[Cracking the SAT II](#) Princeton Review (Firm), 2003-03-11 Our inventive strategies and unique approach to standardized tests have revolutionized the test prep industry and made our SAT course the biggest in the world in just a few short years. The techniques we teach in our courses are in this book. And if it's on the SAT II French Subject Test, it's in this book. The Princeton Review realizes that acing the SAT II French Subject Test is very different from getting straight A's in school. We don't try to teach you everything there is to know about French; only the techniques you'll need to score higher on the exam. There's a big difference. In *Cracking the SAT II French*, we'll teach you how to think like the test writers and study effectively and know in advance what material is likely to be tested. Ace the exam by reviewing and mastering vocabulary, grammar, and reading comprehension. Use Process of Elimination and other techniques to solve difficult questions that will boost your score. This book includes two full-length practice SAT II French Subject Tests. All of our practice test questions are just like the ones you'll see on the actual exam, and we fully explain every solution.
