The Greatest Philosopher Who Ever Lived Peter Kreeft,2021-10-14 In 2019 Peter Kreeft published *Socrates Children* a four volume

series on the hundred greatest philosophers of all time spanning from ancient Greece to contemporary Germany But he made a terrible mistake he somehow left out women and with this he overlooked the greatest mind of them all He forgot her a mysterious housewife from a desert village because he had forgotten what philosophy means Philosophy is not the cultivation of cleverness Kreeft explains or the sophistications of scholarship or the analysis of analysis or the refutation of refutations or the deconstruction of deconstructions No philosophy is a romance a love affair the love of wisdom This book is a one of a kind study on Mary of Nazareth the mother of Jesus If Jesus Christ is wisdom incarnate and if Mary loved Him more than anyone else ever did then it holds that Mary is the greatest philosopher the greatest wisdom lover With precision and humor Kreeft not only unpacks the thought and spirit of Mary as we know her through Scripture and Church doctrine but offers a heartfelt crash course in the basics of philosophy methodology epistemology logic metaphysics cosmology ethics politics aesthetics and more all through the lens of the Mother of God Fans of Kreeft will find here another fine example of his characteristic freshness creativity depth and readability But above all those who are curious about the mother of Jesus whether they are new to Christian faith or simply hoping to discover it anew will likely find themselves swept up in the tide of Mary's wise love for God

A Simple Life-Changing Prayer Jim Manney, 2021-03-01 A Simple Life Changing Prayer is a valuable and thoughtful book and a very practical one which can be put with confidence into the hands of anyone who wishes to learn to pray the Examen and to find the presence and action of God in their lives Andrea Kelly Thinking Faith Sometimes we can experience prayer as formal dry and repetitious But what might happen if we discovered a simple prayer that changed all that In A Simple Life Changing Prayer Jim Manney introduces Christians to a 500 year old form of prayer that dramatically altered his perception of prayer and the way he prayed The prayer is the Examen which St Ignatius Loyola developed for the purpose of nurturing a reflective habit of mind that is constantly attuned to God's presence What makes the prayer so powerful is its capacity to dispel any notion that God is somewhere up there detached from our day to day tasks and concerns Instead the examen leads us into a relationship with a God who desires to be personally caught up in the lives of those whom he created

I Burned for Your Peace Peter Kreeft,2016-06-17 Popular author

and philosopher Peter Kreeft delves into one of the most beloved Christian classics of all time Augustine's Confessions. He collects key passages and offers incisive commentary making Confessions accessible to any reader who is both intellectually curious and spiritually hungry. The Confessions is a dramatic personal narrative of a soul choosing between eternal life and death, an exploration of the timeless questions great minds have been asking for millennia, and a prayer of praise and thanksgiving to God. *I Burned for Your Peace* is not a scholarly work but an unpacking of the riches found in Augustine's text. It is existential, personal, and devotional, as well as warm, witty, and thought-provoking. With Kreeft to guide them, readers of the Confessions can overhear and understand the intimate conversation between a towering intellect and the God whose peace he at last humbly accepts. *How to Be Holy* Peter Kreeft, 2016. Life in the end has only one tragedy: not to have been a saint. *Lonely* The ever-popular and prolific Peter Kreeft says that the most important question he has written about is how one becomes holy, or to put it another way, how one becomes a saint. This question is central to all the great religions. Kreeft demonstrates that striving toward holiness, moving toward perfect love, is the whole purpose of life. Kreeft admits that he is only a beginner on the climb to holiness, and it is to novices like him that he has written this engaging and encouraging book. Using the insights and experiences of saints and great spiritual writers throughout history, Kreeft shows what holiness is and how it can be achieved. He especially draws upon the spiritual classic *Abandonment to Divine Providence* by Jean Pierre de Caussade, S.J. The core of Caussade's timeless gem is that God reveals himself to all of us through the daily events of our lives. The surest way toward spiritual growth, therefore, is by perceiving and accepting the merciful will of God in every situation. Kreeft stresses the simplicity of his approach to holiness, which focuses mainly on the virtue of love. Sanctity is love, he asserts, and only that can give us what we all long for: deep and lasting joy. [You Can Understand the Bible](#) Peter Kreeft, 2009-09-03. Many people are often understandably intimidated or overwhelmed by the sheer size and complexity of the Bible. But now, popular author and Boston University professor Peter Kreeft has written a clear road map of the Bible, focusing his keen insight and engaging wit on the core message of each book. It won't take long for you to understand why his guide to scripture has become a best seller. Sparkling with intelligence and Kreeft's trademark humor, *You Can Understand the Bible* will transform dry study into spiritually satisfying adventures in God's Word. Regardless of how you approached or didn't approach the Bible, before you'll come away with a new appreciation of its depth and meaning. Kreeft also provides practical guidance for praying the scriptures every day, allowing the reader to delve into the messages of scripture in a manner that will surprise, delight, and reward. **Prayer** Peter Kreeft, 1991-10-11. In his typically lucid and original style, the popular spiritual writer Peter Kreeft explores many aspects and questions about prayer, the center of our spiritual lives. In a series of imaginative dialogues like *Prayer Itself*, Kreeft shows how prayer can be an exciting adventure, an inexhaustible joy. **Your Questions, God's Answers** Peter Kreeft, 2017-06-22. Kreeft uses Scripture to provide God's answers to the most common and important questions young people ask about the deeper meaning of life, their own identity, overcoming failure, and

