Make It Matter Nov 15 2021 How do you motivate the disengaged, and further engage the engaged? The answer is to foster meaning at work and give work a greater sense of personal significance, thus making work matter. The startling truth is that 70% of the workforce is disengaged - their bodies may put in long hours, but their hearts and minds never punch in. This is a terrible dilemma for organizations trying to motivate employees to do more with less. Make It Matter is the antidote to crisis levels of disengagement and the first book that serves as a practical, yet inspiring how-to guide for motivating by creating meaning? - the?motivational force of our times. Distilling research, case studies, stories, and interviews with managers at great companies to work for, leadership expert Scott Mautz unveils 7 essential Markers of Meaning that can be triggered to create meaning in and at work. You'll get dozens of tools and learn about the power of: Direction - Reframe work to add meaning and motivation, and help people find a sense of significance and purpose in what they do Discovery - Craft the richest kind of opportunities to learn, grow, and influence, while helping people feel valued Devotion - Cultivate an authentic, caring culture, master meaning-making leadership behaviors, and drive out corrosive behaviors that can unknowingly drain meaning at work When people feel that they matter, they give their all. Channel that power and everyone profits.

Everyone Deserves a Great Manager Aug 05 2023 ***A WALL STREET JOURNAL BESTSELLER*** From the organizational experts at FranklinCovey, an essential guide to becoming the great manager every team deserves. A practical must-read, FranklinCovey's Everyone Deserves a Great Manager is the essential guide for the millions of people all over the world making the challenging and rewarding leap to

manager. Based on nearly a decade of research on what makes managers successful—and includes new ways of thinking, tips and techniques—this volume has been field-tested with hundreds of thousands of managers all over the world. Organized under four main roles every manager is expected to fill, *Everyone Deserves a Great Manager* focuses on how to lead yourself, people, teams, and change. Readers can start anywhere and go everywhere with this guide—depending on their current problem or time constraint. They can pick up a helpful tip in ten minutes or glean an entire skillset with deeper reading. The goal is for the busy manager to know what to do and how to do it without interrupting their regular workflow. Each role highlights the current, authentic problems managers face and briefly explores the limiting mindsets or common mistakes that led to those problems. With skill-based chapters that cover managerial skills like one-on-ones, giving feedback, delegating, hiring, building team culture, and leading remote teams, the book also includes more than thirty unique tools, such as a prep worksheets and a list of behavioral questions for your next interview. An approachable, engaging style using real-world stories, *Everyone Deserves a Great Manager* provides the blueprint for becoming the great manager every team deserves.

Conservation of Wildlife Populations Jun 22 2022 Population ecology has matured to a sophisticated science with astonishing potential for contributing solutions to wildlife conservation and management challenges. And yet, much of the applied power of wildlife population ecology remains untapped because its broad sweep across disparate subfields has been isolated in specialized texts. In this book, L. Scott Mills covers the full spectrum of applied wildlife population ecology, including genomic tools for non-invasive genetic sampling, predation, population projections, climate change and invasive species, harvest modeling, viability analysis, focal species concepts, and analyses of connectivity in fragmented landscapes. With a readable style, analytical rigor, and hundreds of examples drawn from around the world, *Conservation of Wildlife Populations* (2nd ed) provides the conceptual basis for applying population ecology to wildlife conservation decision-making. Although targeting primarily undergraduates and beginning graduate students with some basic training in basic ecology and statistics (in majors that could include wildlife biology, conservation biology, ecology, environmental studies, and biology), the book will also be useful for practitioners in the field who want to find - in one place and with plenty of applied examples - the latest advances in the genetic and demographic aspects of population ecology. Additional resources for this book can be found at: www.wiley.com/go/mills/wildlifepopulations.

Property Management by Scott Bolinger Aug 25 2022 This book covers how to create a diversified property management business through, property preservation , land lord, house inspections, and has some standard forms for running a business and standard forms for keeping records for taxes.

