Get Better Faster Jul 27 2022 Effective and practical coaching strategies for new educators plus valuable online coaching tools Many teachers are only observed one or two times per year on average—and, even among those who are observed, scarcely any are given feedback as to how they could improve. The bottom line is clear: teachers do not need to be evaluated so much as they need to be developed and coached. In *Get Better Faster: A 90-Day Plan for Coaching New Teachers*, Paul Bambrick-Santoyo shares instructive tools of how school leaders can effectively guide new teachers to success. Over the course of the book, he breaks down the most critical actions leaders and teachers must take to achieve exemplary results. Designed for coaches as well as beginning teachers, *Get Better Faster* is an integral coaching tool for any school leader eager to help their teachers succeed. *Get Better Faster* focuses on what's practical and actionable which makes the book's approach to coaching so effective. By practicing the concrete actions and micro-skills listed in *Get Better Faster*, teachers will markedly improve their ability to lead a class, producing a steady chain reaction of future teaching success. Though focused heavily on the first 90 days of teacher development, it's possible to implement this work at any time. Junior and experienced teachers alike can benefit from the guidance of *Get Better Faster* while at the same time closing existing instructional gaps. Featuring valuable and practical online training tools available at

<http://www.wiley.com/go/getbetterfaster>, Get Better Faster provides agendas, presentation slides, a coach's guide, handouts, planning templates, and 35 video clips of real teachers at work to help other educators apply the lessons learned in their own classrooms. Get Better Faster will teach you: The core principles of coaching: Go Granular; Plan, Practice, Follow Up, Repeat; Make Feedback More Frequent Top action steps to launch a teacher's development in an easy-to-read scope and sequence guide It also walks you through the four phases of skill building: Phase 1 (Pre-Teaching): Dress Rehearsal Phase 2: Instant Immersion Phase 3: Getting into Gear Phase 4: The Power of Discourse Perfect for new educators and those who supervise them, Get Better Faster will also earn a place in the libraries of veteran teachers and school administrators seeking a one-stop coaching resource.

Someday the Plan of a Town: Poems Sep 09 2023 Poems of wayfaring and wayfinding, recovery and discovery, from "one of the best poets of his generation" (Elizabeth Lund, Washington Post). In 2018, reeling from marital, parental, and societal losses, acclaimed poet Todd Boss risked everything to be at one with the world. Boss sold his belongings and began to circle the globe in a series of consecutive housesits. He alternately inhabited thatched-roof farmhouses, hillside estates, urban apartments, and lush gardens in Berlin, Barcelona, Austin, Austria, Marrakesh, Singapore, Baltimore, Auckland, and more. The poems in Someday the Plan of a Town are his only souvenirs. Written under the influence of long walks along the Thames and the Pacific, of mornings at farmers' markets, train stations, and mountaintop basilicas, Someday the Plan of a Town conjures Spanish dust, English rain, French moss, Arizona cliffs, and Hungarian light, ringing all the while with timeless humor and wisdom. At the same time, these poems concern the most domestic of matters—personal grief and familial estrangement, reflections on a changing nation, and a journey of self-discovery that offers a new meaning of home. As much a commentary on modern-day America as a personal history replete with grief, Someday the Plan of a Town is a sensual, intellectual, and arrestingly musical map of one nomadic troubadour's journey to self.

The Plan of Chicago Jun 06 2023 Arguably the most influential document in the history of urban planning, Daniel Burnham's 1909 Plan of Chicago, coauthored by Edward Bennett and produced in collaboration with the Commercial Club of Chicago, proposed many of the city's most distinctive features, including its lakefront parks and roadways, the Magnificent Mile, and Navy Pier. Carl Smith's fascinating history reveals the Plan's central role in shaping the ways people envision the cityscape and urban life itself. Smith's concise and accessible narrative

begins with a survey of Chicago's stunning rise from a tiny frontier settlement to the nation's second-largest city. He then offers an illuminating exploration of the Plan's creation and reveals how it embodies the renowned architect's belief that cities can and must be remade for the better. The Plan defined the City Beautiful movement and was the first comprehensive attempt to reimagine a major American city. Smith points out the ways the Plan continues to influence debates, even a century after its publication, about how to create a vibrant and habitable urban environment. Richly illustrated and incisively written, his insightful book will be indispensable to our understanding of Chicago, Daniel Burnham, and the emergence of the modern city.

