It's Halloween at Mythos Academy, and Gwen Frost and her friends are ready to have a little fun. But when a mythological monster shows up, the night turns out to be more trick than treat. Halloween Frost takes place in between the events of Touch of Frost, book #1, and Kiss of Frost, book #2, in the Mythos Academy young adult urban fantasy series. The short story is about 6,500 words. Halloween Frost was originally published in Entangled, A Paranormal Anthology, in 2011. A Spartan warrior-in-training decides to leave school—and the girl he loves—in this fantasy novella by the New York Times bestselling author. I'm Logan Quinn, the deadliest Spartan warrior at Mythos Academy. At least I was—until the day I almost killed Gwen Frost. Professor Metis and Nickamedes say that I'm fine, that Loki and the Reapers don't have a hold on me anymore, but I can't risk it. I can't risk hurting Gwen again. So I'm leaving Mythos and going somewhere far, far away. I know Gwen wonders what's happening to me, whether I'm safe. I can't tell her, but this is my story. An epic saga of heart-stopping romance, devastating secrets, and dark magic . . . a world where everything you love can be washed away. The first book in the new series from the #1 New York Times bestselling author of the Fallen series Never, ever cry. . . . Eureka Boudreaux's mother drilled that rule into her daughter years ago. But now her mother

is gone, and everywhere Eureka goes he is there: Ander, the tall, pale blond boy who seems to know things he shouldn't, who tells Eureka she is in grave danger, who comes closer to making her cry than anyone has before. But Ander doesn't know Eureka's darkest secret: ever since her mother drowned in a freak accident, Eureka wishes she were dead, too. She has little left that she cares about, just her oldest friend, Brooks, and a strange inheritance—a locket, a letter, a mysterious stone, and an ancient book no one understands. The book contains a haunting tale about a girl who got her heart broken and cried an entire continent into the sea. Eureka is about to discover that the ancient tale is more than a story, that Ander might be telling the truth . . . and that her life has far darker undercurrents than she ever imagined. on the film adaptation The seventh book in the hugely popular *Elemental Assassin* series by New York Times and USA TODAY bestselling author Jennifer Estep—Gin Blanco is back and ready for action. I used to murder people for money, but lately it's become more of a survival technique. Once an assassin, always an assassin. So much for being plain old Gin Blanco. With every lowlife in Ashland gunning for me, I don't need another problem, but a new one has come to town anyway. Salina might seem like a sweet Southern belle, but she's really a dangerous enemy whose water elemental magic can go head-to-head

with my own Ice and Stone power. Salina also has an intimate history with my lover, Owen Grayson, and now that she's back, she thinks he's hers for the taking. Salina's playing a mysterious game that involves a shady local casino owner with a surprising connection to Owen. But they call me the Spider for a reason. I'm going to untangle her deadly scheme, even if it leaves my love affair hanging by a thread. High school gets even harder when there's an evil god on the loose in the New York Times bestselling author's YA urban fantasy novel. My name is Gwen Frost, and I go to Mythos Academy, a school of myths, magic and warrior whiz kids. And now there's also Loki, the evil god I helped set free against my will. On the bright side, I finally got a date with Logan Quinn, the hottest—and deadliest—Spartan at Mythos. But I should have known it was destined to end in disaster. If we'd gotten into a swordfight, or been ambushed by Reapers, I'd have been more prepared. I definitely didn't expect to get arrested mid-sip at the local coffee hangout. I'm accused of purposely helping the Reapers free Loki—and the person leading the charge against me is Linus Quinn, Logan's dad. Now pretty much everyone at school thinks I'm guilty. If I'm going to get out of this mess alive, I'll have to do it myself. Hunting for the bad guys has never been so dangerous . . . My name is Rory Forseti, and I attend the Colorado branch of Mythos Academy, a school of warrior kids, powerful artifacts, and mythological monsters. I'm a student, a fierce Spartan warrior, and a member of Team Midgard, a group of kids and adults tasked with stopping the evil Reapers of Chaos. There is one Reaper I'm determined to hunt down above all others:

Covington, the man who murdered my parents. So when the Midgard gets a tip that Covington is going to try to steal a dangerous artifact, I'm ready to fight. But the situation is far more complicated than it seems, and the Reapers aren't my only enemies. I'll have to use all my Spartan strength and skills to survive this. And even then, it might be my blood that gets spilled . . .

