Urbanisation, traffic congestion, pollution problems, heavy reliance on scarce oil supplies, safety issues and ever-growing competition, have all provided significant

business challenges for the automotive industry. Many car manufacturers have had to fundamentally rethink their design, brand and marketing strategies to thrive in a savvy, consumer-led culture, and markets that are becoming increasingly restrictive in size and opportunity. Auto Brand provides a roadmap to branding and marketing success in the automotive industry from a leading industry expert, featuring case studies from major car brands including Audi, BMW, Holden, Mercedes-Benz, Opel, Porsche, Saab, Seat, Skoda, Vauxhall, Volkswagen, and Volvo. It includes findings from 100 interviews conducted with CEOs, marketing managers, sales managers and sales people, from manufacturer level to small rural dealers, as well as industry experts, policy makers, free-stranding repair shops and professional organizations. Auto Brand is essential reading for marketing managers, sales managers, CEOs, development managers and dealers in all types of companies in the car industry including: manufacturers, national sales companies/importers, dealers, finance companies, insurance companies, free-standing repair shop channels and more. It is the first book to specifically address how to deal with the challenges facing the automotive industry and illustrates how companies can take advantage of new technologies, adapt to emerging trends in consumer behaviour, improve profitability and build even more successful brands in the future. Rod set out to create a new kind of owner's workshop manual--friendly, easy to understand, yet more detailed than any other manual: this book is the result, Rod stripped down an MX-5 ('Miata' USA/'Eunos' Japan) in a domestic garage using ordinary tools and, in the process, took over 1500 step-by-step photographs. The result is a superbly detailed text which passes on to the reader every detail of important jobs, including how problems can be overcome without resorting to special tools. Whether you're a first-time novice or a seasoned pro, buying and owning a classic car starts with getting the facts from an expert. And there's no one better equipped to give you the insider's perspective than Wayne Carini, host of the internationally acclaimed TV program, Chasing Classic Cars. Borrowing on his years of experience buying and selling cars around the world, uncovering dust-covered barn finds or crafting award-winning restorations, Wayne's Guide to Affordable Classics puts you in the driver's seat when it comes to making an informed decision.