Designing Your Life Oct 10 2023 #1 NEW YORK TIMES BEST SELLER – At last, a book that shows you how to build a life you can thrive in, at any age or stage – “Life has questions. They have answers.” –The New York Times
Designers create worlds and solve problems using design thinking. Look around your office or home—at the tablet or smartphone you may be holding or the chair you are sitting in. Everything in our lives was designed by someone. And every design starts with a problem that a designer or team of designers seeks to solve. In this book, Bill Burnett and Dave Evans show us how design thinking can help us create a life that is both meaningful and fulfilling, regardless of who or where we are, what we do or have done for a living, or how young or old we are. The same design thinking responsible for amazing technology, products, and spaces can be used to design and build your career and your life, a life of fulfillment and joy, constantly creative and productive, one that always holds the possibility of surprise.
I Am Enough Jan 21 2022 A #1 New York Times bestseller and Goodreads Choice Awards picture book winner! This is the perfect gift for mothers and daughters, baby showers, and graduation. This gorgeous, lyrical ode to loving who you are, respecting others, and being kind to one another comes from Empire actor and activist Grace Byers and talented newcomer artist Keturah A. Bobo. We are all here for a purpose. We are more than enough. We just need to believe it. Plus don't miss **I Believe I Can**—the next beautiful picture celebrating self-esteem from Grace Byers and Keturah A. Bobo!

Tactics Study Guide, Updated and Expanded Nov 30 2022 In a world increasingly indifferent to Christian truth, followers of Christ need to be equipped to communicate with those who do not speak their language or accept their source of authority. In this updated and expanded study guide, apologist and radio host Gregory Koukl demonstrates how to get in the driver's seat in discussions about faith, keeping any conversation moving with thoughtful, artful tact. Readers will

learn how to maneuver comfortably and graciously through potential minefields, stop challengers in their tracks, turn the tables, and--most importantly--get people thinking about Jesus with conversations that look more like diplomacy than D-Day. Drawing on extensive experience defending Christianity in the public square, Koukl demonstrates how to: Initiate conversations effortlessly Present the truth clearly, cleverly, and persuasively Graciously and effectively expose faulty thinking Skillfully manage the details of dialogue Maintain an engaging, disarming style even under attack Designed to be used alongside the updated and expanded Tactics Video Study, this study guide provides a game plan for communicating the compelling truth about Christianity with confidence and grace.

Forecasting: principles and practice Dec 20 2021 Forecasting is required in many situations. Stocking an inventory may require forecasts of demand months in advance. Telecommunication routing requires traffic forecasts a few minutes ahead. Whatever the circumstances or time horizons involved, forecasting is an important aid in effective and efficient planning. This textbook provides a comprehensive introduction to forecasting methods and presents enough information about each method for readers to use them sensibly.

The Legend of Decimus Croome Sep 16 2021 Based on A Christmas Carol by Charles Dickens, The Legend of Decimus Croome is bound to become a Halloween classic for readers of all ages. Join a cast of ghosts, witches & ghouls on a wild holiday romp through Halloweens past, present & future. Once you've read The Legend of Decimus Croome, you will never look at Halloween the same again.

Fair Play Mar 23 2022 AN INSTANT NEW YORK TIMES BESTSELLER □ A REESE'S BOOK CLUB PICK Tired, stressed, and in need of more help from your partner? Imagine running your household (and life!) in a new way... It started with the Sh*t I Do List. Tired of being the "shefault" parent responsible for all aspects of her busy household, Eve Rodsky counted up all the unpaid, invisible work she was doing for her family—and then sent that list to her husband, asking for things to change. His response was...underwhelming. Rodsky realized that simply identifying the issue of unequal labor on the home front wasn't enough: She needed a solution to this universal problem. Her sanity, identity, career, and marriage depended on it. The result is Fair Play: a time- and anxiety-saving system that offers couples a completely new way to divvy up domestic responsibilities. Rodsky interviewed more than five hundred men and women from all walks of life to figure out what the invisible work in a family actually entails and how to get it all done efficiently. With 4 easy-to-follow rules, 100 household tasks, and a series of conversation starters for you and your partner, Fair Play helps you prioritize what's important to

