**Sleepwalk** Adrian Tomine, 2004-06 Worth reading just for Tomine's eloquent restraint and literary leanings The Boston Phoenix

**Summer Blonde** Adrian Tomine, 2022-06-27 Adrian Tomine's cult comic series *Optic Nerve* is finally collected into one sharp looking hardcover graphic novel Described as the Raymond Carver of comic Tomine constructs tales of emotional disconnection with an ear for painfully real dialogue Combined with his deft black and white depictions of urbane lifestyles Tomine's fans have often accused him of eavesdropping in on their most intimate moments and with forensic skill laying their lives bare The conflicts between emotional gratification narcissistic neediness and moral discernment mark the title story *Summer Blonde* in which a socially crippled man nurses an obsessive crush on a young woman He watches close up paralyzed by his guilt as her beauty catches the eye of his neighbor a hip selfish young man with a short attention span One of *Optic Nerve*'s most popular stories *Hawaiian Getaway* features Hilary telephone service rep who is having the worst week of her life She lost her job her apartment and her grandmother Close to the edge she is losing her grip Reaching out to random strangers on the phone Hilary is looking for someone to help her In *Alter Ego* a successful young author has writer's block He can't or won't decide between another ghostwriting gig and finishing his second real novel He stalls on committing to his novel and his girlfriend when a chance postcard leads him to flirt with fantasies of changing the past Finally *Bomb Scare* documents the early unease of his generation by setting this coming of age story during the tense months of the Gulf War the event that ushered in the 1990s

***Killing and Dying*** Adrian Tomine, 2021-05-04 *Killing and Dying* is a stunning showcase of the possibilities of the graphic novel medium and a wry exploration of loss creative ambition identity and family dynamics With this work Adrian Tomine *Shortcomings* *Scenes from an Impending Marriage* reaffirms his place not only as one of the most significant creators of contemporary comics but as one of the great voices of modern American literature His gift for capturing emotion and intellect resonates here the weight of love and its absence the pride and disappointment of family the anxiety and hopefulness of being alive in the twenty first century *Amber Sweet* shows the disastrous impact of mistaken identity in a hyper connected world *A Brief History of the Art Form Known as Horticulture* details the invention and destruction of a vital new art form in short comic strips Translated from the Japanese is a lush full color display of storytelling through still images the title story *Killing and Dying* centers on parenthood mortality and stand up comedy In six interconnected darkly funny stories Tomine forms a quietly moving portrait of contemporary life Tomine is a master of the small gesture equally deft at signaling emotion via a subtle change of expression or writ large across landscapes illustrated in full color *Killing and Dying* is a fraught realist masterpiece

***Shortcomings*** Adrian Tomine, 2024-06-11 Ben and Miko's relationship is in trouble He's a struggling filmmaker she works for a local film festival and in various ways they're both searching for something else When he's not managing a derelict movie theater Ben spends his time obsessing over

unavailable blonde women watching Criterion Collection DVDs and eating in diners with his best friend Alice a grad student with a serial dating habit When Miko moves to New York for an internship Ben begins to explore what he thinks he wants throwing himself headfirst into new relationships unfamiliar surroundings and uncharted emotional territory Equal parts comedy and drama Shortcomings explores the complexities of culture desire and Asian American identity with a critical eye and unsparing irreverent wit Based on Adrian Tomine s groundbreaking graphic novel of the same name Shortcomings was written by Tomine and directed by Randall Park It premiered at the Sundance Film Festival and was an official selection at the Tribeca Festival in advance of a theatrical release from Sony Pictures Classics Tomine s screenplay is presented here with extensive annotations commentary and bonuses including alternate and deleted scenes a selection of color film stills an introduction from Randall Park and an exclusive new comic from Tomine An essential companion to the original graphic novel this volume is an illuminating document of an iconic story s adaptation from page to screen