Gladiator meets Game of Thrones: a royal woman becomes a skilled warrior to destroy her murderous cousin, avenge her family, and save her kingdom in this first entry in a dazzling fantasy epic from the New York Times and USA Today bestselling author of the Elemental Assassin series—an enthralling tale that combines magic, murder, intrigue, adventure, and a hint of romance. In a realm where one's magical power determines one's worth, Lady Everleigh's lack of obvious ability relegates her to the shadows of the royal court of Bellona, a kingdom steeped in gladiator tradition. Seventeenth in line for the throne, Evie is nothing more than a ceremonial fixture, overlooked and mostly forgotten. But dark forces are at work inside the palace. When her cousin Vasilina, the crown princess, assassinates her mother the queen and takes the throne by force, Evie is also attacked, along with the rest of the royal family. Luckily for Evie, her secret immunity to magic helps her escape the massacre. Forced into hiding to survive, she falls in with a gladiator troupe. Though they use their talents to entertain and amuse the masses, the gladiators are actually highly trained warriors skilled in the art of war, especially Lucas Sullivan, a powerful magier with secrets of his own. Uncertain of her future—or if she even has one—Evie begins training with the troupe until

she can decide her next move. But as the bloodthirsty Vasilias exerts her power, pushing Bellona to the brink of war, Evie's fate becomes clear: she must become a fearsome gladiator herself . . . and kill the queen. A young girl sets off on a journey of self-discovery in this "richly atmospheric" tale blending steampunk, adventure, and gothic romance (Kirkus Reviews). With her noticeably large hands and feet, Lena Mattacascar is undoubtedly different. Secretly, she's wondered if she might actually be Peculiar, and if her father—who left when she was only five years old—may have been Peculiar too. On her eighteenth birthday, Lena receives a letter that inspires her to leave the safety of the City and search for her father in the northern wilderness of Scree—a place inhabited by people whose own unusual characteristics make them unacceptable to modern society. Her journey leads to romance, danger, and a darkness she's never imagined. For in the wilds of Scree, she must confront her deepest fears . . . "Readers graduating from the stories of C.S. Lewis and Edward Eager will be right at home—and cat lovers will adore Jimson's employer's pet, Mrs. Mumbles. McQuerry's extensive world-building leaves open the possibility of future installments." —Publishers Weekly

The eighth hotly anticipated book in the Elemental Assassin series by New York Times bestselling author Jennifer Estep: it's Gin Blanco's party—and you'll cry if she wants you to. Red is definitely my color. Good thing, because in my line of work, I end up wearing it a lot. Most people shy away from blood, but for an assassin like me— Gin Blanco, aka the Spider—it's just part of the job. Still, it would be nice to get a night off, especially when I'm

attending the biggest gala event of the summer at Briartop, Ashland's fanciest art museum. But it's just not meant to be. For this exhibition of my late nemesis's priceless possessions is not only the place to be seen, but the place to be robbed and taken hostage at gunpoint as well. No sooner did I get my champagne than a bunch of the unluckiest thieves ever burst into the museum and started looting the place. Unlucky why? Because I brought along a couple of knives in addition to my killer dress. Add these to my Ice and Stone magic, and nothing makes me happier than showing the bad guys why red really is my color.

