For too long we've lacked a compact, inexpensive, authoritative, and compulsively readable book that offers American readers a clear, informative, and inspiring narrative account of their country. Such a fresh retelling of the American story is especially needed today, to shape and deepen young Americans' sense of the land they inhabit, help them to understand its roots and share in its memories, all the while equipping them for the privileges and responsibilities of citizenship in American society. The existing texts simply fail to tell that story with energy and conviction. Too often they reflect a fragmented outlook that fails to convey to American readers the grand trajectory of their own history. This state of affairs cannot continue for long without producing serious consequences. A great nation needs and deserves a great and coherent narrative, as an expression of its own self-understanding and its aspirations; and it needs to be able to convey that narrative to its young effectively. Of course, it goes without saying that such a narrative cannot be a fairy tale of the past. It will not be convincing if it is not truthful. But as *Land of Hope* brilliantly shows, there is no contradiction between a truthful account of the American past and an inspiring one. Readers of *Land of Hope* will find both in its pages. The ultimate in slow-cooker books--with 500 recipes, each adapted for three sizes of appliance. From breakfast to soups, mains to grains, vegetables to desserts, this guide is the only book you'll ever need to master your slow cooker or crockpot. Millions of people are turning to slow cookers for their weeknight meals yet often can't find recipes that match their exact machine. Adapting recipes meant for a different-size cooker doesn't work--getting the right level of spice in your Vietnamese soup or keeping pulled pork tender requires having ingredients in the right proportion. But now, Bruce Weinstein and Mark Scarbrough have decoded slow cookers, and each of their recipes includes ingredient proportions for 2-3 quart, 4-5 quart, and 6-8 quart machines, guaranteeing a perfect fit no matter what machine you own. Each recipe is labeled for its level of difficulty and nutritional value, and they cover every kind of dish imaginable: delicious breakfast oatmeals, slow-braised meats, succulent vegetables, sweet jams and savory sauces, decadent desserts. This is the slow cooker book to end them all. *Devotionals That Make the Spirits Soar* J. Sidlow Baxter has endeared himself to thousands in the United States and Great Britain through his Bible expositions in the pulpit and in countless books. His last devotional, *Awake, My Heart*, was published in 1960. Now we are happy to present a new devotional from the pen of this much-loved pastor - a book of exposition and poetry that will hold a distinctive place in the Baxter literature. Drawing on his rich heritage in the British tradition of hymnody, Dr. Baxter has provided a poem or hymn for each devotional meditation. These hymns "all came to me more or less spontaneously during my own times of communing with our risen Lord," he writes in his

Preface to *Daily Wings*. They will inspire his readers, even as they have given him "wings to my own spirit." There is a devotional meditation for each day of the year. These are to be read, in his words, "unhurriedly," for "to read any book of daily expositions hastily is fatal to its intended ministry." The *Negro Motorist Green Book* was a groundbreaking guide that provided African American travelers with crucial information on safe places to stay, eat, and visit during the era of segregation in the United States. This essential resource, originally published from 1936 to 1966, offered a lifeline to black motorists navigating a deeply divided nation, helping them avoid the dangers and indignities of racism on the road. More than just a travel guide, *The Negro Motorist Green Book* stands as a powerful symbol of resilience and resistance in the face of oppression, offering a poignant glimpse into the challenges and triumphs of the African American experience in the 20th century. In its 114th year, *Billboard* remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. *Billboard* publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends. Contains public messages and statements of the President of the United States released by the White House from January 20 to June 30, 2001. Also includes appendices and an index. Examines several key documents from the history of the United States, providing vocabulary helps, historical context, additional explanation and text analysis, with illustrations and graphics to bring these important documents to life for families to study and share together. Rediscover the simple pleasures of a day trip with *Day Trips from Chicago*. This guide is packed with hundreds of exciting things for locals and vacationers to do, see, and discover within a two-hour drive of the Chicago metro area. With full trip-planning information, *Day Trips from Chicago* helps makes the most of a brief getaway. Marriott's Great America first opened in Gurnee, Illinois, on May 29, 1976. Located midway between Chicago and Milwaukee, it was the second of two Marriott Corporation theme parks. Great America was created to be a place where families could have fun together while gaining an appreciation for United States history. The park's five authentically themed areas based on America's past included the best in family and thrill rides, restaurants, specialty