Harris have garnered resounding critical acclaim for their thrilling historical novels that bring Scotland's colorful past to breathtaking life. Now they return to the Highlands with an enthralling tale of a young boy's lawless coming of age during the dark days of the Clearances. The early years of the 19th century are hard times for farmers in the Scottish Highlands. Young Roddy Macallan and his family are among the villagers cruelly driven from their lands when a new laird decides it would be more profitable to lease the ground to English sheep farmers. Returning in secret to the ruins of his home to retrieve a precious family heirloom—a "blessing" once presented to a Macallan ancestor by Bonnie Prince Charlie—Roddy is discovered and savagely beaten by order of the laird's sadistic enforcer, William Rood, who then steals the treasure for his master. Were it not for the timely arrival of the notorious outlaw Alan Dunbar, the boy would surely be dead. Taken under the wing of the infamous "Rogue," young Roddy begins a new life as a renegade. **Chamber Arrangements of Beethoven's Symphonies, Part 1** Mar 30 2024 The three selections in this edition of quartet arrangements of Beethoven's symphonies are chosen to represent the diversity of quartets as a medium for arrangement in the early nineteenth century. The arrangement by Johann Nepomuk Hummel of Beethoven's fifth symphony, for pianoforte, flute, violin, and violoncello (or pianoforte alone), is part of an extensive collection of arrangements that he made for that grouping, while the arrangement for piano quartet by Ferdinand Ries of the Eroica Symphony represents the particular popularity of chamber groupings involving stringed instruments and piano.

*The New Broadway Song Companion* Nov 25 2023 This is a completely revised and expanded second edition of *The Broadway Song Companion*, the first complete guide and access point to the vast literature of the Broadway musical for the solo performer.

Designed with the working actor in mind, the volume lists every song from over 300 Broadway shows, including at least 90 more than the first edition. Organized by show, each song is annotated with the name of the character(s) who sing(s) the song, the vocal range, and a style category, such as uptempo, narrative ballad, swing ballad, moderate character piece, etc. Several indexes are supplied, organizing the songs by voice type (soprano, baritone, etc.) and song style, vocal arrangement (duets, trios, chorus, etc.), and composer and lyricist, allowing increased access to the repertoire. For instance, a soprano

looking for a ballad to sing will find every song in that category in the index. All solos, duets, and trios are indexed in this manner, with quartets and larger ensembles listed by voice type. Furthermore, the instant breakdowns (how many lead characters, who sings what song, and the range requirements of each character) will be a valuable resource to directors and producers.
