Jane Whittaker finds herself on a downtown street, her pockets stuffed with a large number of crisp \$100 bills, the front of her dress soaked with blood. She has no idea of her identity. After a terrifying night of hiding, Jane ends up in hospital. There, while undergoing a battery of medical tests, she is recognized by one of the nurses. Soon her husband comes to claim her. He is every woman's dream: popular, respected, wealthy, a tall blond doctor. He takes Jane home and vows to cure her with loving care and modern medicine. But Jane doesn't get any better. The medication seems to be turning her into a zombie, and she begins to feel that her private nurse is holding her a virtual prisoner in her own home, isolating her from friends who might help her recover. Can Jane remember her past in time... in time to stop whatever it is that is happening to her, whatever made her lose her memory in the first place, whatever is trying to destroy her and her family?... Tara Kildare's sister gives her a cruise to get her away from her troubles for a while. Her husband had become abusive but was killed in Iraq. Now his parents are trying to gain custody of her son, Ricky. Tara knows she will never trust another man, but would a husband help her court case as her lawyer says, and would she do even

this to keep her son? Sean Murphy might be impulsive, but he's also an optimist. He's had about enough of sailing around the world, and Tara might be just the woman to give him the home and family he wants. She's certainly captured his interest and then his heart. Now, he'll need to convince the stubborn woman that they were meant for each other, and, with God's help, he intends to do just that. NEW YORK TIMES BESTSELLER *In this moving memoir, Danielle Steel tells the story of how she met a dog the size of a mouse with a personality that could light up an entire room. From Minnie's arrival at home in San Francisco to clothes-shopping jaunts in Paris, her adventures provide the perfect backdrop for a heartfelt look at the magic that dogs bring to our lives, and how they become part of the family, making indelible memories. We meet Steel's childhood pug, James; and Elmer, the basset hound who was steadfastly at her side in her struggling days as a young writer; Sweet Pea—unveiled in a Tiffany box for a dog-loving husband—and all those lucky dogs who shared a household of nine children, other canines, and one potbellied pig. As she reflects on the beloved pets who have brought joy, and sometimes chaos, to her home through the years, Steel also shares her thoughts on the trials and tribulations of bringing a new dog into a household, the challenges of housebreaking and compatibility, the losses we feel forever. Filled with colorful characters (human and otherwise), delightful photographs, practical wisdom drawn from long experience, and brimming with warmth and insight on every page, *Pure Joy* is a love letter to this special relationship—and one of the most charming books yet from the incomparable Danielle Steel. Praise for *Pure Joy**

“The mega-selling [Danielle Steel] shares happy memories of her numerous dogs. . . . Steel brings readers into her life, recounting delightful moments with her many dogs, the dogs her children have owned, and her newest friend, Minnie, her tiny Chihuahua. . . . Plainly told with honesty and affection, these stories are an affirmation of the timeless connection between humans and their canine companions.”—Kirkus Reviews

“Steel doesn't just love to write blockbusters; she loves dogs. Here's her valentine to all the dogs she's raised (looking to be mostly of the small sort), with lots of black-and-white photos throughout. A heady commercial combo.”—Library Journal

A successful sitcom writer with plenty of money, a stable marriage, a platonic mistress and a flash car, Laurence 'Tubby'

Passmore has more reason than most to be happy. Yet neither physiotherapy nor aromatherapy, cognitive-behaviour therapy or acupuncture can cure his puzzling knee pain or his equally inexplicable mid-life angst. As Tubby's life fragments under the weight of his self-obsession, he embarks - via Kierkegaard, strange beds from Rummidge to Tenerife to Beverly Hills, a fit of literary integrity and memories of his 1950s South London boyhood - on a picaresque quest for his lost contentment. Adaptation constitutes the driving force of contemporary culture, with stories adapted across an array of media formats.