your family and who should take the lead on every chore, from laundry to homework to dinner. "Winning" this game means rebalancing your home life, reigniting your relationship with your significant other, and reclaiming your Unicorn Space—the time to develop the skills and passions that keep you interested and interesting. Stop drowning in to-dos and lose some of that invisible workload that's pulling you down. Are you ready to try Fair Play? Let's deal you in.

The Meaning of the Pentateuch May 13 2021 Biblical Foundations Book Award
The Pentateuch is the foundation for understanding the Old Testament and the Bible as a whole. Yet through the centuries it has been probed and dissected, weighed and examined, its text peeled back for its underlying history, its discourse analyzed and its words weighed. Could there be any stone in Sinai yet unturned? Surprisingly, there is. From a career of study, John Sailhamer sums up his perspective on the Pentateuch by first settling the hermeneutical question of where we should set our attention. Rather than focus on the history behind the text, Sailhamer is convinced that it is the text itself that should be our primary focus. Along the way he demonstrates that this was in fact the focus of many interpreters in the precritical era. Persuaded of the singular vision of the Pentateuch, Sailhamer searches out clues left by the author and the later editor of the Pentateuch that will disclose the meaning of this great work. By paying particular attention to the poetic seams in the text, he rediscovers a message that surprisingly brings us to the threshold of the New Testament gospel.

Relativism May 17 2024 A critique of moral relativism, the belief that there exists no objective moral standards that apply to every place, person, and time.

Anti-Bias Education for Young Children and Ourselves Mar 11 2021 Anti-bias education begins with you! Become a skilled anti-bias teacher with this practical guidance to confronting and eliminating barriers.

Conversations with God for Teens Nov 18 2021 Suppose you could ask God any question and get an answer. What would it be? Young people all over the world have been asking those questions. So Neale Donald Walsch, author of the internationally bestselling Conversations with God series had another conversation. Conversations with God for Teens is a simple, clear, straight-to-the-point dialogue that answers teens questions about God, money, sex, love, and more. Conversations with God for Teens reads like a rap session at a church youth group, where teenagers discuss everything they ever wanted to know about life but were too afraid to ask God. Walsch acts as the verbal conduit, showing teenagers how easy it is to converse with the divine. When Claudia, age 16, from Perth, Australia, asks, "Why can't I just have sex with everybody? What's the big deal?", the answer God

offers her is: "Nothing you do will ever be okay with everybody. 'Everybody' is a large word. The real question is can you have sex and have it be okay with you?" There's no doubt that the casual question-and-answer format will help make God feel welcoming and accessible to teens. *Conversations with God for Teens* is the perfect gift purchase for parents, grandparents, and anyone else who wants to provide accessible spiritual content for the teen(s) in their lives.

Running Lean Apr 11 2021 Offers a systematic approach to product/market fit, discussing customer involvement, optimal time to obtain funding, and when to change the plan.

The Signals Are Talking Oct 18 2021 A Fast Company best book of the year
A Washington Post bestseller
Winner of the 2017 Axiom Business Book Award in Business Technology
How do you tell a real trend from the merely trendy? How, for example, will a technology--like artificial intelligence, machine learning, self-driving cars, biohacking, bots, and the Internet of Things--affect us, our businesses, and workplaces? How will it eventually change the way we live, work, play, and think--and how should we prepare for it now? In *The Signals Are Talking*, noted futurist Amy Webb shows us how to analyze the "true signals"--those patterns that will coalesce into a trend with the potential to change everything--and land on the right side of disruption. The future, Webb shows, isn't something that happens to us passively. Using a proven, tested methodology, she enables us to see ahead and forecast what's to come--challenging us to create our own preferred futures.

