Snapsy the Alligator (Did Not Ask to Be in This Book) Julie Falatko, 2016-02-02 Snapsy the alligator is having a normal day when a pesky narrator steps in to spice up the story Is Snapsy reading a book or is he making CRAFTY plans Is Snapsy on his way to the grocery store or is he PROWLING the forest for defenseless birds and fuzzy bunnies Is Snapsy innocently shopping for a party or is he OBSESSED with snack foods that start with the letter P What's the truth Snapsy the Alligator Did Not Ask to Be in This Book is an irreverent look at storytelling friendship and creative differences perfect for fans of Mo Willems [Scarpetta](#) Patricia Cornwell, 2009-08-25 From America's 1 bestselling crime writers comes an extraordinary 1 New York Times bestselling Kay Scarpetta novel Leaving behind her private forensic pathology practice in Charleston South Carolina Kay Scarpetta accepts an assignment in New York City where the NYPD has asked her to examine an injured man on Bellevue Hospital's psychiatric prison ward The handcuffed and chained patient Oscar Bane has

specifically asked for her and when she literally has her gloved hands on him he begins to talk and the story he has to tell turns out to be one of the most bizarre she has ever heard The injuries he says were sustained in the course of a murder that he did not commit Is Bane a criminally insane stalker who has fixed on Scarpetta Or is his paranoid tale true and it is he who is being spied on followed and stalked by the actual killer The one thing Scarpetta knows for certain is that a woman has been tortured and murdered and more violent deaths will follow Gradually an inexplicable and horrifying truth emerges Whoever is committing the crimes knows where his prey is at all times Is it a person a government And what is the connection between the victims In the days that follow Scarpetta her forensic psychologist husband Benton Wesley and her niece Lucy who has recently formed her own forensic computer investigation firm in New York will undertake a harrowing chase through cyberspace and the all too real streets of the city an odyssey that will take them at once to places they never knew and much much too close to home Throughout Cornwell delivers shocking twists and turns and the kind of cutting edge technology that only she can provide Once again she proves her exceptional ability to entertain and enthrall

Grammar and Style at Your Fingertips Lara M. Robbins,2007 Ours is not an easy language The rules that govern English grammar punctuation spelling and usage are complicated inconsistent and easily forgotten Both in and out of school however correct use of the English language is still one of the benchmarks by which our intelligence and competence are judged Whether in a class report a resume cover letter a grant application or a business proposal poor grammar gets poor marks What s an overworked over stressed person to do Take a night class More than ever busy people need a one stop source of grammar and style information they can access quickly and efficiently Grammar and Style at Your Fingertipslets readers pinpoint the exact information they need without wasting time on unrelated material The book covers the gamut of correct grammar and style in concise but complete bites that are easy to find and easy to understand

Academic Writing for Military Personnel Adam Chapnick,Craig Stone,2010-10-27 Academic Writing for Military Personnel is written for members of the military who are either new to or re entering the academic community and who need to familiarize themselves with academic writing The authors an experienced writing instructor and a retired military officer show how persuasive academic writing enhances officers effectiveness in their regular duties especially as they reach more senior levels of service They explain the differences between staff writing and academic writing and outline some of the common errors military personnel make when transitioning from one to the other The book s chapters outline the value of strong written communication skills the research process the writing process academic referencing and frequent grammatical and syntactical errors Specific examples chosen with a military audience in mind are integrated throughout the book to provide the reader with relevant and practical guidance The book concludes with a discussion on how officers can use the knowledge they have acquired through their professional experiences in their academic work As the only comprehensive guide to effective academic writing designed specifically for military personnel this book will be a crucial addition to the libraries of junior and senior officers in

militaries worldwide