Contemporary Leadership in Sport Organizations Oct 07 2023 "This book provides a foundational and contextualized body of information regarding contemporary leadership thought and practice that will inform, assist, and hopefully inspire students and practitioners of sport management. The scope of the text includes issues and examples related to leading sport organizations across youth, recreational, interscholastic, intercollegiate, professional, and the rapidly growing esports industry"--

Portfolio Management May 02 2023 A career's worth of portfolio management knowledge in one thorough, efficient guide *Portfolio Management* is an authoritative guide for those who wish to manage money professionally. This invaluable resource presents effective portfolio management practices supported by their underlying theory, providing the tools and instruction required to meet investor objectives and deliver superior performance. Highlighting a practitioner's view of portfolio management, this guide offers real-world perspective on investment

processes, portfolio decision making, and the business of managing money for real clients. Real world examples and detailed test cases—supported by sophisticated Excel templates and true client situations—illustrate real investment scenarios and provide insight into the factors separating success from failure. The book is an ideal textbook for courses in advanced investments, portfolio management or applied capital markets finance. It is also a useful tool for practitioners who seek hands-on learning of advanced portfolio techniques. Managing other people's money is a challenging and ever-evolving business. Investment professionals must keep pace with the current market environment to effectively manage their client's assets while students require a foundation built on the most relevant, up-to-date information and techniques. This invaluable resource allows readers to: Learn and apply advanced multi-period portfolio methods to all major asset classes. Design, test, and implement investment processes. Win and keep client mandates. Grasp the theoretical foundations of major investment tools Teaching and learning aids include: Easy-to-use Excel templates with immediately accessible tools. Accessible PowerPoint slides, sample exam and quiz questions and sample syllabi Video lectures Proliferation of mathematics in economics, growing sophistication of investors, and rising competition in the industry requires advanced training of investment professionals. Portfolio Management provides expert guidance to this increasingly complex field, covering the important advancements in theory and intricacies of practice.

Project Management for Healthcare Information Technology Jan 30 2023 A Proven, Integrated Healthcare Information Technology Management Solution Co-written by a certified Project Management Professional and an M.D., Project Management for Healthcare Information Technology presents an effective methodology that encompasses standards and best practices from project management, information technology management, and change management for a streamlined transition to digital medicine. Each management discipline is examined in detail and defined as a set of knowledge areas. The book then describes the core processes that take place within each knowledge area in the initiating, planning, executing, controlling, and closing stages of a project. Real-world examples from healthcare information technology project leaders identify how the integrated approach presented in this book leads to successful project implementations. Coverage Includes: Integrating project, information technology, and change management methodologies PMBOK Guide process groups--initiating, planning, executing, controlling, and closing Project management knowledge areas--integration, scope, time, cost, quality, human resource, communication, risk, and procurement management IT management knowledge areas--user requirements, infrastructure, conversion, software configuration, workflow, security, interface, testing, cutover, and support management Change management knowledge areas--realization, sponsorship, transformation, training, and optimization management

Guide to Supply Chain Management Mar 12 2024 This essential guide brings supply chain theory to life. Intended for readers with a business interest in supply chain management, the book covers the key topics in eleven chapters, including planning, sourcing, making, delivering and returning, as well as strategy, people, finance, customer service and outsourcing. Each chapter starts with a brief summary and learning objectives that guide the reader through the text. This second edition also explores digital, sustainability and innovation impacts on today's global supply chains. The book is written in a clear and simple way, featuring a variety of figures, tables and recommendations for further reading. The respective chapters conclude with real-life case studies from different companies, illustrating best practices. In the course of their work, the authors have met professionals all over the world who are passionate about their business achievements. By including their vivid examples, the guide brings theory to life, enabling readers to understand and embrace the concepts and ideas presented. Colin Scott, Henriette Lundgren and

Paul Thompson are experts in supply chain management and have worked with practitioners in businesses across the globe. Endorsement: This guide is a really useful reminder of what good practice is and how it should be applied within supply chain management. The book is relevant for students of supply chain management and professional practitioners alike. This book offers an invaluable guide to understanding the specific dynamics of your supply chain and the fundamentals underpinning it. It provides the framework for delivering a supply chain strategy based upon recognised best practice. Martin McCourt, CEO, Dyson Limited .

Radical Candor Jul 24 2022 Radical Candor is the sweet spot between managers who are obnoxiously aggressive on the one side and ruinously empathetic on the other. It is about providing guidance, which involves a mix of praise as well as criticism, delivered to produce better results and help employees develop their skills and boundaries of success. Great bosses have a strong relationship with their employees, and Kim Scott Malone has identified three simple principles for building better relationships with your employees: make it personal, get stuff done, and understand why it matters. Radical Candor offers a guide to those bewildered or exhausted by management, written for bosses and those who manage bosses. Drawing on years of first-hand experience, and distilled clearly to give actionable lessons to the reader, Radical Candor shows how to be successful while retaining your integrity and humanity. Radical Candor is the perfect handbook for those who are looking to find meaning in their job and create an environment where people both love their work, their colleagues and are motivated to strive to ever greater success.