Holes Jan 01 2023 This groundbreaking classic is now available in a special anniversary edition with bonus content. Winner of the Newbery Medal as well as the National Book Award, *HOLE*S is a New York Times bestseller and one of the strongest-selling middle-grade books to ever hit shelves! Stanley Yelnats is under a curse. A curse that began with his no-good-dirty-rotten-pig-stealing-great-great-grandfather and has since followed generations of Yelnatses. Now Stanley has been unjustly sent to a boys' detention center, Camp Green Lake, where the boys build character by spending all day, every day digging holes exactly five feet wide and five feet deep. There is no lake at Camp Green Lake. But there are an awful lot of holes. It doesn't take long for Stanley to realize there's more than character improvement going on at Camp Green Lake. The boys are digging holes because the warden is looking for something. But what could be buried under a dried-up lake? Stanley tries to dig up the truth in this inventive and darkly humorous tale of crime and punishment and redemption. Special anniversary edition bonus content includes: A New Note From the Author!; "Ten Things You May Not Know About *HOLE*S" by Louis Sachar; and more!

The Writing Revolution Oct 30 2022 Why you need a writing revolution in your classroom and how to lead it The Writing Revolution (TWR) provides a clear method of instruction that you can use no matter what subject or grade level you teach. The model, also known as The Hochman Method, has demonstrated, over and over, that it can turn weak writers into strong communicators by focusing on specific techniques that match their needs and by providing them with targeted feedback. Insurmountable as the challenges faced by many students may seem, The Writing Revolution can make a dramatic difference. And the method does more than improve writing skills. It also helps: Boost reading comprehension Improve organizational and study skills Enhance speaking abilities Develop analytical capabilities The Writing Revolution is as much a method of teaching content as it is a method of teaching writing. There's no separate writing block and no separate writing curriculum. Instead, teachers of all subjects adapt the TWR strategies and activities to their current curriculum and weave them into their content instruction. But perhaps what's most revolutionary about the TWR method is that it takes the mystery out of learning to write well. It breaks the writing process down into manageable chunks and then has students practice the chunks they need, repeatedly, while also learning content.

How to Avoid a Climate Disaster Aug 28 2022 #1 NEW YORK TIMES BEST SELLER ¶ In this urgent, authoritative book, Bill Gates sets out a wide-ranging, practical—and accessible—plan for how the world can get to zero greenhouse gas emissions in time to avoid a climate catastrophe. Bill Gates has spent a decade investigating the causes and effects of climate change. With the help of experts in the fields of physics, chemistry, biology, engineering, political science, and finance, he has focused on what must be done in order to stop the planet's slide to certain environmental disaster. In this book, he not only explains why we need to work toward net-zero emissions of greenhouse gases, but also details what we need to do to achieve this profoundly important goal. He gives us a clear-eyed description of the challenges we face. Drawing on his understanding of innovation and what it takes to get new ideas into the market, he describes the areas in which technology is already helping to reduce emissions, where and how the current technology can be made to function more effectively, where breakthrough technologies are needed, and who is working on these essential innovations. Finally, he lays out a concrete, practical plan for achieving the goal of zero emissions—suggesting not only policies that governments should adopt, but what we as individuals can do to keep our government, our employers, and ourselves accountable in this crucial enterprise. As Bill Gates makes clear, achieving zero emissions will not be simple or easy to do,

but if we follow the plan he sets out here, it is a goal firmly within our reach.

The Bible Recap Nov 11 2023 Have you ever closed your Bible and thought, What did I just read? Whether you're brand-new to the Bible or you grew up in the second pew, reading Scripture can feel confusing or boring at times. Understanding it well seems to require reading it thoroughly (and even repeatedly), but who wants to read something they don't understand? If you've ever wanted to read through the Bible or even just wanted to want to read it, The Bible Recap is here to help.

