Melvyn L. Fein

When Jesus Became God The Struggle To Define Christianity During Last Days Of Rome Richard E Rubenstein

When Jesus Became God Richard E. Rubenstein, 2013-08-16 A panoramic view of early Christianity as it developed against the backdrop of the Roman Empire of the fourth century Publishers Weekly The story of Jesus is well known as is the story of Christian persecutions during the Roman Empire The history of fervent debate civil strife and bloody riots within the Christian community as it was coming into being however is a side of ancient history rarely described Richard E Rubenstein takes the reader to the streets of the Roman Empire during the fourth century when a fateful debate over the divinity of Jesus Christ is being fought Ruled by a Christian emperor followers of Jesus no longer fear for the survival of their monotheistic faith But soon they break into two camps regarding the direction of their worship Is Jesus the son of God and therefore not the same as God Or is Jesus precisely God on earth and therefore equal to Him The vicious debate is led by two charismatic priests Arius an Alexandrian priest and poet preaches that Jesus though holy is less than God Athanasius a brilliant and violent bishop sees any diminution of Jesus s godhead as the work of the devil Between them stands Alexander the powerful Bishop of Alexandria who must find a resolution that will keep the empire united and the Christian faith alive With thorough historical religious and social research Rubenstein vividly recreates one of the most critical moments in the history of religion A splendidly dramatic story Rubenstein has turned one of the great fights of history into an engrossing story Jack Miles The Boston Globe author of *God A Biography* *When Jesus Became God* Richard E. Rubenstein, 2000 **Aristotle's Children** Richard E. Rubenstein, 2004-09-20 A true account of a turning point in medieval history that shaped the modern world from a superb storyteller and the author of *When Jesus Became God* Los Angeles Times Europe was in the long slumber of the Middle Ages the Roman Empire was in tatters and the Greek language was all but forgotten until a group of twelfth century scholars rediscovered and translated the works of Aristotle The philosopher s ideas spread like wildfire across Europe offering the scientific view that the natural world including the soul of man was a proper subject of study The rediscovery of these ancient ideas would spark riots and heresy trials cause major upheavals in the Catholic Church and also set the stage for today s rift between reason and religion Aristotle s *Children* transports us back to this pivotal moment in world history rendering the controversies of the Middle Ages lively and accessible and allowing us to understand the philosophical ideas that are fundamental to modern thought A superb storyteller who breathes new life into such fascinating figures as Peter Abelard Albertus Magnus St Thomas Aquinas Roger Bacon William of Ockham and Aristotle himself Los Angeles Times Rubenstein s lively prose his lucid insights and his crystal clear historical analyses make this a first rate study in the history of ideas Publishers Weekly **Early Controversies and the Growth of Christianity** Kevin W. Kaatz, 2012-02-13 This

revealing history examines the controversies maneuvering and political wrangling that occupied the Christian Church for the first four centuries of its existence Drawing from primary texts *Early Controversies and the Growth of Christianity* reveals how the religion was formed through a series of conflicts that occurred primarily between Christian groups Presenting a close examination of the first four centuries of Christian history through the lens of the controversies that animated disturbed and finally formed the Church the book will enable readers to become familiar with the lives and writings of the early Christians and to better understand the fascinating history of early Christianity The book focuses on several major early controversies These include controversies surrounding the apostle Paul controversies concerning the apostolic fathers especially the idea of a pope and the role of the bishop priest Marcion and his influence Manichaeism and Gnosticism persecution and the Donatists Arianism the rise of the bishop in the late 4th century and power struggles between church and state Each chapter focuses on the primary texts and key players in the battle over what would finally become orthodox Christianity demystifying many poorly understood events that ultimately helped define today's Church

Caesar Ate My Jesus Meg Gorzycki, 2017-06-09 What the hell happened on the way to making the world a better place We boomers were told our success would be unlimited We had democracy and capitalism and God was on our side We took our religious teachings seriously and set out to end bigotry violence and destitution Inevitably we collided with American Caesars whose power and wealth was sufficient to dominate national and international affairs Political and religious Caesars appropriated Jesus and used him to justify war sexism racism dictatorships and poverty What were the faithful to do Lots of boomers I know tossed the spiritual baby out with the religious institution's bathwater and became cynical about civic engagement It is not time to abandon hope in our goodness however and it is not time to surrender our conscience to Caesar Our experiences as boomers teach us that it is possible to bring the love of God to bear in our lives despite Caesar's constant pressure to cherish power wealth celebrity and things more than we cherish people This book is for folks who are ready to get off Caesar's treadmill and dig deeply into their hearts and minds to see what remains of the Kingdom of God within

