**Enter the Animal** Teya Brooks Pribac, 2021-02-01 Historically grief and spirituality have been jealously guarded as uniquely human experiences Although non human animal grief has been acknowledged in recent times its potency has not been recognised as equal to human grief Anthropocentric philosophical questions still underpin both academic and popular discussions In Enter the Animal Teya Brooks Pribac examines what we do and don't know about grief and spirituality She explores the growing body of knowledge about attachment and loss and how they shape the lives of both human and non human animals A valuable addition to the vibrant interdisciplinary conversation about animal subjectivity Enter the Animal identifies conceptual and methodological approaches that have contributed to the prejudice against nonhuman animals It offers a compelling theoretical base for the consideration of grief and spirituality across species and highlights important ethical implications for how humans treat other animals
