Into the Forest Jean Hegland, 2009-12-23 NOW A MAJOR MOTION PICTURE Set in the near future Into the Forest is a powerfully imagined novel that focuses on the relationship between two teenage sisters living alone in their Northern California forest home Over 30 miles from the nearest town and several miles away from their nearest neighbor Nell and Eva struggle to survive as society begins to decay and collapse around them No single event precedes society's fall There is talk of a war overseas and upheaval in Congress but it still comes as a shock when the electricity runs out and gas is nowhere to be found The sisters consume the resources left in the house waiting for the power to return Their arrival into adulthood however forces them to reexamine their place in the world and their relationship to the land and each other Reminiscent of Margaret Atwood's *A Handmaid's Tale* Into the Forest is a mesmerizing and thought provoking novel of hope and despair set in a frighteningly plausible near future America Praise for Into the Forest A beautifully written and often profoundly moving novel San Francisco Chronicle A work of extraordinary power insight and lyricism Into the Forest is both an urgent warning and a passionate celebration of life and love Riane Eisler author of *The Chalice and the Blade* From the first page the sense of crisis and the lucid honest voice of the narrator pull the reader in A truly admirable addition to a genre defined by the very high standards of George Orwell's 1984 Publishers Weekly starred review Beautifully written Kirkus Reviews This beautifully written story captures the essential nature of the sister bond the fierce struggle to be true to one's own self only to learn that true strength comes from what they are able to share together Carol Saline co author of *Sisters* Jean Hegland's sense of character is firm warm and wise A fine first novel John Keeble author of *Yellowfish* **Into The Forest** Jean

Hegland, 2016-01-28 Set in the near future Into the Forest is a powerfully imagined novel that focuses on the relationship between two teenage sisters living alone in their Northern California forest home Nell and Eva live alone in the forest Recently orphaned and completely isolated they struggle for normality in a post holocaust world where electricity is a thing of the past and the outside world a distant memory In one short year their normal teenage lives have been transformed as everything we consider necessary to civilization crumbles Without petrol or electricity they are forced into seclusion and adolescent dreams of ballet school and Harvard are displaced by the reality of learning to survive Nell and Eva wait for the power to come back and the world they understand to return but as time goes on they are forced to realize that civilization is perhaps nothing more than a temporary condition a fugue state the world has allowed us At once a poignant and lyrical portrayal of the power of sisterly loyalty and a horrifying cautionary tale about the future of man and his place in the world INTO THE FOREST is a deeply moving account of human nature and our fragile existence on earth *Into the Forest*, 2022

Le Guin,2001-02-27 An ethnographic novel that portrays life in California s Napa Valley as it might be a very long time from now imagined not as a high tech future but as a time of people once again living close to the land

Still Time Jean Hegland,2015-09-01 From the author of Into the Forest a moving novel about memory Shakespeare s green worlds and the power of reconciliation Until John Wilson met the warm wise woman who became his fourth wife the object of his most intense devotion had always been the work of William Shakespeare From his feat of memorizing Romeo and Juliet and half a dozen other plays as a student to his evangelical zeal as a professor John s faith in the Bard has shaped his life But now his mental powers have been diminished by dementia and his wife has reluctantly moved him to a residential care facility Even there as he struggles to understand what s going on around him John s knowledge of the plays helps him make sense of his fractured world Yet when his only child Miranda with whom he has not spoken since a devastating misunderstanding a decade ago comes to visit John begins to question some of his deepest convictions In his devotion to Shakespeare did he lose his way Did he wrong the child who wronged him The story of an imperfect father and a wounded daughter s efforts to achieve some authentic connection even now Still Time celebrates redemption and the gift of second chances It is that rare novel that ends on a resounding note of hope reminding us that there is always time to live fully and love deeply so long as we are alive Skyhorse Publishing as well as our Arcade Yucca and Good Books imprints are proud to publish a broad range of books for readers interested in fiction novels novellas political and medical thrillers comedy satire historical fiction romance erotic and love stories mystery classic literature folklore and mythology literary classics including Shakespeare Dumas Wilde Cather and much more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home

The Forest Edward Rutherford,2013-06-12 NATIONAL BESTSELLER Rutherford brings England s New Forest to life The Seattle Times in this companion to the critically acclaimed Sarum From the time of the Norman Conquest to the present day the New Forest along England s southern coast has remained an almost mythical place It is here that Saxon and Norman kings rode forth with their hunting parties and where William the Conqueror s son Rufus was mysteriously killed The mighty oaks of the forest were used to build the ships for Admiral Nelson s navy and the fishermen who lived in Christchurch and Lyminster helped Sir Francis Drake fight off the Spanish Armada The New Forest is the perfect backdrop for the families who people this epic

Postapocalyptic Fiction and the Social Contract Claire P. Curtis,2010-07-17 Postapocalyptic Fiction and the Social Contract We ll Not Go Home Again provides a framework for our fascination with the apocalyptic events The popular appeal of the end of the world genre is clear in movies novels and television shows Even our political debates over global warming nuclear threats and pandemic disease reflect a concern about the possibility of such events This popular fascination is really a fascination with survival how can we come out alive And what would we do next The end of the world is not about species death but about beginning again This book uses postapocalyptic fiction as a terrain for thinking about the state of nature the hypothetical fiction that is the driving force behind the social contract The first half of the book examines novels that tell the story of the move from the state of nature to civil society through a Hobbesian a Lockean or a Rousseauian lens including Lucifer s Hammer by Larry Niven and Jerry Pournelle Alas Babylon by Pat Frank Malevil by Robert Merle and Into the Forest by Jean Hegland The latter half of the book examines Octavia Butler s postapocalyptic Parable series in which a new kind of social contract emerges one built on the fact of human dependence and vulnerability
