Jim Giraffe Oct 13 2022 Scott Spectrum is being haunted by a ghost giraffe named Jim. Scott thinks he's a man who has everything – a high-speed internet connection, alien-shaped slippers, and a beautiful wife called Continnence. But Scott hasn't touched her in years and she's been left furiously polishing the sideboard, dreaming of black stallions. According to Jim, Scott's days are numbered, and to save himself from certain death from sexual repression he must quickly perform every act in the lovermaker's lexicon. *Jim Giraffe* knows a lot about sex, luckily. He also loves pizza and beer and has breath that smells of tree-tops. The prudish Scott is at first shocked by this profane, perverted ghost giraffe, but he accepts his help. Little does Scott realize that Jim has his own agenda and that his suburban idyll is about to be well and truly bugged up. Following on from the cult classic *Boxy an Star*, Daren King has written another extraordinary novel: highly original and linguistically ingenious, naïve and knowing, utterly charming, filthy, and very, very funny.

Tears of the Giraffe Jan 28 2024 Fans around the world adore the bestselling No. 1 Ladies' Detective Agency series and its proprietor, Precious Ramotswe, Botswana's premier lady detective. In this charming series, Mma Ramotswe—with help from her loyal associate, Grace Makutsi—navigates her cases and her personal life with wisdom, good humor, and the occasional cup of tea. Precious Ramotswe is the eminently sensible and cunning proprietor of the only ladies' detective agency in Botswana. In Tears of the Giraffe she tracks a wayward wife, uncovers an unscrupulous maid, and searches for an American man who disappeared into the plains many years ago. In the midst of resolving uncertainties, pondering her impending marriage to a good, kind man, Mr. J. L. B. Matekoni, and the promotion of her talented secretary (a graduate of the Botswana Secretarial College,

with a mark of 97 per cent), she also finds her family suddenly and unexpectedly increased by two.

Madness, Rack, and Honey Apr 26 2021 This is one of the wisest books I've read in years... -New York Times Book Review No writer I know of comes close to even trying to articulate the weird magic of poetry as Ruefle does. She acknowledges and celebrates in the odd mystery and mysticism of the act—the fact that poetry must both guard

and reveal, hint at and pull back... Also, and maybe most crucially, Ruefle's work is never once stuffy or overdone: she writes this stuff with a level of seriousness-as-play that's vital and welcome, that doesn't make writing poetry sound anything but wild, strange, life-enlargening fun. -The Kenyon Review Profound, unpredictable, charming, and outright funny... These informal talks have far more staying power and verve than most of their kind. Readers may come away dazzled, as well as amused... -Publishers Weekly This is a book not just for poets but for anyone interested in the human heart, the inner-life, the breath exhaling a completion of an idea that will make you feel changed in some way. This is a desert island book. -Matthew Dickman The accomplished poet is humorous and self-deprecating in this collection of illuminating essays on poetry, aesthetics and literature... -San Francisco Examiner Over the course of fifteen years, Mary Ruefle delivered a lecture every six months to a group of poetry graduate students. Collected here for the first time, these lectures include "Poetry and the Moon," "Someone Reading a Book Is a Sign of Order in the World," and "Lectures I Will Never Give." Intellectually virtuosic, instructive, and experiential, *Madness, Rack, and Honey* resists definition, demanding instead an utter-and utterly pleasurable-immersion. Finalist for the 2012 National Book Critics Circle Award. Mary Ruefle has published more than a dozen books of

poetry, prose, and erasures. She lives in Vermont.

Giraffe Problems Feb 27 2024 The bestselling creators of the hilarious Penguin Problems, Jory John and Lane Smith, turn a giraffe's problematic long neck into an enviable advantage in this fun board book. Edward the giraffe can't understand why his neck is as long and bendy and, well, ridiculous as it is. No other animal has a neck this absurd. He's tried disguising it, dressing

it up, strategically hiding behind bushes--honestly, anything you can think of. Just when he has exhausted his neck-hiding options and is about to give up, Cyrus the turtle ambles in (very slowly) and helps Edward understand that his neck has a purpose and, besides, looks excellent in a bow tie. Along with a heavy dose of humor comes a gentle reminder about the importance of acceptance.

Millions' and Refinery 29's Most Anticipated Books of the Year • One of the Best Black Heritage Reads (Essence Magazine) Loving thy neighbor is easier said than done. Hortensia James and Marion Agostino are neighbors. One is black, the other white. Both are successful women with impressive careers. Both have recently been widowed, and are living with questions, disappointments, and secrets that have brought them shame. And each has something that the woman next door deeply desires. Sworn enemies, the two share a hedge and a deliberate hostility, which they maintain with a zeal that belies their age. But, one day, an unexpected event forces Hortensia and Marion together. As the physical barriers between them collapse, their bickering gradually softens into conversation, which yields a discovery of shared experiences. But are these sparks of connection enough to ignite a friendship, or is it too late to expect these women to change? The U.S. debut of a finalist for the Etisalat Prize for Literature, The Woman Next Door is a winning story of the common ground we sometimes find in unexpected places, told with wit and wry humor.

The White Giraffe Apr 30 2024

Giraffe Jun 20 2023 An astounding novel based on the true story of the life and mysterious death of the largest herd of giraffes ever held in captivity, in a Czechoslovakian town sleepwalking through communism in the early 1970s. In 1975, on the eve of May Day, secret police dressed in

chemical warfare suits sealed off a zoo in a small Czechoslovakian town and ordered the destruction of the largest captive herd of giraffes in the world. This apparently senseless massacre lies at the heart of J. M. Ledgard's haunting first novel, which recounts the story of the giraffes from their capture in Africa to their deaths far away behind the Iron Curtain. At once vivid and unearthly, *Giraffe* is an unforgettable story about strangeness, about creatures that are alien and silent, about captivity, and finally about Czechoslovakia, a middling totalitarian state and its population of sleepwalkers. It is also a story that might never have been told. Ledgard, a foreign correspondent for the *Economist* since 1995, unearthed the long-buried truth behind the deaths of these giraffes while researching his book, spending years following leads throughout the Czech Republic. In prose reminiscent of Italo Calvino and W. G. Sebald, he imbues the story with both a gripping sense of specificity and a profound resonance, limning the ways the giraffes enter the lives of the people around them, the secrecy and fear that permeate 1970s Czechoslovakia, and the quiet ways in which ordinary people become complicit in the crimes committed in their midst.