Following a chronological Bible reading plan, these recaps explain and connect the story of Scripture, section by section. Soon you'll see yourself as a child of God who knows and loves His Word in the ways you've always hoped for. You don't have to go to seminary. You don't need a special Bible. Just start reading this book alongside your Bible and see what God has to say about Himself in the story He's telling. "Tara-Leigh gets me excited to read the Bible. Period. I have found a trusted guide to walk me into deeper understanding of the Scriptures."--MICHAEL DEAN MCDONALD, the Bible Project

I Am Jazz Jul 15 2021 The story of a transgender child based on the real-life experience of Jazz Jennings, who has become a spokesperson for transkids everywhere "This is an essential tool for parents and teachers to share with children whether those kids identify as trans or not. I wish I had had a book like this when I was a kid struggling with gender identity questions. I found it deeply moving in its simplicity and honesty."—Laverne Cox (who plays Sophia in *Orange Is the New Black*) From the time she was two years old, Jazz knew that she had a girl's brain in a boy's body. She loved pink and dressing up as a mermaid and didn't feel like herself in boys' clothing. This confused her family, until they took her to a doctor who said that Jazz was transgender and that she was born that way. Jazz's story is based on her real-life experience and she tells it in a simple, clear way that will be appreciated by picture book readers, their parents, and teachers.

Difficult Conversations Jul 07 2023 The 10th-anniversary edition of the New York Times business bestseller-now updated with "Answers to Ten Questions People Ask" We attempt or avoid difficult conversations every day-whether dealing with an underperforming employee, disagreeing with a spouse, or negotiating with a client. From the Harvard Negotiation Project, the organization that brought you *Getting to Yes*, *Difficult Conversations* provides a step-by-step approach to having those tough conversations with less stress and more success. you'll learn how to:

- Decipher the underlying structure of every difficult conversation
- Start a conversation without defensiveness
- Listen for the meaning of what is not said
- Stay balanced in the face of attacks and accusations
- Move from emotion to

productive problem solving

Thank You, Mr. Falker Feb 19 2022 The real-life, classic story of a dyslexic girl and the teacher who would not let her fail. A perfect gift for teachers and for reading students of any age. Patricia Polacco is now one of America's most loved children's book creators, but once upon a time, she was a little girl named Trisha starting school. Trisha could paint and draw beautifully, but when she looked at words on a page, all she could see was jumble. It took a very special teacher to recognize little Trisha's dyslexia: Mr. Falker, who encouraged her to overcome her reading disability. Patricia Polacco will never forget him, and neither will we. This inspiring story is available in a deluxe slipcased edition, complete with a personal letter to readers from Patricia Polacco herself. Thank You, Mr. Falker will make a beautiful gift for the special child who needs encouragement&150or any special teacher who has made a difference in the child's life.

Silent Souls Weeping Jun 13 2021

Understanding by Design Aug 08 2023 What is understanding and how does it differ from knowledge? How can we determine the big ideas worth understanding? Why is understanding an important teaching goal, and how do we know when students have attained it? How can we create a rigorous and engaging curriculum that focuses on understanding and leads to improved student performance in today's high-stakes, standards-based environment? Authors Grant Wiggins and Jay McTighe answer these and many other questions in this second edition of Understanding by Design. Drawing on feedback from thousands of educators around the world who have used the UbD framework since its introduction in 1998, the authors have greatly revised and expanded their original work to guide educators across the K-16 spectrum in the design of curriculum, assessment, and instruction. With an improved UbD Template at its core, the book explains the rationale of backward design and explores in greater depth the meaning of such key ideas as essential questions and transfer tasks. Readers will learn why the familiar coverage- and activity-based approaches to curriculum design fall short, and how a focus on the six facets of understanding can enrich student learning. With an expanded array of practical strategies, tools, and examples from all subject areas, the book demonstrates how the research-based principles of Understanding by Design apply to district frameworks as well as to individual units of curriculum. Combining provocative ideas, thoughtful analysis, and tested approaches, this new edition of Understanding by Design offers teacher-designers a clear path to the creation of curriculum that ensures better learning and a more stimulating experience for students and teachers alike.

We Are Grateful Jun 25 2022 This authentic, loving celebration of gratitude & community—written by a citizen of the Cherokee nation—follows celebrations and experiences through the seasons of a year, underscoring the traditions and ways of Cherokee life.

