The Club Jillian Dodd,2024-01-16 After spending the school break with Noah I m so excited for everything that s coming up My parents have arrived in London and we ll move into our new apartment Harry is returning from Shanghai Mohammad is trying to win Naomi s heart And my parents are finally meeting Noah But when our brunch ends in a complete disaster I don t know where I stand with anyone Noah leaves upset My dad won t speak to me Mohammad and Harry agree that Noah and I are moving too fast And my mom tells me I need to think long and hard about my future With school back in

session I'm hoping I'll have time to figure it all out. But when a Halloween party at the club pushes Noah, Harry, and my parents together, I know I'll walk away from it either with everyone getting along or with my relationships in shambles. But what happens is something I never expected, and it leaves me with another choice to make: Is Noah really the right boy for me?

The Choice Jillian Dodd, 2022-12-18 We're still on school break, and a lot is happening in the upcoming week before we have to head back to classes. My parents are arriving from New York, and we're moving into our new penthouse apartment. Noah wants to meet my parents as my boyfriend and spend the break together as a couple. Harry is going to meetings in Shanghai about an internship at his family's company. And Mohammad has his first official date with Naomi. Things couldn't be better, and there's so much to look forward to. But things can't stay perfect forever. And on our last night in the country house, Harry asks me to go to Shanghai with him. Even though he tells me we would be going as friends, I know that someone is going to get hurt. If I say yes, I don't think Noah will ever forgive me. And if I say no, I'm afraid I will break Harry's heart. But either way, I have to decide. I have to make a choice. Will it be Noah or Harry?

That Promise Jillian Dodd, 2021-06-08 What happens to childhood promises when you grow up? Growing up, Devaney Diamond and Chase Mackenzie promised to go to college together. But it's been two years since the summer that changed everything between them, and their friendship hasn't recovered. Now Dani is faced with all the challenges of her freshman year of college: navigating rush week, making new friends, and living on her own, which is both exhilarating and intimidating. In high school, Dani was homecoming queen and head cheerleader. She should be able to handle the pressure, but college has been more overwhelming than she expected. Chase, on the other hand, is living the dream. It's his senior year of high school; his football team is hoping to go undefeated, and he's being heavily recruited. When Dani returns home for a weekend, she realizes why college feels so overwhelming: she doesn't have Chase to share it with. In hopes of salvaging their friendship, she repeats an old tradition: sneaking over to his room with pizza after his game. But instead of fixing their friendship, they end up sleeping together. Chase is thrilled that Dani is back in his life, but being friends with benefits when feelings are involved is more complicated than Chase imagined. Will Chase and Dani work through their feelings for one another, or will their childhood promise be shattered when Chase announces what college he will commit to?

Edge of the Law (Book 1) Evelyn Glass, This is book 1 of the Dirty Riders MC romance series. Books 2 and 3 are available everywhere now. There's no one to save her from me. An accident brought her into my life. And now a killer is trying to take her away. But I've had a taste, and I've made a decision. This girl is staying in my bed for good. Parker turning her life into a war zone wasn't part of the plan. And she seemed like she could handle herself. But from the first hot taste, I was hooked. And keeping my hands to myself was no longer an option. That first kiss set us both on fire. It gave life to the molten core of my lust. And there's no stopping it now. But someone is trying to run us down. He wants us dead and gone. But if he thinks I'm letting him take her away from me, he'd better think again. Because the girl is mine. And nothing—not death, not war, not a bloodthirsty rival with a death wish—will take her from me. Jillian. Falling for him might have been a

fatal mistake But I couldn't help myself No matter how hard my rational brain screamed at me to stay far away from Parker and the Dirty Riders MC My body just wouldn't let me run How could I His kiss brings me life But his enemies might bring us death The man on our trail is determined to kill us or die trying He's a broken monster shattered by a tragic past But he doesn't want our pity He wants our blood And I'm powerless to stop him The only thing I can do is hold onto the biker who swept me off my feet And pray that he'll do the right thing in the end