100 reasons to be atheist Josep Valls Selga, 2024-04-11 Discover the groundbreaking exploration of faith in 100 Reasons to be Atheist and Yet Finding Meaning in Life Journey through time from ancient myths to modern memes as the author unravels the mysteries of religious beliefs Challenge the status quo question the divine and dive deep into the human psyche This isn't just a book it's an awakening As traditional theistic views are deconstructed a new path emerges a guide to finding purpose and profound meaning in a world beyond gods A must read for skeptics and seekers alike

Living to Die, Dying to Live Michael W. Shirey, 2019-10-03 Christianity is dying in parts of the world it is already dead Yet there is hope but it will require radical surgery that many are unprepared to accept as necessary The vast behemoth that calls itself institutional Christianity must die if the Jesus Movement upon which it was founded is to live The essential message of the Christian gospel is that death leads to new life Is Christianity ready to embrace this truth and die so that it can live

The Sign of the Cross Daniel

Rancour-Laferriere,2017-09-08 This book presents a unique effort to create a new understanding of the Christian sign of the cross At its core it traces the conscious and unconscious influence of this visual symbol through time What began as the crucifixion of a Jewish troublemaker in Roman occupied Judea in the first century eventually gave rise to a broad spectrum of readings of the instrument used to accomplish such a punishment a cross The author argues that Jesus was a provocative grandiose masochist whose suffering and death initially signified redemption for believers This idea gradually morphed into a Christian sense of freedom to persecute and wage war against non believers however as can be seen in the Crusades wars of the cross Many believers even construed the murder of their savior as a crime perpetrated by the Jews and this paranoid notion culminated in the mass murder of European Jews under the sign of the Nazi hooked cross Hakenkreuz Rancour Laferriere s book is expertly written and argued it will be readable to a large audience because it touches on many areas of controversy interest and scholarship The work is critical but not unfair it employs psychoanalysis art history the study of the symbol of the cross in works of art religion and religious texts and world history generally The interweaving of these various themes is what gives this work its ability to draw in readers and will ultimately be what keeps the reader interested through the conclusion

The Cambridge Companion to the Council of Nicaea Young Richard Kim,2021-01-07 Demonstrate the profound legacy of The Council of Nicaea with fresh sometimes provocative but always intellectually rich ideas

The Bible Says . . . Larry R. Kalajainen,2013-02-26 How can people taking diametrically opposing positions on contemporary issues dividing both religious communities and society quote the Bible in support of their views What does it mean to make a claim that the Bible says or teaches something Why appeal to the Bible at all Whose interpretation is the right one If you ve felt confused about the Bible s role or authority in such controversies this book may help The author draws upon his more than forty years of pastoral ministry and seminary teaching experience as he examines the Bible what it is and isn t how it came to be a sacred text for Jews and Christians what kind of authority it has and how that authority is used or misused He does not attempt to take a position on the controversial issues themselves but argues for understanding the Bible as a community product arising out of the historical life of communities of faith that then exerts a shaping or normative power in those communities through time and asks how the Bible and the Word of God may be related in constructive ways

Light Bruce Watson,2016-02-02 Light begins at Stonehenge where crowds cheer a solstice sunrise After sampling myths explaining First Light the story moves on to early philosophers queries then through the centuries from Buddhist temples to Biblical scripture when light was the soul of the divine Battling darkness and despair Gothic architects crafted radiant cathedrals while Dante dreamed a heaven of pure light Later following Leonardo s advice Renaissance artists learned to capture light on canvas During the Scientific Revolution Galileo gathered light in his telescope Descartes measured the rainbow and Newton used prisms to solidify the science of optics But even after Newton light was an enigma Particle or wave Did it flow through an invisible ether Through the age of Edison and into the age of lasers Light reveals how light sparked new wonders relativity

quantum electrodynamics fiber optics and more Although lasers now perform everyday miracles light retains its eternal allure For the rest of my life Einstein said I will reflect on what light is Light explores and celebrates such curiosity