However, adaptation studies has been concerned almost exclusively with textual analysis, in particular with compare-and-contrast studies of individual novel and film pairings. This has left almost completely unexamined crucial questions of how adaptations come to be made, what are the industries with the greatest stake in making them, and who the decision-makers are in the adaptation process. The Adaptation Industry re-imagines adaptation not as an abstract process, but as a material industry. It presents the adaptation industry as a cultural economy of six interlocking institutions, stakeholders and decision-makers all engaged in the actual business of adapting texts: authors; agents; publishers; book prize committees; scriptwriters; and screen producers and distributors. Through trading in intellectual property rights to cultural works, these six nodal points in the adaptation network are tightly interlinked, with success for one party potentially auguring for success in other spheres. But marked rivalries between these institutional forces also exist, with competition characterizing every aspect of the adaptation process. This book constructs an overdue sociology of contemporary literary adaptation, never losing sight of the material and institutional dimensions of this powerful process. "This journey could change everything ... Maybe if she hadn't lost her job, Anna would never have dreamed of being so impulsive. Or perhaps if Chloe wasn't always having her heart broken, or if Lily was happy at school. But when Anna realises that her family is falling apart, only a

grand, spontaneous gesture will do. Which is how Anna, Chloe and Lily find themselves squashed together in a campervan, on a mother-daughter road trip across Europe to reach the Northern Lights. The girls are horrified, but Anna is determined. This journey might just be their way back to each other."--Provided by publisher Ovid and Lorelli Thornthwaite have been trying to kill each other for so long that neither twin can remember which act of attempted murder came first. But whoever struck first, trying to take each other's lives is simply what they do. Until one day a lawyer arrives at their house to take stock of its contents, and his accompanying son attracts their attention. Soon a new battle evolves - one in which the twins have to work together to solve the mystery of their parents' deaths. Can Lorelli and Ovid overcome their old animosities, and will they ever get to finish that game of chess? One afternoon, Julia Evarts and her five-year-old daughter, Gracie, arrive home to find an unexpected gift on the front porch: a homemade loaf of Amish Friendship Bread and a simple note: I hope you enjoy it. Also included are a bag of starter, instructions on how to make the bread herself, and a request to share it with others. Robert Coover's detective novelette, *STREET COP*, is set in a dystopian world of infectious 'living dead,' murderous robo-cops, aging street walkers, and walking streets. With drawings by Art Spiegelman, this short tale scrutinizes the arc of the American myth, exploring the working of memory in a digital world, police violence and the future of urban life. *STREET COP* is provocative and prophetic, asking us to interrogate the line between a condemnable system and a sympathetic individual. Once upon a time in a frozen city . . . strangers fall in love, wishes come true, and lives will never be the same again When his parents split up, and his dad leaves home, a ten-year-old boy begs the sky to help him. The next day an ice storm covers his city. When the power goes out and the temperature drops, people must turn to each other to survive. But for one neighbourhood the catastrophe brings surprising new beginnings. Julie, the dancer who lives across the street, helps Boris, an eccentric

Russian mathematician, save his fish from the cold weather. And the urbane Michel and Simon open their door to Alexis, their embittered neighbour, and his son. But will the ice storm bring the boy's parents back together? Hilarious and heartwarming, Fish Change Direction in Cold Weather reminds us that happy endings might still be possible. In turn-of-the-twentieth-century France, Vincent - an ingenious designer of secret passages - embarks on a thrilling adventure to unlock ancient mysteries in a quest for a lost treasure. Rather than sell up, they will train up, and make the parlor the newest destination on the South Coast foodie map. While Imogen watches the shop, her sister flies to Italy to attend a gourmet ice cream-making course. But as she works shoulder-to-shoulder with some of the best chefs in the industry, Anna finds that romance can bloom in the most unexpected of places. Live every day like it's your last. This book includes case studies from Indonesia, Malaysia, the Philippines, and Thailand, showing prostitution's well organized and highly diversified economic bases, and explaining why it is difficult for policymakers and legislators to define a clear legal stance on adult prostitution, or to implement effective social programs. The TimeRiders' mission: to prevent time travel from destroying history-and the future. . . . From the #1 New York Times bestselling author of The Party Crasher and Love Your Life . . . “Sophie Kinsella keeps her finger on the cultural pulse, while leaving me giddy with laughter.”—Jojo Moyes, author of The Giver of Stars and The Last Letter from Your Lover Life has been good to Becky Bloomwood: She’s become the top personal shopper at Barneys and she’s living happily with her boyfriend, Luke, in Manhattan’s West Village. But with her best friend, Suze, engaged, how can Becky fail to notice that her own ring finger is bare? Not that she’s been thinking about marriage (or diamonds) or anything. Then Luke proposes! Problem is, two other people are planning her wedding: Becky’s overjoyed mother—who has been waiting forever to host a backyard wedding, with the bride resplendent in Mum’s frilly old gown; and her high-society soon-to-be mother-in-law—who insists on a glamorous, all-expenses-paid affair at the Plaza. Both weddings, on separate continents, on the same day . . . and Becky can’t seem to turn down either one. Can everyone’s favorite shopaholic tie the knot before everything unravels? Praise for Sophie Kinsella and Shopaholic Ties the Knot “Kinsella has a genuine gift for comic writing.”—The Boston Globe “Witty and hilarious.”—Cosmopolitan (U.K.) “Another entertaining entry in Kinsella’s unabashedly fluffy Shopaholic series . . . chock-full of the charming antics and asides that made the first two installments hilarious best-sellers.”—Booklist “Kinsella’s Bloomwood is plucky and funny. . . . You won’t have to shop around to find a more winning protagonist.”—People Nicholas on Holiday is part of the acclaimed series of classic and much-loved stories about the endearing exploits of the cheeky French schoolboy, Nicholas. All the stories in this volume take place by the sea, during the summer holidays. There are eventful fishing trips, treasure hunts in the middle of the night and a whole new gang of friends with whom Nicholas can get into trouble. A highly entertaining novel set in North London, where the Greek gods have

