Cursed Moon The Prosperos War 2 Jaye Wells

Cursed Moon Jaye Wells, 2014-08-12 MAGIC IS A DRUG IT LL COST MORE THAN YOU CAN PAY When a rare Blue Moon upsets the magical balance in the city Detective Kate Prospero and her Magical Enforcement colleagues pitch in to help Babylon PD keep the peace Between potions going haywire and everyone s emotions running high every cop in the city is on edge But the moon s impact is especially strong for Kate who s wrestling with guilt over falling off the magic wagon After a rogue wizard steals dangerous potions from the local covens Kate worries their suspect is building a dirty magic bomb Her team must find the anarchist rogue before the covens catch him and make sure they defuse the bomb before the Blue Moon deadline Failure is never an option but success will require Kate to come clean about her secrets **Deadly Spells** Jaye Wells, 2015-02-10 Kickass Magical Enforcement Agent Kate Prospero must balance a dangerous Brazilian cartel her troubled teenage brother and a complex chemistry with her partner in this gritty fantasy thriller After the grisly murder of a dirty magic coven leader Kate and The Magical Enforcement Agency team up with the local police to find the killer When a tenacious reporter sticks her nose in both the investigation and Prospero s past in the covens old ghosts resurface As the infighting between covens turns ugly an all out war brews in the slums of Babylon **Deadly Spells** is the third novel in the Prospero s War urban fantasy series that started with **Dirty Magic** and **Cursed Moon** **The Mage in Black** Jaye Wells, 2010-04-01 The sequel to **Red Headed Stepchild** from USA Today Bestselling author Jaye Wells Sabina Kane doesn t have the best track record when it comes to family After all her own grandmother the leader of the vampire race just tried to kill her When she arrives in New York to meet the mage side of her family the reunion takes the fun out of dysfunctional On top of that the Hekate Council wants to use her as a pawn in the brewing war against the vampires Her mission will take her into the bowels of New York s Black Light district entangles her in mage politics and challenges her beliefs about the race she was raised to distrust And Sabina thought vampires were bloodthirsty **Fire Water** Jaye Wells, 2017-01-31 Rookie cop Kate Prospero only has one more training assignment to pass before she s officially sworn in to Babylon Police Department But the veteran cop in charge of the river patrol boat is a salty old guy isn t happy about playing tour guide to a rookie and seems even less interested in real police work But while on patrol they stumble on to what appears to be a floating dirty magic lab This highly combustible situation might finally be the key to these two unlikely partners finding common ground **Volatile Bonds** Jaye Wells, 2017-09-12 Magic is a Drug Dirty Deals Lead to Deadly Ends When the Magic Enforcement Agency is called out to the scene of a dirty magic lab explosion a body with a bullet wound is found in the smoldering ruins As Detective Kate Prospero and her partner Special Agent Drew Morales hunt down the killer they uncover evidence that a dangerous new coven may be operating in the Cauldron It s not long before the bodies start piling up and the heat is on for the team to make an arrest Solving the murders will require unraveling dangerous alliances between the city s dirty magic

