White Space Dark Passages 1 Ilsa J Bick

White Space Ilsa J. Bick, 2014-01-01 In the tradition of Memento and Inception comes a thrilling and scary young adult novel about blurred reality where characters in a story find that a deadly and horrifying world exists in the space between the written lines Emma Lindsay has problems no parents a crazy guardian and all those times when she blinks away dropping into other lives so surreal it s as if the story of her life bleeds into theirs But one thing Emma has never doubted is that she s real Then she writes White Space which turns out to be a dead ringer for part of an unfinished novel by a long dead writer In the novel characters travel between different stories When Emma blinks she might be doing the same Before long she s dropped into the very story she thought she d written Emma meets other kids like her They discover that they may be nothing more than characters written into being for a very specific purpose What they must uncover is why they ve been brought to this place before someone pens their end

The Dickens Mirror Ilsa J. Bick, 2015-03-01 Critically acclaimed author of The Ashes Trilogy Ilsa J Bick takes her new Dark Passages series to an alternative Victorian London where Emma Lindsay continues to wade through blurred realities now that she has lost everything her way her reality her friends In this London Emma will find alternative versions of her friends from the White Space and even Arthur Conan Doyle Emma Lindsay has nowhere to go Her friends are dead Eric and Casey are lost to the Dark Passages Emma commands the cynosure a device that allows for safe passage between the Many Worlds to put her where she might find her friends again But Emma wakes up in the body of Little Lizzie all grown up And in this alternative Victorian London Elizabeth McDermott is mad Elizabeth s physician Dr Kramer has drugged her to allow Emma who s blinked to this London before to emerge as the dominant personality Elizabeth is dying and if Emma can t find a way out everyone as they exist in this London will die with her

Ashes Ilsa J. Bick, 2011-09-01 An electromagnetic pulse flashes across the sky destroying every electronic device wiping out every computerized system and killing billions When it happens Alex was hiking in the woods to say good bye to her dead parents and her personal demons Now desperate to find out what happened after the pulse crushes her to the ground Alex meets up with Tom a young soldier and Ellie a girl whose grandfather was killed by the EMP For this improvised family and the others who are spared it s now a question of who can be trusted and who is no longer human Author Ilsa J Bick crafts a terrifying and thrilling novel about a world that could be ours at any moment where those left standing must learn what it means not just to survive but to live amidst the devastation

Draw the Dark Ilsa J. Bick, 2013-08-01 There are things the people of Winter Wisconsin would rather forget The year the Nazis came to town for one That fire for another But what they d really like to forget is Christian Cage Seventeen year old Christian s parents disappeared when he was a little boy Ever since he s drawn obsessively his mother s face her eyes and what he calls the sideways place where he says his parents are trapped Christian figures if he can just see through his mother s eyes maybe he can get there somehow and save them But

Christian also draws other things Ugly things Evil things Dark things Things like other people's fears and nightmares Their pasts Their destiny There's one more thing the people of Winter would like to forget murder But Winter won't be able to forget the truth no matter how hard it tries Not as long as Christian draws the dark

The Sin-Eater's Confession Ilsa J. Bick, 2013-08-01 People in Merit Wisconsin always said Jimmy was you know But people said all sorts of stupid stuff Nobody really knew anything Nobody really knew Jimmy I guess you could say I knew Jimmy as well as anyone which was not very well I knew what scared him And I knew he had dreams even if I didn't understand them Even if he nearly ruined my life to pursue them Jimmy's dead now and I definitely know that better than anyone I know about blood and bone and how bodies decompose I know about shadows and stones and hatchets I know what a last cry for help sounds like I know what blood looks like on my own hands What I don't know is if I can trust my own eyes I don't know who threw the stone Who swung the hatchet Who are the shadows What do the living owe the dead

Drowning Instinct Ilsa J. Bick, 2013-08-01 There are stories where the girl gets her prince and they live happily ever after This is not one of those stories Jenna Lord's first sixteen years were not exactly a fairy tale Her father is a controlling psycho and her mother is a drunk She used to count on her older brother until he shipped off to Iraq And then of course there was the time she almost died in a fire There are stories where the monster gets the girl and everyone cries for his innocent victim This is not one of those stories either Mitch Anderson is many things A dedicated teacher and coach A caring husband A man with a certain magnetism And there are stories where it's hard to be sure who's a prince and who's a monster who is a victim and who should live happily ever after These are the most interesting stories of all

Drowning Instinct is a novel of pain deception desperation and love against the odds and the rules

Shadows Ilsa J. Bick, 2012-08-01 The Apocalypse does not end The Changed will grow in numbers The Spared may not survive Even before the EMPs brought down the world Alex was on the run from the demons of her past and the monster living in her head After the world was gone she believed Rule could be a sanctuary for her and those she'd come to love But she was wrong Now Alex is in the fight of her life against the adults who would use her the survivors who don't trust her and the Changed who would eat her alive Welcome to Shadows the second book in the haunting apocalyptic Ashes Trilogy where no one is safe and humans may be the worst of the monsters

Monsters Ilsa J. Bick, 2013-08-01 The Hunger Games mixes with The Walking Dead in this post-apocalyptic YA series that comes to a hair-raising conclusion in Monsters The Changed are on the move The Spared are out of time The End is now When her parents died Alex thought things couldn't get much worse until the doctors found the monster in her head She headed into the wilderness as a good-bye to leave everything behind But then the end of the world happened and Alex took the first step down a treacherous road of betrayal and terror and death Now with no hope of rescue on the brink of starvation in a winter that just won't quit she discovers a new and horrifying truth The Change isn't over The Changed are still evolving And they've had help With this final volume of The Ashes Trilogy Ilsa J. Bick delivers a riveting blockbuster finish returning readers to a brutal post-apocalyptic world where no