DEFIANCE IS TREASON. TREASON IS DEATH. A siege is laid against the last resistance to the Senate's rule. As the battle rages, a commander, a soldier, and a rebel will decide how far they are willing to go for victory. THE COMMANDER Marcus is forced to choose between destroying the rebel forces and liberating his legion. He must face the true cost of being a leader. And an oppressor. THE SOLDIER Agrippa sets his sights on glory to fill the deepening void within him. He discovers that the price of fame might not just be paid in blood, it might be paid by his heart. THE REBEL Silvara joins the rebel forces to fight against the legions who would see her family dead. While she dreams of being a warrior, she finds her sharpest weapon is seduction. But to defeat the Empire, she'll have to betray the young man who now has her heart. Inspired by the harsh world of ancient Rome, readers are obsessed with this martial tale of fiery romance, friendship, and enmity. Told from three points of view, TARNISHED EMPIRE is filled with twists you'll never see coming but will keep you turning the pages all night.

TARNISHED EMPIRE is set in the world of Danielle L. Jensen's DARK SHORES. But readers new to the world can begin here. "A spellbinding treat. . . . Galilee leaps through time and space to reveal an impressively majestic vision told in beautiful prose." —People A classic early work from master storyteller and New York Times bestselling author Clive Barker Rich and powerful, the Geary dynasty has reigned over American society for decades. But it is a family with dark, terrible secrets. For the Gearys are a family at war. Their adversaries are the Barbarossas, a clan whose timeless origins lie in myth, whose mystical influence is felt in intense, sensual exchanges of flesh and soul. Now their battle is about to escalate. When Galilee, prodigal prince of the Barbarossa clan, meets Rachel, the young bride of the Gearys' own scion Mitchell, they fall in love, consumed by a passion that unleashes long-simmering hatred. Old insanities arise, old adulteries are uncovered, and a seemingly invincible family will begin to wither, exposing its unholy roots. . . .

New school year, same old problems . . . At Mythos Academy, everyone knows exactly who I am: Rory Forseti, Spartan girl and the daughter of Reapers. Even though I fought alongside my cousin Gwen Frost to save the mythological world from Loki and his evil Reapers of Chaos, I'm still the most hated girl at the academy because of all the horrible things my parents did. I had hoped that this school year would be different, but the other kids just won't let me forget about my parents. But something strange is going on at the Colorado academy. First, I run into a Viking guy who dislikes me more than most. Then I notice some odd artifacts in the Library of

Antiquities. And worst of all, I start hearing rumors about a new group of Reapers who can summon mythological monsters. I might be the most hated girl at Mythos Academy, but I'm also the only one who can save it . . .

"An indulgently fun romp full of 'lochness' monsters, tree trolls, and housekeeping pixies . . . a welcome twist on familiar fantasy themes."—Publishers Weekly

It's not as great as you'd think, living in a tourist town that's known as "the most magical place in America." Same boring high school, just twice as many monsters under the bridges and rival Families killing each other for power. I try to keep out of it. I've got my mom's bloodiron sword and my slightly illegal home in the basement of the municipal library. And a couple of Talents I try to keep quiet, including very light fingers and a way with a lock pick. But then some nasty characters bring their Family feud into my friend's pawn shop, and I have to make a call—get involved, or watch a cute guy die because I didn't. I guess I made the wrong choice, because now I'm stuck putting everything on the line for Devon Sinclair. My mom was murdered because of the Families, and it looks like I'm going to end up just like her . . .

"Evan Quick, Hero's Log, May the 25th... and darn it – I just can't do this. I'm never going to be a Mask. Get over it Evan." Evan Quick has spent his whole life dreaming of becoming a hero. Every morning he wakes up and runs through a