covens And if they re not careful the new complexities of Morales and Prospero s own partnership threaten to make a volatile situation downright deadly **Blue-Blooded Vamp** Jaye Wells,2012-06-07 Sabina Kane is on the hunt Her prey is Cain father of the vampire race and the madman whose obsession with the goddess Lilith fuels his murderous plots Armed with the name of a sect of dark historians who know the location of Cain s lair Sabina sets out for Italy But she finds much more than she bargained for when the leader of the sect turns out to be someone who shouldn t be alive much less leading a band of militant academics But she doesn t have time for shock or arguing with her obstinate ally because it s going to take every weapon both mundane and magical to win the fight of her life **Silver-Tongued Devil** Jaye Wells,2012-01-05 Life is looking up for Sabina Kane The threat of war between the dark races seems to have passed and her magic training is also progressing well just like her relationship with the sexy mage Adam Lazarus But as much as Sabina feels hopeful about the future she doesn t quite trust that peace is possible Her suspicions are confirmed when a string of sadistic murders threaten to stall peace talks between the vampires and the mages Sabina pitches in to find the killer but this dark investigation soon has her questioning everyone she thought she could trust And the closer she gets to the killer the more Sabina begins to suspect this is one foe she may not be able to kill **Green-Eyed Demon** Jaye Wells,2011-02-03 The clock is ticking for Sabina Kane With her sister taken by mysterious captors the Dark Races on the brink of war and a sinister order manipulating everyone behind the scenes she s really got her work cut out Using information provided by an unlikely ally Sabina and her trusty sidekicks the sexy mage Adam Lazarus and Giguhl the Mischief demon head to New Orleans to begin the hunt for her sister Once there they must contend with belligerent werewolves magic wielding vampires and perhaps most frightening of all humans But before Sabina can save those she cares about she s got to save herself from the ghosts of her former life Because the past is haunting her Literally **Red-Headed Stepchild** Jaye Wells,2009-04-01 In a world where being of mixed blood is a major liability Sabina Kane has the only profession fit for an outcast assassin But her latest mission threatens the fragile peace between the vampire and mage races and Sabina must scramble to figure out which side she s on She s never brought her work home with her until now This time it s personal **Welcome to the Greenhouse** Gordon Van Gelder,2011 Welcome to the Greenhouse an all original science fiction anthology imagines the possibilities that climate change poses for our future from the grim to the hopeful the absurd to the all too real *The Fractal Prince* Hannu Rajaniemi,2012-09-27 The Quantum Thief sequel is stupefyingly entertaining like a heist movie for post singularity AI boosted string theoreticians from beyond spacetime Charles Stross The good thing is no one will ever die again The bad thing is everyone will want to A physicist receives a mysterious paper The ideas in it are far far ahead of current thinking and quite quite terrifying In a city of fast ones shadow players and jinni two sisters contemplate a revolution And on the edges of reality a thief helped by a sardonic ship is trying to break into a Schrödinger box for his patron In the box is his freedom Or not Jean de Flambeur is back And he s running out of time In Hannu Rajaniemi s sparkling follow up to the critically acclaimed

international sensation *The Quantum Thief* he returns to his awe inspiring vision of the universe and we discover what the future held for Earth Stories within stories mind boggling scientific extrapolations and flamboyant characters mark the author as a rising star of the genre Library Journal Rajaniemi s witty language and charmingly wry hero will make the read well worth the effort for the first installment s fans Publishers Weekly Fans of the author s popular debut novel which mixed hard science with wild fantasy will probably be lining up for this follow up which resolves some of the questions posed in *The Quantum Thief* but on the other hand asks several more for which there are as yet no answers Booklist *A Stranger in Olondria* Sofia Samatar,2013-04-12 Time Magazine 100 Best Fantasy Books of All Time World Fantasy British Fantasy Crawford Award winner Jevick the pepper merchant s son has been raised on stories of Olondria a distant land where books are as common as they are rare in his home When his father dies and Jevick takes his place on the yearly selling trip to Olondria Jevick s life is as close to perfect as he can imagine But just as he revels in Olondria s Rabelaisian Feast of Birds he is pulled drastically off course and becomes haunted by the ghost of an illiterate young girl In desperation Jevick seeks the aid of Olondrian priests and quickly becomes a pawn in the struggle between the empire s two most powerful cults Yet even as the country shimmers on the cusp of war he must face his ghost and learn her story before he has any chance of becoming free by setting her free an ordeal that challenges his understanding of art and life home and exile and the limits of that seductive necromancy reading *A Stranger in Olondria* is a skillful and immersive debut fantasy novel that pulls the reader in deeper and deeper with twists and turns reminiscent of George R R Martin and Joe Hill *Work Done for Hire* Joe Haldeman,2014-01-07 Joe Haldeman s adept plotting strong pacing and sense of grim stoicism have won him wide acclaim The Washington Post and numerous honors for such works as *The Forever War* *The Accidental Time Machine* and the Marsbound trilogy Now the multiple Hugo and Nebula award winning author pits a lone war veteran against a mysterious enemy who is watching his every move and threatens him with more than death unless he kills for them Wounded in combat and honorably discharged nine years ago Jack Daley still suffers nightmares from when he served his country as a sniper racking up sixteen confirmed kills Now a struggling author Jack accepts an offer to write a near future novel about a serial killer based on a Hollywood script outline It s an opportunity to build his writing career and a future with his girlfriend Kit Majors But Jack s other talent is also in demand A package arrives on his doorstep containing a sniper rifle complete with silencer and ammunition and the first installment of a 100 000 payment to kill a bad man The twisted offer is genuine The people behind it are dangerous They prove that they have Jack under surveillance He can t run He can t hide And if he doesn t take the job Kit will be in the crosshairs instead *Black Skin, White Masks* Frantz Fanon,2017 *Black Skin White Masks* is a classic devastating account of the dehumanising effects of colonisation experienced by black subjects living in a white world First published in English in 1967 this book provides an unsurpassed study of the psychology of racism using scientific analysis and poetic grace Franz Fanon identifies a devastating pathology at the heart of Western culture a denial of