Evolution Versus Revolution Melvyn L. Fein, 2017-07-05 Revolutionary and evolutionary theorists have very different views about change Fein writes in favour of evolution He proposes an integrated model of social evolution one that accounts for the complexity inconclusiveness and impediments that characterize social transformations This multi dimensional approach recognizes that change is always saturated in conflict Major changes are rarely initiated by conscious decisions that are automatically implemented power and morality generally control the direction that significant alterations take Fein explains how the social generalist dilemma places our need for both flexibility and stability in opposition to each other such that non rational mechanisms are needed to produce a solution He also describes how an inverse force rule dictates that small societies are bound together by strong social forces whereas large ones are secured by weak forces This suggests that social roles are likely to become professionalized over time If social change is in fact analogous to natural rather than artificial selection we may be in the midst of an only partially predictable middle class revolution Indeed the current impasse between liberals and conservatives may be evidence that we are in the consolidation phase of this process Should this be the case a paradigm shift not a classical revolution is in our future

American Lynching Ashraf H. A. Rushdy, 2012-10-30 A history of lynching in America over the course of three centuries from colonial Virginia to twentieth century Texas After observing the varying reactions to the 1998 death of James Byrd Jr in Texas called a lynching by some denied by others Ashraf Rushdy determined that to comprehend this event he needed to understand the long history of lynching in the United States In this meticulously researched and accessibly written interpretive history Rushdy shows how lynching in America has endured evolved and changed in meaning over the course of three centuries from its origins in early Virginia to the present day A work of uncommon breadth written with equally uncommon concision Excellent N D B Connolly Johns Hopkins University Provocative but careful opinionated but persuasive Beyond synthesizing current scholarship he offers a cogent discussion of the evolving definition of lynching the place of lynchers in civil society and the slow in coming end of lynching This book should be the point of entry for anyone interested in the tragic and sordid history of American lynching W Fitzhugh Brundage author of Lynching in the New South Georgia and Virginia 1880 1930 A sophisticated and thought provoking examination of the historical relationship between the American culture of lynching and the nation s political traditions This engaging and wide ranging meditation on the connection between democracy lynching freedom and slavery will be of interest to those in and outside of the academy William Carrigan Rowan University In this sobering account Rushdy makes clear that the cultural values that authorize racial violence are woven into the very essence of what it means to be American This book helps us make sense of our past as well as our present Jonathan Holloway Yale University

The Rise of Christianity Kevin W. Kaatz, 2015-12-07 An outstanding resource for high school readers and first year college students this

book explores early Christianity from its beginnings in the first century through the fourth century when Christianity went from a persecuted faith to the only legalized faith in the Roman Empire How did Christianity become one of the most widespread religions as well as one of the most influential forces in world history that has shaped politics wars literature art and music on every continent This book contains more than 40 entries on various topics in early Christianity 15 primary documents and 6 argumentative essays written by scholars in the field The breadth of materials enables readers to learn about early Christianity from a number of different viewpoints and to come to their own conclusions about how historical events unfolded in early Christianity This single volume work focuses on the first four centuries of early Christianity including topics on Jerusalem Herod the Great Paul Tertullian Mani The Arians Constantine the Great and many others Readers will be well equipped to answer three critical questions that scholars of early Christianity deal with when they study this period Why was Christianity popular Why were Christians persecuted How did Christianity spread

The Nonsense Papers James W. Astrada, 2012-09 The idea of aliens and UFOs has always played a crucial role in human history Regardless of the ridicule this mind set inspires in skeptics the intense speculation and debate on this topic continues to intrigue around the world Hundreds have shared detailed personal experiences of contact with these beings or crafts recounting a wide variety of alien interaction with our world and its peoples Yet the official explanations swamp gas weather balloons and more just don't match up with these reports The Nonsense Papers anthology explores these controversial and contemporary issues considering a wide variety of interrelated topics UFOs Military black projects based on alien technology Former NASA missions and the possible secrets they hold An alternative view on organized religious cults and how their origin by our creators from the stars Environmental issues including climate change Time travel Testimonies from those who offer insight on alien contact The future and fate of our planet after 2012 This collection also focuses on humanity and culture examining where we are headed if we continue down our current path It questions those who plan to save humanity by making exaggerated claims and impossible goals and challenges us to analyze and examine ourselves and our society as a whole It implores humans to use common sense rationality and logic as our present life seems void of feelings dreams hopes and desires Overall the only way humans can save these precious ideologies is in the discovery of ourselves

The Gospel According to Isaiah 53 Darrell L. Bock, Mitch Glaser, Written by eleven biblical scholars this study explores the theology of the suffering servant in Isaiah 53 and answers a number of important questions What is a Christian interpretation of Isaiah 53 What is a Jewish interpretation of Isaiah 53 How did the New Testament writers understand Isaiah 53 How should forgiveness and salvation be understood in Isaiah 53 How can Isaiah 53 be used in Jewish evangelism How do we preach Isaiah 53

