[The Complete Stories](#) Alice Walker, 2011-12-29 A fantastic collection of stories, funny, touching, surprising, from the Pulitzer Prize-winning author of *THE COLOR PURPLE*. Stories are after all like a thumbprint. Unique to the soul and heart, they are by creation attached. Comprising two volumes, *In Love and Trouble* and *You Can't Keep a Good Woman Down*, *The Complete Stories* is a rich smorgasbord of tales that showcase three decades of the author's work. They show the immense range of Alice Walker's talent, from humour to stories of love, race, and politics, reaffirming her position as one of the most important writers of the past 50 years.

*Zora Neale Hurston* Carla Kaplan, Ph.D., 2007-12-18 I mean to live and die by my own mind. Zora Neale Hurston told the writer Countee Cullen. Arriving in Harlem in 1925 with little more than a dollar to her name, Hurston rose to become one of the central figures of the Harlem Renaissance, only to die in obscurity. Not until the 1970s was she rediscovered by Alice Walker and other admirers. Although Hurston has entered the pantheon as one of the most influential American writers of the 20th century, the true nature of her personality has proven elusive. Now a

brilliant complicated and utterly arresting woman emerges from this landmark book Carla Kaplan a noted Hurston scholar has found hundreds of revealing previously unpublished letters for this definitive collection she also provides extensive and illuminating commentary on Hurston s life and work as well as an annotated glossary of the organizations and personalities that were important to it From her enrollment at Baltimore s Morgan Academy in 1917 to correspondence with Marjorie Kinnan Rawlings Langston Hughes Dorothy West and Alain Locke to a final query letter to her publishers in 1959 Hurston s spirited correspondence offers an invaluable portrait of a remarkable irrepressible talent *Fire!! The Zora Neale Hurston Story* Peter Bagge,2021-04-29 A bold retelling of the life of the *Their Eyes Were Watching God* author Peter Bagge has defied the expectations of the comics industry by changing gears from his famous slacker hero Buddy Bradley to documenting the life and times of historical 20th century trailblazers If Bagge had not already had a New York Times bestseller with his biography of Margaret Sanger his newest biography *Fire The Zora Neale Hurston Story* would seem to be an unfathomable pairing of author and subject Yet through Bagge s skilled cartooning he turns what could be a rote biography into a bold and dazzling graphic novel creating a story as brilliant as the life itself Hurston challenged the norms of what was expected of an African American woman in early 20th century society The fifth of eight kids from a Baptist family in Alabama Hurston s writing prowess blossomed at Howard University and then Barnard College where she was the sole black student She arrived in NYC at the height of the Harlem Renaissance and quickly found herself surrounded by peers such as Langston Hughes and Wallace Thurman Hurston went on to become a noted folklorist and critically acclaimed novelist including her most provocative work *Their Eyes Were Watching God* Despite these landmark achievements personal tragedies and shifting political winds in the midcentury rendered her almost forgotten by the end of her life With admiration and respect Bagge reconstructs her vivid life in resounding full colour **Jump at de Sun** A. Alice Walker A major literary event a newly published work from the author of the American classic *Their Eyes Were Watching God* with a foreword from Pulitzer Prize winning author Alice Walker brilliantly illuminates the horror and injustices of slavery as it tells the true story of one of the last known survivors of the Atlantic slave trade abducted from Africa on the last Black Cargo ship to arrive in the United States. In 1927 Zora Neale Hurston went to Plateau, Alabama just outside Mobile to interview eighty-six year old Cudjo Lewis. Of the millions of men, women, and children transported from Africa to America as slaves, Cudjo was then the only person alive to tell the story of this integral part of the nation's history. Hurston was there to record Cudjo's firsthand account of the raid that led to his capture and bondage fifty years after the Atlantic slave trade was outlawed in the United States. In 1931 Hurston returned to Plateau, the African-centric community three miles from Mobile founded by Cudjo and other former slaves from his ship. Spending more than three months there she talked in depth with Cudjo about the details of his life. During those weeks the young writer and the elderly formerly enslaved man ate peaches and watermelon that grew in the backyard and talked about Cudjo's past memories from his childhood in Africa, the horrors of being captured and held in a barracoon for selection by American slavers, the harrowing experience of the Middle Passage packed with more than 100 other souls aboard the *Clotilda* and the years he spent in slavery until the end of the Civil War. Based on those interviews featuring Cudjo's unique vernacular and written from Hurston's perspective with the compassion and singular style that have made her one of the preeminent American authors of the twentieth century, *Barracoon* masterfully illustrates the tragedy of slavery and of one life forever defined by it. Offering insight into the pernicious legacy that continues to haunt us all, black and white, this poignant and powerful work is an invaluable contribution to our shared history and culture. **Tell My Horse** Zora Neale Hurston, 2009-10-13 Strikingly dramatic yet simple and unrestrained, an unusual and intensely interesting book richly packed

with strange information New York Times Book Review Based on Zora Neale Hurston s personal experiences in Haiti and Jamaica where she participated as an initiate rather than just an observer of voodoo practices during her visits in the 1930s this travelogue into a dark world paints a vividly authentic picture of the ceremonies customs and superstitions of voodoo

**Jump at the Sun** Alicia D. Williams, 2021-01-12. From the Newbery Honor-winning author of *Genesis Begins Again*, comes a shimmering picture book that shines the light on Zora Neale Hurston, the extraordinary writer and storycatcher extraordinaire who changed the face of American literature. Zora was a girl who hankered for tales like bees for honey. Now her mama always told her that if she wanted something to jump at de sun because even though you might not land quite that high, at least you'd get off the ground. So Zora jumped from place to place, from the porch of the general store where she listened to folktales to Howard University to Harlem. And everywhere she jumped, she shined sunlight on the tales most people hadn't been bothered to listen to until Zora. The tales no one had written down until Zora. Tales on a whole culture of literature overlooked until Zora. Until Zora jumped.