Essentials of Operations Management May 14 2024 Discusses the major topics and strategies that relate to operations management. Covers “modern” subjects such as human resources in operations, facility location, "green" operations, and the balanced scorecard approach to operations. Includes end-of-chapter projects and exercises, plus review questions and summary points.

Leading from the Middle Dec 09 2023 The definitive playbook for driving impact as a middle manager *Leading from the Middle: A Playbook for Managers to Influence Up, Down, and Across the Organization* delivers an insightful and practical guide for the backbone of an organization: those who have a boss and are a boss and must lead from the messy middle. Accomplished author and former P&G executive Scott Mautz walks readers through the unique challenges facing these managers, and the mindset and skillset necessary for managing up and down and influencing what happens across the organization. You'll learn the winning mindset of the best middle managers, how to develop the most important skills necessary for managing from the middle, how to create your personal Middle Action Plan (MAP), and effectively influence: Up the chain of command, to your boss and those above them Down, to your direct reports and teams who report to you Laterally, to peers and teams you have no formal authority over Anyone in an organization who reports to someone and has someone reporting to them must lead from the middle. They are the most important group in an organization and have a unique opportunity to drive impact. *Leading from the Middle* explains how.

West Point Leadership Lessons Aug 13 2021 Author Scott Snair got admitted to West Point Military Academy, the U.S. Army's elite university, the hard way: rising through the enlisted ranks until he was almost too old to qualify for admission. He rose to become the president of his graduating class. Because he is a Desert Storm veteran, Snair's sincerity is beyond question. His book, if not distinctive, is as solid as the paint job on an M1-A1 Abrams tank and rolls sturdily through a market filled with books that extend the military leadership model into the realm of business. Although Snair's efforts to apply military lessons to business situations seem strained, his anecdotes are interesting and his principles are rock-solid and time-tested. He believes in establishing your leadership chops by seeking additional responsibility, and in fulfilling your

commitments with honor and integrity. getAbstract.com salutes that and agrees that his book will help you be a better leader. Professionals with an interest in the military will find it particularly engaging.

Management Jul 04 2023

Somehow, I Manage Jan 18 2022 Finally, Michael Scott has published his long-awaited management manuscript from the hit NBC television show, *The Office*. **SOMEHOW, I MANAGE** is the first and only collection of wisdom from the World's Best Boss, Michael Scott. From conflict resolution to the art of dating your boss, **SOMEHOW, I MANAGE** is the inspiring words and advice regarding leadership and management in today's every-changing workplace. It's the perfect read for any *The Office* fan!

Lead with Hospitality Jul 12 2021 Across all industries and levels of organizations, one key leadership trait inspires and motivates more than any other: hospitality. We have all encountered inspirational leaders who've helped us, taught us, encouraged us, pushed us to get outside our comfort zones, or motivated us to become the best version of ourselves. What is it about their leadership styles that inspires us to do more for our team and our personal and professional growth? Turns out, we admire these leaders for the same reasons we love our favorite hotels, resorts, restaurants, or bars: How they make us feel is essential. Members of today's workforce—especially millennials and Gen Z—are looking for inspiring environments and work that truly fulfills them. Before anyone is compelled to do anything they first must feel. Speaker, consultant, and hospitality industry veteran Taylor Scott knows that the most effective leaders approach their roles with heart, emotionally connecting with their team members before attempting to manage them. Scott draws from his two decades in leadership roles at respected hotels, resorts, and restaurants. He distills the principles of gracious hospitality, translating them into actionable leadership lessons which apply in any industry, such as:

- How making people feel welcome fosters loyalty and keeps workers engaged with an organization's purpose
- How serving people with empathy and compassion sparks workers' highest productivity
- How making people feel comfortable encourages exploration, curiosity, and discovery while inviting everyone to lean into their creativity
- How making people feel significant drives them to deliver their best work

He also shares specific, practical steps you can take to put these principles into action. Scott shows how to connect, serve, engage, coach, and inspire your peers, teams, and even your own leaders. *Lead with Hospitality* is a call to action to connect with people on a human level which ultimately inspires teams, organizations, and companies to go to the next level.