been living in obscurity since the seventeenth century. Being immortal isn't all it's cracked up to be. Life's hard for a Greek god in the twenty-first century: nobody believes in you any more, even your own family doesn't respect you, and you're stuck in a dilapidated hovel in North London with too many siblings and not enough hot water. But for Artemis (goddess of hunting, professional dog walker), Aphrodite (goddess of beauty, telephone sex operator) and Apollo (god of the sun, TV psychic) there's no way out... until a meek cleaner and her would-be boyfriend come into their lives and turn the world upside down. Gods Behaving Badly is that rare thing, a charming, funny, utterly original novel that satisfies the head and the heart. West of Rome's two novellas, "My Dog Stupid" and "The Orgy," fulfill the promise of their rousing titles. The latter novella opens with virtuoso description: "His name was Frank Gagliano, and he did not believe in God. He was that most singular and startling craftsman of the building trade—a left-handed bricklayer. Like my father, Frank came from Torcella Peligna, a cliff-hugging town in the Abruzzi. Lean as a spider, he wore a leather cap and puttees the year around, and he was so bowlegged a dog could lope between his knees without touching them." A famous Nazi hunter and a descendent of Nazi collaborators team up on a journey to uncover Lithuania's Holocaust secrets. This remarkable book traces the quest for the truth about the Holocaust in Lithuania by two ostensible enemies: R?ta a descendant of the perpetrators, Efraim a descendant of the victims. R?ta Vanagait?, a successful Lithuanian writer, was motivated by her recent discoveries that some of her relatives had played a role in the mass murder of Jews and that Lithuanian officials had tried to hide the complicity of local collaborators. Efraim Zuroff, a noted Israeli Nazi hunter, had both professional and personal motivations. He had worked for years to bring Lithuanian war criminals to justice and to compel local authorities to tell the truth about the Holocaust in their country. The facts that his maternal grandparents were born in Lithuania and that he was named for a great-

uncle who was murdered with his family in Vilnius with the active help of Lithuanians made his search personal as well. Our People exposes the significant role in implementing the Final Solution played by local political leaders and the prewar Lithuanian administration that remained in place during the Nazi occupation. It also tackles the sensitive issue of the motivation of thousands of ordinary Lithuanians who were complicit in the murder of their Jewish neighbors. At the heart of the book, these are the issues that R?ta and Efraim discuss, debate, and analyze as they crisscross the country to visit dozens of Holocaust mass murder sites in Lithuania and neighboring Belarus. This book follows them on their remarkable journey as they search for neglected graves, interview eyewitnesses, and uncover hints of the rich life that had existed in hundreds of Jewish communities throughout Lithuania. Welsh's sizzling new novel is a thrilling journey into the bright glamour of the Sunshine State and a seething underworld of utter darkness, in this shocking story about the corruption and abuse of the human soul and the possibilities of redemption. Benjamin Malaussene is a scapegoat. He works for the complaints department of large Parisian department store. One day, when a bomb explodes in the toy department, he decides to resist the call of duty and consequently becomes the prime suspect.