shops, artisans, and games. First-rate live entertainment included Broadway-style musicals, bands, parades, a circus, and the Warner Bros. characters featuring BUGS BUNNY. In 1984, the park became Six Flags Great America when it joined the Six Flags family of theme parks. Since then, the park has continued to innovate and expand. Today, including its 20-acre Hurricane Harbor water park, Six Flags Great America is one of the country's finest theme parks. Since 1976, the park has entertained more than 100 million guests. The beginning of a new age of Cincinnati Reds baseball is detailed in full-color splendor through this remarkable new book. *Opening Day at Great American Ball Park* follows all of the activities of the inaugural Opening Day at Cincinnati's new home for baseball, as the Reds battled the Pittsburgh Pirates on Monday, March 31, 2003. Located at 100 Main Street, the new stadium features a grass field and seating for over 42,000 baseball-crazed fans, making it the new standard for ballparks across America. Photos filling every page capture glimpses of the fans, an inside tour of Great American Ball Park, the field, and, of course, the players who make it all possible. 'Nick Bryant is brilliant. He has a way of showing you what you've been missing from the whole story whilst never leaving you feeling stupid.' — Emily Maitlis 'Bryant is a genuine rarity, a Brit who understands America' — *Washington Post* In *When America Stopped Being Great*, veteran reporter and BBC New York correspondent Nick Bryant reveals how America's decline paved the way for Donald Trump's rise, sowing division and leaving the country vulnerable to its greatest challenge of the modern era. Deftly sifting through almost four decades of American history, from post-Cold War optimism, through the scandal-wracked nineties and into the new millennium, Bryant unpacks the mistakes of past administrations, from Ronald Reagan's 'celebrity presidency' to Barack Obama's failure to adequately address income and racial inequality. He explains how the historical clues, unseen by many (including the media) paved the way for an outsider to take power and a country to slide towards disaster. As Bryant writes, 'rather than being an aberration, Trump's presidency marked the culmination of so much of what had been going wrong in the United States for decades — economically, racially, politically, culturally, technologically and constitutionally.' A personal elegy for an America lost, unafraid to criticise actors on both sides of the political divide, *When America Stopped Being Great* takes the long view, combining engaging storytelling with recent history to show how the country moved from the optimism of Reagan's 'Morning in America' to the darkness of Trump's 'American Carnage'. It concludes with some of the most dramatic events in recent memory, in an America torn apart by a bitterly polarised election, racial division, the national catastrophe of the coronavirus and the threat to US democracy evidenced by the

storming of Capitol Hill. In May 1972, actor Fess Parker of Davy Crockett fame announced plans for a huge theme park complex in Santa Clara, California. Eventually, the Marriott Corporation joined the effort. Parker later departed, while Marriott continued with what was the corporation's largest project to date. Marriott's Great America opened its gates on March 20, 1976. It featured a variety of family and thrill rides on a grand scale plus live entertainment, including multiple stage shows and even a full circus. From Marriott to the park's current owner, Cedar Fair Entertainment Company, Great America has entertained and continues to entertain millions of guests in what is now the heart of Silicon Valley. Backroads of the Great American West describes and details with full-color photos and maps the most scenic routes in the Rocky Mountains, Texas, Desert Southwest, California, and Pacific Northwest. One of the most popular Dear America diaries of all time, Ellen Emerson White's bestselling VOYAGE ON THE GREAT TITANIC is now back in print with a gorgeous new package! Five years ago, Margaret Ann Brady's older brother left her in the care of an orphanage and immigrated to America. When the orphanage receives an unusual request from an American woman looking for a traveling companion, Margaret's teachers agree that she is the perfect candidate to accompany Mrs. Carstairs on the TITANIC, so that once Margaret arrives in New York she will be free to join her brother in Boston. But the TITANIC is destined for tragedy, and Margaret's journey is thrown into a frozen nightmare when the ship collides with an iceberg. From the publishers of The Unofficial Guide to Walt Disney World "A Tourist's Best Friend!" [Chicago Sun-Times "Indispensable" [The New York Times The Top 10 Ways The Unofficial Guide to Chicago Can Help You Have the Perfect Trip: Information that's candid, critical, and totally objective Hotels reviewed and ranked for value and quality plus secrets for getting the lowest possible rate More than 70 restaurants reviewed and profiled, with listings for dozens more A complete guide to Chicago's sights museums, architecture, ethnic neighborhoods, and more Complete information on Chicago's lakefront beaches and parks The inside story on shopping where to get the best for less, on and off the Magnificent Mile All the details on Chicago's nightlife jazz and blues clubs, dance clubs, concerts, theater, and more The best places to play golf and tennis, ride a bike, go