Leading from the Middle Nov 08 2023 The definitive playbook for driving impact as a middle manager *Leading from the Middle: A Playbook for Managers to Influence Up, Down, and Across the Organization* delivers an insightful and practical guide for the backbone of an organization: those who have a boss and are a boss and must lead from the messy middle. Accomplished author and former P&G executive Scott Mautz walks readers through the unique challenges facing these managers, and the mindset and skillset necessary for managing up and down and influencing what happens across the organization. You'll learn the winning mindset of the best middle managers, how to develop the most important skills necessary for managing from the middle, how to create your personal Middle Action Plan (MAP), and effectively influence: Up the chain of command, to your boss and those above them Down, to your direct reports and teams who report to you Laterally, to peers and teams you have no formal authority over Anyone in an organization who reports to someone and has someone reporting to them must lead from the middle. They are the most important group in an organization and have a unique opportunity to drive impact. *Leading from the Middle* explains how.

Management Apr 13 2024

Management in the Modern Organization Mar 08 2021

Productivity Management May 10 2021 Written by a well-known authority in the field, this practical reference focuses on the definition of productivity and how increasing productivity is measured, managed, paid for, and improved. Managing Human Resources Feb 11 2024 "The 18th edition ... will place your students at the forefront of understanding how organizations can gain a sustainable competitive advantage through people."--Preface

Leading Organizations Apr 08 2021 The guide for all leaders and senior managers, offering the answers to critical questions on organizational design and management. Every year, over 10,000 business books are published-and that's before you add in the hundreds of thousands of articles, blogs, and video lectures that are produced. Leaders can't possibly hope to digest it all, and writers increasingly sensationalize and spin their ideas in order to be noticed. The result? Put quite simply, the field of management thinking is in danger of losing the plot. In this new book, Scott Keller and Mary Meaney-Senior Partners at McKinsey & Company, the world's preeminent management consultancy-cut to the chase by answering the 10 most important and timeless questions that every leader needs to answer in order to maximize the performance and health of their organization. What's more, the authors recognize that great leaders may not have time for long-winded business books. In *Leading Organizations*, answers are kept to the essentials-hard facts, counter-intuitive insights, and practical steps-all presented in an accessible and highly visual format. If there's one essential business book you should read-ever-it's this one.

Forbes Holiday Wish List. Your Leadership Skills Are About to Change. Millions have read the all-time global best seller *The 7 Habits of Highly Effective People* by Stephen R.

Covey. Both leaders and individuals have been inspired and transformed by its universal principles of effectiveness, including Scott Jeffrey Miller. Scott Miller knows what it's like to fail. He was demoted from his first leadership position after only three weeks--and that's just one of several messy management experiences on his two-decade journey to leadership success. Everyone fails. But something sets Scott apart: transparency and willingness to openly share his story in a way that is forthright, relatable, and applicable. You can become a better leader. In Miller's Management Mess to Leadership Success you'll find 30 leadership challenges that can, when applied, change the way you manage yourself, lead others, and produce results. The wisdom in Scott's book was learned through hard knocks and was honed by Stephen R. Covey and the FranklinCovey team through years of research and corporate training experience. Learn to: Lead difficult conversations, celebrate success Inspire trust, actively listen, challenge paradigms Put the right people in the right roles Create a clear and actionable team vision Get the right results?in the right way Fans of The 7 Habits of Highly Effective People who have read and liked Radical Candor, Dare to Lead, or Mastering Leadership will love Scott Miller's Management Mess to Leadership Success.