The Loneliness of the Long-Distance Cartoonist Adrian Tomine,2022-05-20 What happens when a childhood hobby grows into a lifelong career The Loneliness of the Long Distance Cartoonist Adrian Tomine s funniest and most revealing foray into autobiography offers an array of unexpected answers When a sudden medical incident lands Tomine in the emergency room he begins to question if it was really all worthwhile despite the accolades and opportunities of a seemingly charmed career it s the gaffes humiliations slights and insults he s experienced or caused within the industry that loom largest in his memory Tomine illustrates the amusing absurdities of how we choose to spend our time all the while mining his conflicted relationship with comics and comics culture But in between chaotic book tours disastrous interviews and cringe inducing interactions with other artists life happens Tomine fumbles his way into marriage parenthood and an indisputably fulfilling existence A richer emotional story emerges as his memories are delineated in excruciatingly hilarious detail In a bold stylistic departure from his award winning Killing and Dying Tomine distills his art to the loose lively essentials of cartooning each pen stroke economically imbued with human depth Designed as a sketchbook complete with place holder ribbon and an elastic band The Loneliness of the Long Distance Cartoonist shows an acclaimed artist at the peak of his career

**32 Stories** Adrian Tomine,2009-05-12 Presents thirty two stories that deal with a variety of characters including a shy novelist who seeks out the girl he was obsessed with in high school a lonely woman who loses her job and high school outcasts

Night Fisher R. Kikuo Johnson,2005-11-09 R Kikuo Johnson has created an intimate and compelling graphic novel length drama of young men on the cusp of adulthood First rate prep school S U V and a dream house in the heights This was the island paradise handed to Loren Foster when he moved to Hawaii with his father six years ago Now with the end of high school just around the corner his best friend Shane has grown distant The rumors say it s hard drugs and Loren suspects that Shane has left him behind for a new group of friends What sets Johnson s drama apart is the naturalistic ease with which he explores the relationships of his characters It is at once an unsentimental portrait of that most awkward period between adolescence and young adulthood

and that rarest of things a mature depiction of immature lives      *Andre the Giant* Brian "Box" Brown,2014-05-06 Andre Roussimoff is known as both the lovable giant in *The Princess Bride* and a heroic pro wrestling figure He was a normal guy who'd been dealt an extraordinary hand in life At his peak he weighed 500 pounds and stood nearly seven and a half feet tall But the huge stature that made his fame also signed his death warrant Box Brown brings his great talents as a cartoonist and biographer to this phenomenal new graphic novel Drawing from historical records about Andre's life as well as a wealth of anecdotes from his colleagues in the wrestling world including Hulk Hogan and his film co-stars Billy Crystal Robin Wright Mandy Patinkin etc Brown has created in *Andre the Giant* the first substantive biography of one of the twentieth century's most recognizable figures      **The House that Groaned** Karrie Fransman,2020-07-16 *The House That Groaned* is a graphic novel that explores bodies and the spaces they inhabit It is set in an old Victorian tenement housing six lonely individuals who could only have stepped out of the pages of a comic book There is the retoucher who cannot touch a grandmother who literally blends into the background and a twenty something bloke who's sexually attracted to diseased women Yet as we learn the stories behind these extreme characters it becomes apparent that we may share similar issues as individuals and as a society      *American Born Chinese* Gene Luen Yang,2006-09-06 A tour de force by rising indie comics star Gene Yang *American Born Chinese* tells the story of three apparently unrelated characters Jin Wang who moves to a new neighborhood with his family only to discover that he's the only Chinese American student at his new school the powerful Monkey King subject of one of the oldest and greatest Chinese fables and Chin Kee a personification of the ultimate negative Chinese stereotype who is ruining his cousin Danny's life with his yearly visits Their lives and stories come together with an unexpected twist in this action packed modern fable *American Born Chinese* is an amazing ride all the way up to the astonishing climax *American Born Chinese* is a 2006 National Book Award Finalist for Young People's Literature the winner of the 2007 Eisner Award for Best Graphic Album New an Eisner Award nominee for Best Coloring and a 2007 Bank Street Best Children's Book of the Year This title has Common Core Connections      **Scenes from an Impending Marriage** Adrian Tomine,2011-02 A comic book based on the author's own wedding plans celebrates the absurd aspects of getting married from taking dance lessons to managing family demands      *Intruders* Adrian Tomine,2019-10-15 Between his second and third tours of duty a soldier returns home To his former home that is using an old key while the new tenant is at work Is he re-entering his old life or borrowing someone else's Where is the line he will not cross Each day is the same he exists in a state of suspension barely knowing how he passes the time until someone else intrudes on the intruder Adrian Tomine graphic master of alienation and regret expertly expands the form to express the unsaid and the unbearable in this unforgettable evocation of a post traumatic life      **David Boring** Daniel Clowes,2002 Terry Zwigoff's movie of Daniel Clowes's extraordinary graphic novel *Ghost World* has brought Clowes hordes of new readers Every one of them will be eagerly awaiting the adventures of Clowes's new hero David Boring a nineteen year old security guard with a tortured inner life and