boating, and work out Tips on enjoying Chicago with your kids Advice on how to plan and make the most of your business trip Get the unbiased truth on hundreds of hotels, restaurants, attractions, and more in The Unofficial Guide to Chicago the resource that helps you save money, save time, and make your trip the best it can be. The Great Controversy is a work by Ellen G. White, a founder of the Seventh-day Adventist Church, considered a prophetess or messenger of God among Seventh-day Adventist members. The book tells about the ever-persistent controversy between the good and the bad, represented by the opposition of Christ and Satan and the forces of angels that accompany them. The veteran true crime author chronicles the terrifying murders, surprising arrest and dramatic trial of Illinois serial killer Milton Johnson. In the summer of 1983, an elusive serial killer stalked the blue-collar industrial city of Joliet, Illinois. One overnight killing spree took five victims, including members of the Will County Sheriff's Office. The following month brought a quadruple murder inside a shop known for its pottery classes. The plague of violence sparked the controversial New York City-based Guardian Angels to descend on Joliet, generating more unwanted media attention for the community. The National Enquirer labeled Joliet "Terror Town, U.S.A." With an arrest that seemed to come out of nowhere, authorities linked their suspect to a chilling fourteen homicides, plus three women who miraculously survived their agonizing encounters. But with multiple murder trials on the horizon, it remained anyone's guess whether Milton Johnson was guilty of mass murder and if so, would he die by means of lethal injection at the Illinois Department of Corrections? TWENTY-FOUR HOURS: A DAY THAT WOULD EITHER FREE AN ENTIRE PLANET- OR UTTERLY DEVASTATE IT A nonstop futuristic thrill-ride, through the critical events which were the breaking point for the underclass of Martian citizens and precipitated a revolution to break the Martian colonists free from the formidable Sol System government. The formerly red planet now in danger of again becoming red, blood red would never be the same, nor would the human race. It was one day that changed the course of history for the Solar System, raging from hand-to-hand combat to piloted armored mecha suits clashing to an enormous space battle, with dedicated heroes on both sides of the conflict wondering if they were doing the right thing and if they would live to see another day. And wondering, as well, if the spark of this new war, that would eventually reach across whole star systems, would bring them peace. At the publisher's request, this title is sold without DRM (Digital Rights Management). Six Flags Great Adventure has been the premier destination for family fun in the Northeast for over 40 years. Created by Hollywood scion Warner LeRoy, the park's mission from the very start was to be the biggest and best

theme park with record-breaking thrills, spectacular shows, and unique experiences that could only be found at Great Adventure. As a part of the Six Flags family of theme parks, Great Adventure combines the world's largest safari park outside of Africa, a world-class theme park, and one of the biggest and best water parks in the United States to create an experience like no other. A photographic and written catalog of 350 buildings in the historic village of Hudson in Ohio's Western Reserve. A brief history by The Librarian and Curator of The Hudson Library and Historical Society sets the buildings' photographs and descriptive text in historical context. Gives a list of the buildings by construction date. A thorough and heavily illustrated history of steamboats from Robert Fulton to the present. A book for buffs and historians. Annotation copyrighted by Book News, Inc., Portland, OR

For more than 45 years, the Historic Documents series has made primary source research easy by presenting excerpts from documents on the important events of each year for the United States and the world. Each volume includes approximately 60 events with well over 100 documents from the previous year, from official or other influential reports and surveys, to speeches from leaders and opinion makers, to court cases, legislation, testimony, and much more. Historic Documents is renowned for the well-written and informative background, history, and context it provides for each document. Each volume begins with an insightful essay that sets the year's events in context, and each document or group of documents is preceded by a comprehensive introduction that provides background information on the event. Full-source citations are provided. Readers have easy access to material through a detailed, thematic table of contents, and each event includes references to related coverage and documents from the last ten editions of the series. Events covered in the 2017 Edition include: The intricacies of the new presidential administration of Donald Trump Russian involvement in the U.S. presidential election U.S. and global policies on immigration and refugees Landmark Supreme Court rulings on gerrymandering and state grant money for parochial schools, and the appointment of Neil Gorsuch Global warming and climate change agreements and policies European elections, including those in the UK, France, and Germany Outcomes of the G-20 Summit North Korea and international calls to action Volumes in this series dating back to 1972 are available as online editions on SAGE Knowledge.