Radical Candor: Fully Revised & Updated Edition Oct 15 2021 * New York Times and Wall Street Journal bestseller multiple years running * Translated into 20 languages, with more than half a million copies sold worldwide * A Hudson and Indigo Best Book of the Year * Recommended by Shona Brown, Rachel Hollis, Jeff Kinney, Daniel Pink, Sheryl Sandberg, and Gretchen Rubin Radical Candor has been embraced around the world by leaders of every stripe at companies of all sizes. Now a cultural touchstone, the concept has come to be applied to a wide range of human relationships. The idea is simple: You don't have to choose between being a pushover and a jerk. Using Radical Candor—avoiding the perils of Obnoxious Aggression, Manipulative Insincerity, and Ruinous Empathy—you can be kind and clear at the same time. Kim Scott was a highly successful leader at Google before decamping to Apple, where she developed and taught a management class. Since the original publication of Radical Candor in 2017, Scott has earned international fame with her vital approach to effective leadership and co-founded the Radical Candor executive education company, which helps companies put the book's philosophy into practice. Radical Candor is about caring personally and challenging directly, about soliciting criticism to improve your leadership and also providing guidance that helps others grow. It focuses on praise but doesn't shy away from criticism—to help you love your work and the people you work with. Radically Candid relationships with team members enable bosses to fulfill their three core responsibilities: 1. Create a culture of Compassionate Candor 2. Build a cohesive team 3. Achieve results collaboratively Required reading for the most successful organizations, Radical Candor has raised the bar for management practices worldwide.

The Year Without Pants Feb 04 2021 A behind-the-scenes look at the firm behind WordPress.com and the unique work culture that contributes to its phenomenal success 50 million websites, or twenty percent of the entire web, use WordPress software. The force behind WordPress.com is a convention-defying company called Automattic, Inc., whose 120 employees work from anywhere in the world they wish, barely use email, and launch improvements to their products dozens of times a day. With a fraction of the resources of Google, Amazon, or Facebook, they have a similar impact on the future of the Internet. How is this possible? What's different about how they work, and what can other companies learn from their methods? To find out, former Microsoft veteran Scott Berkun worked as a manager at WordPress.com, leading a team of young programmers developing new ideas. The Year Without Pants shares the secrets of WordPress.com's phenomenal success from the inside. Berkun's story reveals insights on creativity, productivity, and leadership from the kind of workplace that might be in everyone's future. Offers a

fast-paced and entertaining insider's account of how an amazing, powerful organization achieves impressive results Includes vital lessons about work culture and managing creativity Written by author and popular blogger Scott Berkun (scottberkun.com) The Year Without Pants shares what every organization can learn from the world-changing ideas for the future of work at the heart of Automatic's success.

Total Leadership Apr 01 2023 National Bestseller "Students talk about Stewart D. Friedman, a management professor at the Wharton School, with a mixture of earnest admiration, gratitude and rock star adoration." —New York Times In this national bestseller, Stew Friedman gives you the tools you need to achieve "four-way wins"—improved performance in all domains of life: work, home, community, and self. Friedman, celebrated professor and founding director of the Wharton School's Leadership Program and its Work/Life Integration Project, explains how three simple yet potent principles—be real, be whole, and be innovative—can help you, no matter what your age or what you do for work, become a better leader and have a richer life. In this engaging adaptation of his hands-on Wharton course, he offers step-by-step instruction to help you create positive, sustainable change in your world. This proven, programmatic method teaches you how to produce stronger results at work, find clearer purpose, feel less stressed, strengthen connections with the people who matter most to you, contribute further to important causes, and gain greater support for your vision of your future. If you're ready to learn to lead in all parts of your life—this is the book for you. For a full array of Total Leadership tips and tools, visit totalleadership.org. Also look for Stew Friedman's book, *Leading the Life You Want*, which builds on Total Leadership by profiling well-known leaders—from Bruce Springsteen to Michelle Obama—who exemplify its principles and demonstrate how success in your work is accomplished not at the expense of the rest of your life, but as the result of meaningful attachments to all its parts.

From Techie to Boss Sep 25 2022 *From Techie to Boss* teaches technical people who are making or mulling the transition from team player to team leader all the management techniques and soft leadership skills they never needed before—but need now, pronto. Veteran team lead and project manager Scott Cromar lays out the classical management training course, but stripped down to precisely the essentials that techies need to start managing on the fly. He gets it that a front-line techie getting a field promotion to team leader just doesn't have the time to wade through an MBA textbook bulging with irrelevant material. The author appreciates how you got to the place where you need this book. Management tapped you instead of some experienced manager from the outside because you know the technical challenges, company culture, and team players better than anyone else: you're ready to hit the ground running. But the skills that make you an excellent techie are not sufficient to make you a successful manager. The rules of your world have abruptly changed. You will now be judged not by your puzzle-solving elegance but by how effectively your team contributes to the organization's bottom line. *From Techie to Boss* shows you how to translate and adapt the analytic skills that made you an outstanding techie to your new responsibilities as a technical manager. Even more crucially, this book teaches you a whole new set of interpersonal, organizational, and metrical skills you never needed before, but without which you cannot succeed as a manager.