an obsessive nature When he meets the girl of his dreams things begin to go awry what seems too good to be true apparently is and what seems truest in Boring s life is that given the right set of circumstances in this case an origastic cascade of vengeance humiliation and murder the primal nature of mankind will come inexorably to the fore *Switched on Pop* Nate Sloan,Charlie Harding,2020 Based on the critically acclaimed podcast that has broken down hundreds of Top 40 songs Switched On Pop dives in into eighteen hit songs drawn from pop of the last twenty years ranging from Britney to Beyonc Kelly Clarkson to Kendrick Lamar uncovering the musical explanations for why and how certain tracks climb to the top of the charts In the process authors Charlie Harding and Nate Sloan reveal the timeless techniques that animate music across time and space *Humans of New York: Stories* Brandon Stanton,2020-10-06 The 1 New York Times Bestseller With over 500 vibrant full color photos Humans of New York Stories is an insightful and inspiring collection of portraits of the lives of New Yorkers Humans of New York Stories is the culmination of five years of innovative storytelling on the streets of New York City During this time photographer Brandon Stanton stopped photographed and interviewed more than ten thousand strangers eventually sharing their stories on his blog Humans of New York In Humans of New York Stories the interviews accompanying the photographs go deeper exhibiting the intimate storytelling that the blog has become famous for today Ranging from whimsical to heartbreaking these stories have attracted a global following of more than 30 million people across several social media platforms **Scrapbook** Adrian Tomine,2004-06 Scrapbook presents a comprehensive collection of the work of Adrian Tomine ranging from the strips originally published in Tower Records Pulse magazine to his illustration and design work *All the Places We've Been, All the Places We're Going* John Cei Douglas,2021-02-25 A beautiful wordless graphic novel about feeling lost and trying to get back to the place where you think you should be What happens when you re trapped in the darkness in emotional pain and turmoil How can you make your way through that anguish and find joy again In wordless black and white illustrations John Cei Douglas empathetically shows the struggle to communicate how things feel when we get lost and the wrenching loneliness that comes with mental health struggles His poignant images show a woman sad and alone as she drifts powerlessly across a vast and empty universe till she finds her way home A quietly beautiful meditation on the seemingly endless paths we wander just to be able to return to where we think we should be *All the Places in Between* is a comforting reminder that you re not alone on your journey **Caricature** Daniel Clowes,1998 Hot on the heels of Clowes phenomenal GHOST WORLD success soon to be made into a film CARICATURE is a collection of nine dramatic short stories culled from EIGHTBALL and ESQUIRE magazine This is his first collection since GHOST WORLD Clowes has been described as the most respected American cartoonist after R Crumb A film based on GHOST WORLD will be released in 1999 directed by Terry Zwigoff and starring Christina Ricci **Imagine Wanting Only This** Kristen Radtke,2018-04-05 Imagine Wanting Only This is a haunting graphic memoir about leaving and those left behind After the sudden death of a beloved uncle Kristen becomes obsessed with abandoned places derelict