difference that persists to this day A major influence on civil rights anti colonial and black consciousness movements around the world his writings speak to all who continue the struggle for political and cultural liberation With an introduction by Paul Gilroy author of *There Ain't No Black in the Union Jack* **Transhumanism** David Livingstone,2015-09-02 Transhumanism is a recent movement that extols man's right to shape his own evolution by maximizing the use of scientific technologies to enhance human physical and intellectual potential While the name is new the idea has long been a popular theme of science fiction featured in such films as 2001 A Space Odyssey Blade Runner the Terminator series and more recently The Matrix Limitless Her and Transcendence However as its adherents hint at in their own publications transhumanism is an occult project rooted in Rosicrucianism and Freemasonry and derived from the Kabbalah which asserts that humanity is evolving intellectually towards a point in time when man will become God Modeled on the medieval legend of the Golem and Frankenstein they believe man will be able to create life itself in the form of living machines or artificial intelligence Spearheaded by the Cybernetics Group the project resulted in both the development of the modern computer and MK Ultra the CIA's mind control program MK Ultra promoted the mind expanding potential of psychedelic drugs to shape the counterculture of the 1960s based on the notion that the shamans of ancient times used psychoactive substances equated with the apple of the Tree of Knowledge And as revealed in the movie Lucy through the use of smart drugs and what transhumanists call mind uploading man will be able to merge with the Internet which is envisioned as the end point of Kabbalistic evolution the formation of a collective consciousness or Global Brain That awaited moment is what Ray Kurzweil a director of engineering at Google refers to as The Singularity By accumulating the total of human knowledge and providing access to every aspect of human activity the Internet will supposedly achieve omniscience becoming the God of occultism or the Masonic All Seeing Eye of the reverse side of the American dollar bill **Hild** Nicola Griffith,2013-11-12 Daughter of a poisoned prince and a crafty noblewoman quiet bright minded Hild arrives at the court of King Edwin of Northumbria where the six year old takes on the role of seer consiglieri for a monarch troubled by shifting allegiances and Roman emissaries attempting to spread their new religion **High Lonesome Sound** Jaye Wells,2018-02-13 In the sleepy mountain town of Moon Hollow Virginia there is a church with a crooked steeple No one will say for sure how it got that way but it's the reason the whole town gathers every Decoration Day to honor the dead This year there are two fresh graves up on Cemetery Hill a stranger's come to town and the mountain's song is filled with dark warnings The good people of Moon Hollow are about to learn that some secrets are too painful to bear and some spirits are too restless to stay buried **A Storm of Witchcraft** Emerson W. Baker,2015 Presents an historical analysis of the Salem witch trials examining the factors that may have led to the mass hysteria including a possible occurrence of ergot poisoning a frontier war in Maine and local political rivalries **The Rose and the Thorn** Michael J. Sullivan,2013-09-17 Two thieves want answers Riyria is born For more than a year Royce Melborn has tried to forget Gwen DeLancy the woman who saved him and his partner Hadrian Blackwater from

certain death Unable to get her out of his mind Royce returns to Medford with Hadrian but the two receive a very different reception Gwen refuses to see them The victim of abuse by a powerful noble she suspects that Royce will ignore any danger in his desire for revenge By turning the thieves away Gwen hopes to once more protect them What she doesn't realize is what the two are capable of but she's about to find out **Lookaway, Lookaway** Wilton Barnhardt, 2014-06-24 Presiding over her family and its legacy of masterpiece Civil War art North Carolina society maven Jerene Jarvis Johnston takes increasingly haphazard steps to protect her grown children from their own heedlessness
