

# Most and Least Expensive Regions for Florida Auto Insurance

Online Auto Insurance found average quotes for a family of four\* for Florida's 67 counties and then found regional averages. The results: Floridians in the North Central region get quoted the lowest prices for coverage (9.2% below average), while Floridians in the Southeast get quoted the highest prices (37% above average).

\*Based on 1,675 quotes gathered through [www.flor.com/choices](http://www.flor.com/choices) in October for a family consisting of a 50-year-old male, a 50-year-old female, a 20-year-old male, and an 18-year-old female. Quotes are for a policy covering a 2012 Toyota Camry and a 2007 Toyota Corolla. Each regional average is based off of quotes from the same 25 insurers. The PIP+PD option includes only state-required coverages. The full policy includes additional, optional coverages.