Management Mess to Leadership Success Dec 29 2022 Take The 7 Habits of Highly Effective People to an Entirely New Level Your Leadership Skills Are About to Change. Millions have read the all-time global best seller *The 7 Habits of Highly Effective People* by Stephen R. Covey. Both leaders and individuals have been inspired and transformed by its universal principles of effectiveness, including Scott Jeffrey Miller. Miller, a student and personal friend of Stephen R. Covey, is now the new millennial voice of FranklinCovey leadership. Scott Jeffrey Miller knows what it's like to fail. He was demoted from his first leadership position after only three weeks?and that's just one of several messy management

experiences on his two-decade journey to leadership success. Scott's not alone. Everyone fails. But something sets Scott apart: his transparency and willingness to openly share his story in a way that is forthright, relatable and applicable. Thirty leadership challenges you can apply now. In Miller's *Management Mess to Leadership Success* you'll find 30 leadership challenges that can, when applied, change the way you manage yourself, lead others, and produce results. The wisdom in Scott's book was learned through hard knocks and was honed by Stephen R. Covey and the FranklinCovey team through years of research and corporate training experience. Illustrated with Scott's real-life experiences, these challenges will teach you how to:

- Lead difficult conversations and celebrate success
- Inspire trust, actively listen, and challenge paradigms
- Put the right people in the right roles
- Create a clear and actionable vision for your team
- Accomplish your organization's Wildly Important Goals®
- Get the right results?in the right way
- Become the leader you would follow

Fans of *The 7 Habits of Highly Effective People* who have read and liked *Radical Candor*, *Dare to Lead*, and *Mastering Leadership* will love Scott Miller's *Management Mess to Leadership Success: 30 Leadership Challenges to Be The Leader You Would Follow*.

Management Mess to Leadership Success Feb 16 2022 In Miller's *Management Mess to Leadership Success* you'll find 30 leadership challenges that can, when applied, change the way you manage yourself, lead others, and produce results. Written from the ground up to be brief, lean, and flexible enough to enable you to cover just the topics you want at the level of depth you want, while still maintaining the integrity of the content.

Random Acts of Management Apr 20 2022 In Random Acts of Management, cartoonist Scott Adams offers sardonic glimpses once again into the lunatic office life of DILBERT, Dogbert, Wally, and others, as they work in an all-too-believable ludicrous setting filled with incompetent management, incomprehensible project acronyms, and minuscule raises. Everyone, it seems, identifies with DILBERT, who struggles to navigate the constant tribulations of absurd company policies and idiot management strategies. Syndicated since 1989, DILBERT appears in more than 1,900 newspapers in fifty-seven countries. DILBERT also appears in his own weekly television show, and on calendars, greeting cards, and Dilberitos.

The Quality Movement and Organization Theory Jun 10 2021 Bridging theory and practice, the contributors assess new quality approaches, how they work, and the conditions under which they are effective.

Dogbert's Top Secret Management Handbook Mar 20 2022 Why do all modern managers do the same bizarre things? Are these methods taught in business schools? Do managers learn by watching more experienced managers? Is it the result of mentoring? None of the above! Every manager follows the doctrine set out in Dogbert's Top Secret Management Handbook. Here you can learn about: Pretending to care -- how to hear without listening! Making decisions -- be a leader without making any! Empty promises of promotion -- enjoy all the motivational benefits with none of the costs! An essential management bible for new managers, teaching them how to transform themselves from bitter and bewildered 'little people' into fully functioning, paradigm-spewing management zombies!

Art of Project Management Sep 06 2023 The Art of Project Management covers it all--from practical methods for making sure work gets done right and on time, to the mindset that can make you a great leader motivating your team to do their best. Reading this was like reading the blueprint for how the best projects are managed at Microsoft ... I wish we always put these lessons into action!"--Joe Belfiore, General Manager, E-home Division, Microsoft Corporation "Berkun has written a fast paced, jargon-free and witty guide to what he wisely refers to as the 'art' of project management. It's a great introduction to the discipline. Seasoned and new managers will benefit from Berkun's perspectives." --Joe Mirza, Director, CNET Networks (Cnet.com) "Most books with the words 'project management' in the title are dry tomes. If that's what you are expecting to hear from Berkun's book, you will be pleasantly surprised. Sure, it's about project management. But it's also about creativity, situational problem-solving, and leadership. If you're a team member, project manager, or even a non-technical stakeholder, Scott offers dozens of practical tools and techniques you can use, and questions you can ask, to ensure your projects succeed." --Bill Bliss, Senior VP of product and

customer experience, expedia.com In *The Art of Project Management*, you'll learn from a veteran manager of software and web development how to plan, manage, and lead projects. Topics include: How to make things happen Making good decisions Specifications and requirements Ideas and what to do with them How not to annoy people Leadership and trust The truth about making dates What to do when things go wrong