temptation the mystery of God's love and much more. But these are questions asked not just by teens they are the same questions adults often ask and God's answers as found in the Bible respond to the deepest needs of people of all ages.

Because God Is Real Peter Kreeft, 2009-09-03. Atheistic and agnostic writers are aggressively attacking traditional religious beliefs. Philosopher and prolific writer Peter Kreeft is up to the challenge in this work of popular apologetics aimed at both teens and adults. The masterful Kreeft tackles sixteen crucial issues about the deeper meaning of life. The questions that Kreeft explores range from Is faith reasonable? Can you prove there is a God? and Why is Jesus different? to Why is sex so confusing? Why is there evil? and Why must we die? Kreeft provides thoughtful, lucid, and persuasive answers for believers, unbelievers, and seekers to consider. As always, Kreeft is insightful, inspiring, and entertaining. This book is ideal for those exploring faith for the first time, as well as for confirmation and religious education classes. It's an intellectual and spiritual feast. This is vintage Kreeft. The good news of the Gospel is as exciting as a murder mystery. For at its heart, there is a murder: the murder of God two thousand years ago in Jerusalem. And this God is the greatest of mysteries: who He is and why He put us here and why He came here and what His plans are for us. The story is literally a matter of life or death: eternal life or death. Peter Kreeft: Be ready to give a reason for the hope that is in you. 1 Peter 3:15. *Fundamentals of the Faith* Peter Kreeft, 2009-10-27. Kreeft considers all the fundamental elements of Christianity and Catholicism, explaining, defending, and showing their relevance to our life and the world's yearnings. Here is a book to help you understand your faith more fully and to explain it to others more winningly. Like every religion, this faith has three aspects corresponding to the three parts of the soul and filling the innate needs of all three parts. Kreeft uses these three divisions as the basic outline for his Christian apologetics. First, every religion has some beliefs, whether expressed in creeds or not, something for the intellect to know. Second, every religion has some duty or deed, some practice or program, some moral or ethical code, something for the will to choose. Finally, every religion has some liturgy, some worship, some church, something for the body and the concrete imagination and the aesthetic sense to work at. Creed, Code, and Cult: Words, Works, and Worship are a most useful way of outlining any religious faith, including the Catholic Faith of Christians. These essays were written for Catholics by a Catholic. But I believe that nearly everything I say here will be found by the orthodox, Biblical Protestant reader to be his faith as well. That solid and substantial core that C. S. Lewis called mere Christianity. Peter Kreeft.