checklist of test to see if he's developed powers over night, and every day it is the same thing – nothing. No flying, no super strength, no heat rays or cold beams. No invulnerability – that always hurt to check – no telepathy, no magic. Not even the ability to light a light bulb without flipping a switch. And now, he's finally ready to give up. But then, the class field trip to the Mask Museum is interrupted by a super villain attack, and Evan somehow manages to survive a death ray. Even better, Evan's favorite Mask, Captain Commanding, shows up to save them all -- and when things go very wrong, it's Evan who finds the strength to come to Captain Commanding's rescue. Yet the hero's reception Evan is expecting never happens. Before he even gets the chance to say hello, Evan is bundled away to The Academy, an institution derisively called The School for Sidekicks by its students. Forced to take classes like Banter Basics and Combat with Dinnerware, while being assigned as an 'apprentice' to Foxman – a Mask widely considered a has-been -- Evan starts to worry that he'll never be able to save the day... A teenage student of magical combat gets put to the test against an evil god in the New York Times bestselling author's YA urban fantasy novel. As a warrior-in-training at Mythos Academy, I've battled the Reapers of Chaos before—and survived. But this time I have a Bad, Bad Feeling it's going to be a fight to the death. . .most likely mine. Yeah, I've got my psychometry magic, my talking sword, Vic, and even the most dangerous Spartan on campus—Logan Quinn—at my side. But I'm still no match for Loki, the evil Norse god of chaos. I may be Nike's Champion, but at heart, I'm still just Gwen Frost, that weird

Gypsy girl everyone at school loves to gossip about. Then someone I love is put in more danger than ever before, and something inside me snaps. This time, Loki and his Reapers are going down for good . . . or I am. The full origin story of Gin Blanco's transformation into the fearsome assassin known as the Spider—from the bestselling author of *Heart of Venom*. How did I end up in a career where I always have blood on my hands? Well, let me tell you a story about an assassin who thought she could do no wrong . . . Ten years ago. A blistering hot August night. I remember like it was yesterday. The night I, Gin Blanco, truly became the Spider. Killing people is what I do best, especially now that I've honed my Ice and Stone magic. But back then, I had yet to learn one very important rule: arrogance will get you, every single time. This particular job seemed simple: murder a crooked building contractor with ties to ruthless Fire elemental Mab Monroe. My mentor, Fletcher Lane, had some misgivings, but I was certain that I had the situation under control . . . right up until I exposed my weaknesses to a merciless opponent who exploited every single one of them. There's a reason assassins aren't supposed to feel anything. Luckily, a knife to the heart can fix that problem, especially when I'm the one wielding it . . . "An amazing ride . . . The Spider made me fall in love with Gin all over again." —All Things Urban Fantasy "Estep did a great job of having a younger, more naïve, and a less patient Gin come across the page." —Vampire Book Club "I was tremendously satisfied and as anxious as ever for more from Ashland's greatest (semi-retired) assassin." —Smexy Books "The oldest and strongest emotion of mankind is fear, and the oldest and

strongest kind of fear is fear of the unknown." --H. P. LOVECRAFT, "Supernatural Horror in Literature" Howard Phillips Lovecraft forever changed the face of horror, fantasy, and science fiction with a remarkable series of stories as influential as the works of Poe, Tolkien, and Edgar Rice Burroughs. His chilling mythology established a gateway between the known universe and an ancient dimension of otherworldly terror, whose unspeakable denizens and monstrous landscapes--dread Cthulhu, Yog-Sothoth, the Plateau of Leng, the Mountains of Madness--have earned him a permanent place in the history of the macabre. A lifetime of chore charts, to-do lists and study schedules have helped earn her a spot at Redwood State University's engineering program. So nothing surprises her more