The Concise Handbook of Management Dec 17 2021 Discover the practical tips to make you an effective, customer-oriented manager! Focusing on the pervading belief that everything a manager does must be customer oriented, *The Concise Handbook of Management: A Practitioner's Approach* gives you an overview of everything you need to know about managing in one practical, concise book. This plain-talking guide not only explains management theories, but also presents commonsense suggestions on the best ways to effectively manage people and things, no matter what type of business you are in. Taking a practitioner's approach of discussing management issues with customers ultimately in mind, this practical book motivates, is easily understandable, and is entertaining to boot. *The Concise Handbook of Management: A Practitioner's Approach* uses succinct chapters with several real stories and case studies designed to clearly illustrate each concept and suggestion. Written with the busy manager in mind, each chapter is compact, clear, true-to-life, and is always aimed at the bottom line. The book includes a small business marketing and promotion checklist, a helpful bibliography, and a useful glossary of terms. *The Concise Handbook of Management: A Practitioner's Approach* explores: the first three steps in becoming a good manager understanding the importance of customers getting the most from employees management competencies and styles organizational structures and cultures managing change managing conflict and stress managing teams and workgroups ethics leadership managing time written business communication mastering the skills of a presentation dealing with people in the workplace a small business marketing checklist project or program planning the marketing basics—product—strategy—marketing—pricing developing external and internal customers *The Concise Handbook of Management: A Practitioner's Approach* proves the adage that less is more, and has already been called the undergraduate/graduate student's or practicing manager's best all-in-one source and reference for simplified management theory and skills.

Are You a Manager or a Leader? Nov 27 2022 “With the title of this book, Scott Comey asks an important question on which we should all reflect. Throughout, he draws on a depth of experience, personal stories, historical perspective, popular culture, bright minds, and interactive steps. In person and in video, you can lead more effectively with this guidance.” —Ethan Beaute, Chief Evangelist at BombBomb “Scott Comey’s *Are You a Manager or a Leader?* is a masterful blueprint for successful leadership. With a mix of high-level concepts and street-level tactics, Scott gives you everything you need to become the leader you want to be. From building trust to defining your mission to knowing your numbers, Scott explains both the why and the how of essential leadership skills. Want to lead, or lead more effectively? Then read this book—and you’re well on your way.” —Adam Contos, CEO, RE/MAX Holdings, Inc. “I really enjoyed Scott Comey’s book on leadership, especially his delivery of key themes through personal stories. They were gripping, impactful, and memorable and made us want to read more. Scott’s focus on “self” and how we are always going to be the more powerful effecting change in ourselves instead of blaming others, is a message so needed today for the world’s leaders. If you are a business leader and have others looking to you for direction, this is a must-read.” —Tyrone K. Davids,

CPA MBA & CEO of EDI Performance “This book is needed more than ever. We still have far too many managers and not enough leaders. Scott lays out a compelling case and powerful benefits that SOLID leadership provides. He’s worked through adversity multiple times and the growth of his team is proof of his expertise. Get this book. Read and apply its wisdom, especially during these turbulent times.” —Tony Rubleski, Bestselling Author, Mind Capture book series Are You a Manager or a Leader? inspires managers to take their employees to the next level of success with “golden nuggets” of leadership and wisdom. By changing how you look at your staff and by examining your role within your organization, managers will be inspired to build a great working culture, strengthen the relationships with their team, and continue to create an environment of success and productivity. When managers take the time to reflect upon their roles, they become amazing leaders, catapulting their companies to greater levels of success and achievement. Whether you are an entry-level manager, an executive within a corporation, or run a small business of your own, Scott Comey will take you through the journey of connection and reflection. It’s time to take the leap and become the leader you were destined to be.
