Russel and Mary Wright recognized decades ago that finding time to organize their lives and homes would become a priority for modern men and women. In their groundbreaking book, *Guide to Easier Living*, the Wrights offered simple ways to achieve a comfortable, well-designed, and organized living environment in any home for any family. Originally published in 1950, Gibbs Smith is proud to rerelease *Guide to Easier Living*, and to reintroduce the Wrights' time-tested and proven methods for maintaining an inviting and efficient home. From ways to make household chores as fast and painless as possible, to how to organize a room for maximum living space, the Wrights pioneered a new informal way of living for a newly suburban American public. The Wrights' ideas revolutionized American living and the way everyday people dealt with the unending job of keeping a home in order. These methods and ideas are just as relevant—if not more so—today as they were a half-century ago. Russel and Mary Wright were prominent and successful designers who pioneered the fusion of modern design and informal living. Most importantly, they were known for their tabletop designs. The Wrights' most famous tabletop design, *American Modern*, was the best-selling dinnerware in American history and has just been rereleased by Oneida Ltd. A motivational homemaking guide inspired by Laura Ingalls Wilder's *Little House on the Prairie* books, featuring creative, fun ways to live your life simply and frugally from the immensely popular blogger behind *Little House Living*—perfect for fans of Ree Drummond's *The Pioneer Woman*. Shortly after getting married, Merissa A. Alink and her husband found themselves with nothing in their pantry but a package of spaghetti, orange preserves, and some bread crumbs. They had hit rock bottom, and only a touching act of charity was able to get them back on their feet. Inspired by this gesture of kindness as well as by prairie living, Merissa set out to have an entirely made-from-scratch life, the "Little House" way, embracing a blissful self-sufficient existence. She rescued her household budget and started to write about homesteading, homemaking, and cooking from scratch. As whole foods became staples of the family diet, Merissa realized the dangers of putting overly processed ingredients not only into our bodies but on or near them as well. In addition to countless delicious, home-cooked dishes, she created natural, easy-to-make recipes for every household need from sunblock and taco seasoning mix to lemon poppy body scrub and furniture polish. Brimming with more than 130 practical, simple DIY recipes and projects, gorgeous full-color photographs, and charming personal stories and lifestyle tips, *Little House Living* is the epitome of heartland warmth and prairie inspiration. Over 500 tips and hints on everything to do with the home, including cooking tips.

Rosemarie Jarski, known for her many books highlighting the wit of the ages, offers up the perfect how-to guide, illuminating the darkest corner of the household with all those things our mothers never taught us. *Domestic Bliss* is Rosemarie's own unique and characteristically witty handbook that fills the gap left by the generation before us. The essential skills of how to keep your house from falling down around your ears are not taught in school, and our parents were so busy earning a living they had no time to pass on the wisdom the world sees as 'common sense'. Well, common sense is not so common as is commonly supposed. This hands-on, down-to-earth guide focuses on those household problems and challenges you are most likely to encounter in real life: how to cure a dripping tap, combat condensation, and unblock a sink. You'll also get to grips with a power drill, a plumb line, and a paintbrush. And find the answers to life's little frustrations, like how to remove sticky labels, open supermarket plastic bags, and fit a duvet-cover onto a duvet without being swallowed. Many home references tell you how to do something, without telling you why. Rosemarie, though, asks 'What is the point of a detailed explanation of how to

bleed a radiator if you have no idea why it's necessary?' This guide is different because it takes the time to tell you why a particular technique is needed or beneficial, giving you the background and Explaining the point of it all. Domestic Bliss is also different because it's a manual for all ages and sexes. We all have laundry to sort, stains to remove, dishes to wash, and heaven knows the essential techniques don't differ whether it's your boxer shorts or his. With clear and mercifully jargon-free directions, Ms Jarski offers more than tips and nudges, holding our hand through the process of putting up drywall, shining our shoes, braiding our hair and creating a beautiful table for a dinner party. Step-by step instructions are enhanced, wherever necessary, by line drawings, so you can see at a glance what to do. Rosemarie's indispensable manual helps us with: Getting Organized, Home Laundry, Sewing, Cleaning, Interior Design, Painting & Decorating, Home Matters, D.I.Y, Food & Drink, Style & Grooming, Scarves & Ties, Home Office, Leisure Time, House Plants & Flowers, Entertaining, Gifts & Wrapping, Christmas, Packing a Suitcase, Conversion Charts. Domestic Bliss is your guide to daily living, offering a thorough grounding in the practical skills everyone should know how to do. The aim is to demystify and simplify. Where other household manuals leave you feeling daunted and inadequate, this guide instills you with the confidence and enthusiasm to get stuck in and have ago as you sweep, shine, and stitch your way towards Domestic Bliss. "Your heart is gold. It's the reason you shine, girl. Keep it shinning." ARVY NICOLE'S FIRST LOVE SURVIVAL GUIDE: 10. DON'T FIGHT THE FEELING `Cause you'll lose. 9. DON'T ALIENATE YOUR BFFs You need your team when the going gets tough. 8. DON'T SNOOP Stalking the Boyfie is just tacky. You didn't force him into the relationship, he willingly went for it because you're adorbs. 7. YOU DON'T OWN YOUR BOYFIE And he doesn't own you. Eww. Possessiveness is so last century. 6. BUT HONESTY IS CLASSIC Like pearls, you can never go wrong with it. 5. DON'T WORRY ABOUT LABELS Call him anything you want `cos you're totally awesome. 4. KEEP YOUR OWN SPACE AND TIME He's not your iPhone, spend time away from him. 3. NEVER LOSE YOUR IDENTITY You're not baptized little Miss His-Girlfriend. 2. ACCEPT THAT FIRST LOVE MAY, Uh... DIE That's why #3 and #9 are necessary. 1. LOVE WITH ALL YOUR HEART Because the bitterest tears are shed not over love unrequited but over the love you didn't show.