than catching the eye of Tyr Fredriksen at her first college party. The imposing Swede is arrogantly charming, stubbornly overprotective, and runs hot-and-cold in ways that defy reason . . . until Mia learns that she's fallen for the Norse God of War; an immortal battle deity hiding on Midgard (Earth) to protect a valuable Asgardian treasure from a feral enemy. With a price on his head, Tyr brings more than a little excitement to Mia's rigidly controlled life. Choosing Tyr may be the biggest distraction—or the greatest adventure—she's ever had. A teenage girl with a unique gift finds herself in a world of trouble—and a school for warriors—in this YA fantasy series prequel novella. I am Gwen Frost, and I have a Gypsy gift. It's called psychometry – that's a fancy way of saying that I see flashes of other people's memories when I touch almost anything, even guys. My gift makes me kind of nosy. Okay, maybe a lot nosy. But even I don't want to know the secrets my friend Paige is hiding or the terrible loss that will send me to a new school—Mythos Academy, where instead of preparing for the SAT's the students prepare to battle Reapers of Chaos. Now I have no friends and no idea how my gift fits in with all these warrior whiz kids. The only thing I do know is that my life is never, ever going to be the same. War Hero. Thieftmaster's apprentice. Traitors. Every title comes with a price. Arkaen is a godsdamned saint. He sacrificed his childhood innocence fighting for the beleaguered rebellion in a civil war and relinquished a comfortable life with the man he loves to reclaim his place as high lord from corrupt nobles. Now, a hidden enemy is manipulating his lower lords into talk of rebellion, including the powerful Rogue Baron who is slowly swaying the city into questioning every move Arkaen makes. With the help of his near-omniscient lover's gift of foresight, Arkaen finds a potential ally in Niamsha, a

reluctant thief trying to pay for her brother's education. But Niamsha owes an insurmountable debt to the mysterious leader of her thieves guild and failing to pay means death for her entire family. When her guild leader demands she join forces with the Rogue Baron himself, she finds herself caught in a political battle beyond her skills. Torn between protecting her family and following her conscience, Niamsha doesn't know who to trust. If Arkaen can win Niamsha's loyalty, he might just prevent a second civil war and the destruction of everything he fought to protect. Or he might get them all killed. Hunting for the bad guys has never been so dangerous . . .

My name is Rory Forseti, and I attend the Colorado branch of Mythos Academy, a school of warrior kids, powerful artifacts, and mythological monsters. I'm a student, a fierce Spartan warrior, and a member of Team Midgard, a group of kids and adults tasked with stopping the evil Reapers of Chaos. There is one Reaper I'm determined to hunt down above all others: Covington, the man who murdered my parents. So when the Midgard gets a tip that Covington is going to try to steal a dangerous artifact, I'm ready to fight. But the situation is far more complicated than it seems, and the Reapers aren't my only enemies. I'll have to use all my Spartan strength and skills to survive this. And even then, it might be my blood that gets spilled . . .

The new girl at a school for mythical warriors is out to solve her classmate's murder in the New York Times bestselling author's YA fantasy series debut. My name is Gwen Frost, and I go to Mythos Academy—a school of myths, magic and warrior whiz kids, where even the lowliest geek knows how to chop off somebody's head with a sword. Logan Quinn, the

hottest Spartan guy in school, also happens to be the deadliest. But lately, things have been weird, even for Mythos. First, mean girl Jasmine Ashton was murdered in the Library of Antiquities. Then, someone stole the Bowl of Tears, a magical artifact that can be used to bring about the second Chaos War. That kinda puts us on the verge of death, destruction and lots of other bad, bad things. Now I'm determined to find out who killed Jasmine and why – especially since I should have been the one who died. Follow Gin Blanco, a kick-butt female assassin who moonlights at a BBQ joint in Tennessee, as she searches for the person who double-crossed her in this heart-pounding and fresh paranormal romance series. After Gin's family was murdered by a Fire elemental when she was thirteen, she lived on the streets and eventually became an assassin to survive. Now, Gin is assigned to rub out an Ashland businessman, but it turns out to be a trap. After Gin's handler is brutally murdered, she teams up with the sexy detective investigating the case to figure out who double-crossed her and why. Only one thing is for sure—Gin has no qualms about killing her way to the top of the conspiracy. Surviving a Reaper attack at the Library of Antiquities, Gwen Frost, still struggling with the pain of losing Logan, races against time and fights formidable Reaper adversaries to find an antidote to cure a poisoned student.