Marriott's Great America first opened in Gurnee, Illinois, on May 29, 1976. Located midway between Chicago and Milwaukee, it was the second of two Marriott Corporation theme parks. Rediscover the simple pleasures of a day trip with Day Trips from Chicago. This guide is packed with hundreds of exciting things for locals and vacationers to do, see, and discover within a two-hour drive of the Chicago metro area. With full trip-planning information, Day Trips from Chicago helps make the most of a brief getaway. Includes a brief history of American journalism and discusses the duties of a journalist, styles of writing, the parts of a newspaper, newspaper and yearbook design, photography, and careers in journalism. As an archetype for an entire class of places, Main Street has become one of America's most popular and idealized images. In *Main Street Revisited*, the first book to place the design of small downtowns in spatial and chronological context, Richard Francaviglia finds the sources of romanticized images of this archetype, including Walt Disney's Main Street USA, in towns as diverse as Marceline, Missouri, and Fort Collins, Colorado. Francaviglia interprets Main Street both as a real place and as an expression of collective assumptions, designs, and myths; his Main Streets are treasure troves of historic patterns. Using many historical and contemporary photographs and maps for his extensive fieldwork and research, he reveals a rich regional pattern of small-town development that serves as the basis for American community design. He underscores the significance of time in the development of Main Street's distinctive personality, focuses on the importance of space in the creation of place, and concentrates on popular images that have enshrined Main Street in the collective American consciousness. From minor league teams such as the Iowa Cubs and Las Vegas 51s to the major league ball clubs including the Cincinnati Reds and New York Yankees, these fun, engaging books tell the stories of young local boys who dream of stepping to the plate for their favorite baseball franchises. Filled with

relatable stories away from the baseball field as well, these coming-of-age tales show the importance of never giving up hope and always believing in dreams. Michael "Fuji" Powers always dreamed of joining the Cincinnati Reds on the field at Great American Ball Park, and now he stands at the plate ready to live his fantasy of hitting a home run. Filled with fun and engaging stories, this relatable coming-of-age story will show children the importance of believing in their dreams and never giving up hope. The first and only book to give gay and lesbian travelers the inside scoop on gay-friendly accommodations, shopping, sports, recreation, music, theater, dining, and nightlife in the Windy City. This chatty, opinionated guide to gay life and culture is written by longtime gay-neighborhood-dwelling Chicagoans for residents and visitors. Photos. This reference resource combines unique historical analysis, scholarly essays, and primary source documents to explore the evolution of ideas and institutions that have shaped American government and Americans' political behavior. One of the most active and revealing approaches to research into the American political system is one that focuses on political development, an approach that combines the tools of the political scientist and the historian. A History of the U.S. Political System: Ideas, Interests, and Institutions is the first comprehensive resource that uses this approach to explore the evolution of the American political system from the adoption of the Constitution to the present. A History of the U.S. Political System is a three-volume collection of original essays and primary documents that examines the ideas, institutions, and policies that have shaped American government and politics throughout its history. The first volume is issues-oriented, covering governmental and nongovernmental institutions as well as key policy areas. The second volume examines America's political development historically, surveying its dynamic government era by era. Volume three is a collection of documentary materials that supplement and enhance the reader's experience with the other volumes. "Containing the public messages, speeches, and statements of the President", 1956-1992.