God Against the Gods Jonathan Kirsch, 2005-01-25 Lively points out that the conflict between the worship of many gods and the worship of one true god never disappeared Publishers Weekly Jonathan Kirsch has written another blockbuster about the Bible and its world David Noel Freedman Editor in Chief of the Anchor Bible Project Kirsch tackles the

central issue bedeviling the world today religious intolerance A timely book well written and researched Leonard Shlain author of *The Alphabet and the Goddess* and *Sex Time and Power* An intriguing read *The Jerusalem Report* A timely tale about the importance of religious tolerance in today s world *San Francisco Chronicle* Kirsch is a fine storyteller with a flair for rendering ancient tales relevant and appealing *The Washington Post* [The Brother of Jesus and the Lost Teachings of Christianity](#) Jeffrey J. Bütz,2005-01-25 Reveals the true role of James the brother of Jesus in early Christianity Uses evidence from the canonical Gospels apocryphal texts and the writings of the Church Fathers to reveal the teachings of Jesus as transmitted to his chosen successor James Demonstrates how the core message in the teachings of Jesus is an expansion not a repudiation of the Jewish religion Shows how James can serve as a bridge between Christianity Judaism and Islam James has been a subject of controversy since the founding of the Church Evidence that Jesus had siblings contradicts Church dogma on the virgin birth and James is also a symbol of Christian teachings that have been obscured While Peter is traditionally thought of as the leader of the apostles and the rock on which Jesus built his church Jeffrey B tz shows that it was James who led the disciples after the crucifixion It was James not Peter who guided them through the Church s first major theological crisis Paul s interpretation of the teachings of Jesus Using the canonical Gospels writings of the Church Fathers and apocryphal texts B tz argues that James is the most overlooked figure in the history of the Church He shows how the core teachings of Jesus are firmly rooted in Hebraic tradition reveals the bitter battles between James and Paul for ideological supremacy in the early Church and explains how Paul s interpretations which became the foundation of the Church are in many ways its betrayal B tz reveals a picture of Christianity and the true meaning of Christ s message that are sometimes at odds with established Christian doctrine and concludes that James can serve as a desperately needed missing link between Christianity Judaism and Islam to heal the wounds of centuries of enmity **The World's Christians** Douglas Jacobsen,2011-03-21 Written by an award winning author this well organized and comprehensive introduction to global Christianity illuminates the many ways the world s Christians live their faith today Covers the entire globe Africa Asia and Latin America as well as Europe North America and the Pacific Provides impartial in depth descriptions of the world s four major Christian traditions Orthodox Catholic Protestant and Pentecostal Charismatic Utilizes the best available sources to produce an up to date profile of demographic trends in the Christian population Blends history sociology anthropology and theology to create a rich multi layered analysis of the world Christian movement Features clear maps and 4 color illustrations throughout the volume *Christ* Jack Miles,2011-04-27 With the same passionate scholarship and analytical audacity he brought to the character of God Jack Miles now approaches the literary and theological enigma of Jesus In so doing he tells the story of a broken promise God s ancient covenant with Israel and of its strange unlooked for fulfillment For having abandoned his chosen people to an impending holocaust at the hands of their Roman conquerors God in the person of Jesus chooses to die with them in what is effectively an act of divine suicide On the basis of this shocking argument Miles compels

us to reassess Christ's entire life and teaching His proclivity for the powerless and disgraced His refusal to discriminate between friends and enemies His transformation of defeat into a victory that redeems not just Israel but the entire world Combining a close reading of the Gospels with a range of reference that includes Donne Nietzsche and Elie Wiesel Christ A Crisis in the Life of God is a work of magnificent eloquence and imagination

FAQs About When Jesus Became God The Struggle To Define Christianity During Last Days Of Rome Richard E Rubenstein Books

What is a When Jesus Became God The Struggle To Define Christianity During Last Days Of Rome Richard E Rubenstein PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a When Jesus Became God The Struggle To Define Christianity During Last Days Of Rome Richard E Rubenstein PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a When Jesus Became God The Struggle To Define Christianity During Last Days Of Rome Richard E Rubenstein PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a When Jesus Became God The**

Struggle To Define Christianity During Last Days Of Rome Richard E Rubenstein PDF to another file format?

There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a When Jesus Became God The Struggle To Define Christianity During Last Days Of Rome Richard E Rubenstein PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
