Inter-act Kathleen S. Verderber, Rudolph F. Verderber, 2001      **Human Communication: Pearson New International Edition** Joseph A. DeVito, 2013-07-17 Human Communication The Basic Course surveys the broad field of human communication giving attention to theory research and skill development This Twelfth Edition provides an in depth look at the concepts and principles of human communication emphasizing public speaking interpersonal communication and small group communication Designed to allow flexibility in teaching approaches Human Communication The Basic Course offers instructors a wide range of topics to discuss and apply to real world experiences      *Interpersonal Communication Book* Joseph A. DeVito, 2013-07-27 Updated in its 13th edition Joseph DeVito's The Interpersonal Communication Book provides a highly interactive presentation of the theory research and skills of interpersonal communication with integrated discussions of diversity ethics workplace issues face to face and computer mediated communication and a new focus on the concept of choice in communication This thirteenth edition presents a comprehensive view of the theory and research in interpersonal communication and at the same time guides readers to improve a wide range of interpersonal skills The text emphasizes how to choose among those skills and make effective communication choices in a variety of personal social and workplace relationships      **Engaging Theories in Family Communication** Dawn O. Braithwaite, Leslie A. Baxter, 2005-08-26 Engaging Theories in Family Communication Multiple Perspectives covers uncharted territory in its field as it is the first book on the market to deal exclusively with family communication theory In this volume editors Dawn O Braithwaite and Leslie A Baxter bring together a group of contributors that represent a veritable Who's Who in the family communication field These scholars examine both classic and cutting edge theories to guide family communication research in the coming years      **Understanding Human Communication** Ronald Brian Adler, George R. Rodman, 2012 This best selling textbook for introductory human communication courses places communication theory within the context of everyday skills      DeVito JOSEPH A. DEVITO, 2018-10-18 For courses in Interpersonal Communication An introduction to interpersonal communication that emphasizes the impact of our choices The Interpersonal Communication Book provides in depth coverage of interpersonal communication blending theory and research with practical skills Author Joseph DeVito utilizes the concept of choice as the philosophical foundation of his narrative emphasizing how the choices individuals make will influence their relationships and the effectiveness of their messages The 15th Edition has been updated with new topics and additional coverage of the impact that the proliferation of social media has had upon interpersonal communication throughout the world      **Mediated Interpersonal Communication** Elly A. Konijn, Sonja Utz, Martin Tanis, Susan B. Barnes, 2008-06 Mediated interpersonal communication is one of the most dynamic areas in communication studies reflecting how individuals utilize technology more and more often in their personal interactions Organizations also rely increasingly on mediated interaction

for their communications Responding to this evolution in communication this collection explores how existing and new personal communication technologies facilitate and change interpersonal interactions Chapters offer in depth examinations of mediated interpersonal communication in various contexts and applications Contributions come from well known scholars based around the world reflecting the strong international interest and work in the area Skilled Interpersonal Communication Owen Hargie,2004-06-01 Previous editions Social Skills in Interpersonal Communication have established this work as the standard textbook on communication Directly relevant to a multiplicity of research areas and professions this thoroughly revised and updated edition has been expanded to include the latest research as well as a new chapter on negotiating Key examples and summaries have been augmented to help contextualise the theory of skilled interpersonal communication in terms of its practical applications Combining both clarity and a deep understanding of the subject matter the authors have succeeded in creating a new edition which will be essential to anyone studying or working in the field of interpersonal communication

**Interpersonal Social Work Skills for Community Practice** Donna Hardina, PhD,2012-07-23 Specifically dedicated to the skills that social workers need to advance community practice this creative book is long overdue Grounded in the wisdom and evidence of well honed interpersonal social work skills Donna Hardina s new text takes community practice to a higher level than ever before developed in book form indeed she displays the most thorough understanding of research on community practice that I have read in any community practice text Journal of Teaching in Social Work Community organization has been a major component of social work practice since the late 19th century It requires a diverse set of abilities interpersonal skills being among the most important This textbook describes the essential interpersonal skills that social workers need in community practice and helps students cultivate them Drawing from empirical literature on community social work practice and the author s own experience working with community organizers the book focuses on developing the macro level skills that are especially useful for community organizing It covers relationship building interviewing recruitment community assessment facilitating group decision making and task planning creating successful interventions working with organizations and program evaluation along with examples of specific applications For clarity and ease of use the author employs a framework drawn from a variety of community practice models including social action and social planning transformative popular education and community development approaches and multicultural and feminist approaches The text is linked to the competencies outlined in the Council of Social Work Education s 2008 Educational Policy and Accreditation Standards EPAS as well as ethics and values identified in the National Association of Social Workers NASW Code of Ethics and the International Federation of Social Workers statement of ethical principles Most chapters begin with a quote from a community organizer explaining how interpersonal skills are used in practice and student exercises conclude each chapter The text also addresses other important skills such as legislative advocacy lobbying and supervision Key Features Describes the essential skills social workers need in community practice and

how to acquire them Includes examples of specific applications drawn from empirical literature and the author s experience working with community organizers Grounded in social justice strengths based and human rights perspectives Linked to competencies outlined in EPAS and values identified in the NASW Code of Ethics Based on a variety of community practice models
