished completely and with whom Kidd of all men in the universe Kidd the pirate the ruffian Don t take on so my dear Sir Walter said Socrates cheerfully What s the use of going into hysterics You are not a woman and should eschew that luxury Xanthippe is with them and I ll warrant you that when that cherished spouse of mine has recovered from the effects of the sea say the third day out Kidd and his crew will be walking the plank and voluntarily at that But the House boat itself murmured Noah sadly That was my delight It reminded me in some respects of the Ark The law of compensation enters in there my dear Commodore retorted Socrates For me with Xanthippe abroad I do not need a club to go to I can stay at home and take my hemlock in peace and straight Xanthippe always compelled me to dilute it at the rate of one quart of water to the finger Well we didn t all marry Xanthippe put in Caesar firmly therefore we are not all satisfied with the situation I for one quite agree with Sir Walter that something must be done and quickly Are we to sit here and do nothing allowing that fiend to kidnap our wives with impunity Not at all interposed Bonaparte The time for action has arrived All things considered he is welcome to Marie Louise but the idea of Josephine going off on a cruise of that kind breaks my heart No question about it observed Dr Johnson We ve got to do something if it is only for the sake of appearances The question really is what shall be done first I am in favor of taking a drink as the first step and considering the matter of further action afterwards suggested Shakespeare and it was this suggestion that made the members unanimous upon the necessity for immediate action for when the assembled spirits called for their various favorite beverages it was found that there were none to be had it being Sunday and all the establishments wherein liquid refreshments were licensed to be sold being closed for at the time of writing the local government of Hades was in the hands of the reform party What cried Socrates Nothing but Styx water and vitriol Sundays Then the House boat must be recovered whether Xanthippe comes with it or not Sir Walter I am for immediate action after all This ruffian should be captured at once and made an example of Excuse me Socrates put in Lindley Murray but ah pray speak in Greek hereafter will you please When you attempt English you have a beastly way of working up to climatic prepositions which are offensive to the ear of a purist This is no time to discuss style Murray interposed Sir Walter Socrates may speak and spell like Chaucer if he pleases he may even part his infinitives in the middle for all I care We have affairs of greater moment in hand We must ransack the earth cried Socrates until we find that boat I m dry as a fish There he goes again growled Murray Dry as a fish What fish I d like to know is dry

Peter Pan (Heritage Collection) J. M. Barrie,2024-09-15 **The Enchanted Type-writer** John Kendrick Bangs,2017-09-20 The Enchanted Type Writer is a collection of short stories by the American

author John Kendrick Bangs written in 1899 in the style that has become known as Bangsian fantasy The fantasy stories in this book are part of the author's Hades series named for the stories setting **Moon Mirror** Andre Norton,2014-07-01 Few authors have achieved such renown as World Fantasy Life Achievement honoree and Science Fiction Writers of America Grand Master Andre Norton With the love of readers and the praise of critics Norton's books have sold millions of copies worldwide Effortlessly spinning tales of adventure through the distant worlds of outer space and the inner worlds of dream and psychic experience Andre Norton sends you on a breathtaking journey of the imagination in this collection of her finest works Follow the path to Moon Mirror and enter the shimmering lands that lay beyond *A House-Boat on the Styx* John Kendrick Bangs,2015-10-30 Charon the Ferryman of renown was cruising slowly along the Styx one pleasant Friday morning not long ago and as he paddled idly on he chuckled mildly to himself as he thought of the monopoly in ferriage which in the course of years he had managed to build up It's a great thing he said with a smirk of satisfaction it's a great thing to be the go between between two states of being to have the exclusive franchise to export and import shades from one state to the other and withal to have had as clean a record as mine has been Valuable as is my franchise I never corrupted a public official in my life and Here Charon stopped his soliloquy and his boat simultaneously As he rounded one of the many turns in the river a singular object met his gaze and one too that filled him with misgiving It was another craft and that was a thing not to be tolerated Had he Charon owned the exclusive right of way on the Styx all these years to have it disputed here in the closing decade of the Nineteenth Century Had not he dealt satisfactorily with all whether it was in the line of ferriage or in the providing of boats for pleasure trips up the river Had he not received expressions of satisfaction indeed from the most exclusive families of Hades with the very select series of picnics he had given at Charon's Glen Island No wonder then that the queer looking boat that met his gaze moored in a shady nook on the dark side of the river filled him with dismay Blow me for a landlubber if I like that he said in a hardly audible whisper And shiver my timbers if I don't find out what she's there for If anybody thinks he can run an opposition line to mine on this river he's mightily mistaken If it comes to competition I can carry shades for nothing and still quaff the B G yellow label benzine three times a day without experiencing a financial panic I'll show em a thing or two if they attempt to rival me And what a boat It looks for all the world like a Florentine barn on a canal boat *Conversations with Ray Bradbury* Ray Bradbury,2004 Presents a collection of interviews with twentieth century novelist short story writer and playwright Ray Bradbury that covers five decades of his life and works **Wicked: The Wicked Years Vintage Collection** Gregory Maguire,2024-08 **Son of a Witch: The Wicked Years Vintage Collection** Gregory Maguire,2024-08 [A Lion Among Men: The Wicked Years Vintage Collection](#) Gregory Maguire,2024-08 **The Enchanted Type-writer** John Kendrick Bangs,2018-03-19 The Enchanted Type Writer is a collection of short stories by John Kendrick Bangs published in 1899 with illustrations by Peter Newell Bangs attributes many of the stories to the late and invisible James Boswell who has become an editor for a newspaper in Hades and who
