**Work Horse Of The Western Front; The Story Of The 30th Infantry Division** Robert L. Hewitt,2015-11-06 Includes over 25 maps and 50 photos More than 60 American divisions

participated in the defeat of Germany in 1944 45 This is the story of one of the best of them a division which fought continually from the Normandy beachhead to the banks of the Elbe River in the heart of Germany Work Horse of the Western Front is as accurate and honest an account as the writer could make it under the circumstances Waging war is an exacting business undertaken under conditions which make for confusion and snafu The writer has taken the facts as he saw them the bad as well as the good with the conviction that he would slight the very real achievements of the Division if he attempted to present a saccharine picture of inevitable triumphs The measure of a great fighting unit is not that it never runs into difficulties but that it minimizes its errors and gains by experience By these standards Old Hickory was a great division as is evidenced by the caliber of the tasks it was called upon to perform *Providing the Means of War*, 2005 *Cold Iron Miles* Cameron, 2018-10-23 A young mage in training takes up the sword and is unwittingly pulled into a violent political upheaval in the first book of this epic fantasy trilogy by Miles Cameron author of *The Red Knight Aranthur* is a promising young mage But the world is not safe and after a confrontation leaves him no choice but to display his skill with a blade Aranthur is instructed to train under a renowned Master of Swords During his intensive training he begins to question the bloody life he s chosen And while studying under the Master he finds himself thrown into the middle of a political revolt that will impact everyone he s come to know To protect his friends Aranthur will be forced to decide if he can truly follow the Master of Swords into a life of violence and cold hearted commitment to the blade