Tactics, 10th Anniversary Edition Feb 14 2024 Tactics provides the game plan for defending your faith and artfully communicating the truths of Christianity with confidence and grace. This expanded anniversary edition of the classic book of Christian apologetics includes updates and expansions of existing tactics, as well as the addition of an all-new tactic and a chapter on Mini Tactics filled with simple maneuvers to aid in discussions. In a culture increasingly indifferent or even hostile to Christian truth, followers of Christ need to be equipped to communicate with those who do not speak their language or accept their source of authority. In *Tactics, 10th Anniversary Edition*, Gregory Koukl demonstrates how to artfully regain control of conversations, keeping them moving forward in constructive ways through thoughtful diplomacy. You'll learn how to: Meet challenges, questions, and provocations with poise and conviction. Effortlessly start your own evangelical conversations. Present the truth clearly, cleverly, and persuasively. Graciously and effectively expose faulty thinking and logical fallacies. Most important, you'll learn how to get people thinking seriously about Jesus. Drawing on extensive experience defending Christianity in the public square, Koukl will not only walk you through effective arguments to defend why you believe what you believe, but he'll teach you methods for engaging in meaningful dialogue and debate. Step-by-step, you'll learn the tactics of good persuasion and defense, how to identify the tactics of your opponent, and how to build your case, patiently and practically.

Julián Is a Mermaid Mar 03 2023 In an exuberant picture book, a glimpse of costumed mermaids leaves one boy flooded with wonder and ready to dazzle the world. While riding the subway home from the pool with his abuela one day, Julián notices three women spectacularly dressed up. Their hair billows in brilliant hues, their dresses end in fishtails, and their joy fills the train car. When Julián gets home, daydreaming of the magic he's seen, all he can think about is dressing up just like the ladies in his own fabulous mermaid costume: a butter-yellow curtain for his tail, the fronds of a potted fern for his headdress. But what will Abuela think about the mess he makes — and even more importantly, what will she think about how Julián sees himself? Mesmerizing and full of heart, Jessica Love's author-illustrator debut is a jubilant picture of self-love and a radiant celebration of individuality.

Tactics Jun 18 2024 Tired of finding yourself flat-footed and intimidated in conversations? Want to increase your confidence and skill in discussions with

family, friends, and coworkers? Gregory Koukl offers practical strategies to help you stay in the driver's seat as you maneuver comfortably and graciously in any conversation about your Christian convictions.

We Got This Aug 16 2021 While challenging the teacher as hero trope, We Got This shows how authentically listening to kids is the closest thing to a superpower that we have. Cornelius identifies tools, attributes, and strategies that can augment our listening.

God's Plan for Man May 05 2023 "Originally published in 26 books of two lessons and a supplement in each book."

Pink and Say Apr 04 2023 When Sheldon Russell Curtis told this story to his daughter, Rosa, she kept every word in her heart and was to retell it many times. I will tell it in Sheldon's own words as nearly as I can. He was wounded in a fierce battle and left for dead in a pasture somewhere in Georgia when Pinkus found him. Pinkus' skin was the color of polished mahogany, and he was flying Union colors like the wounded boy, and he picked him up out of the field and brought him to where the black soldier's mother, Moe Moe Bay, lived. She had soft, gentle hands and cared for him and her Pink. But the two boys were putting her in danger, two Union soldiers in Confederate territory! They had to get back to their outfits. Scared and uncertain, the boys were faced with a hard decision, and then marauding Confederate troops rode in. In this Civil War story passed from great-grandfather to grandmother, to son, and finally to the author-artist herself, Patricia Polacco once again celebrates the shared humanity of the peoples of this world.

How to Run a Meeting Apr 23 2022 What makes for a great meeting? As a leader, how can you keep discussions on point and productive? In How to Run a Meeting, Antony Jay argues that too many leaders fail to plan adequately for meetings. In this bestselling article, he defines the characteristics that contribute to success, from keeping formal minutes to acknowledging junior staff first. These guidelines will help you get demonstrably better results from every meeting you run. Since 1922, Harvard Business Review has been a leading source of breakthrough ideas in management practice. The Harvard Business Review Classics series now offers you the opportunity to make these seminal pieces a part of your permanent management library. Each highly readable volume contains a groundbreaking idea that continues to shape best practices and inspire countless managers around the world.

Discussion as a Way of Teaching Sep 28 2022 This book is written for all university and college teachers interested in experimenting with discussion methods in their classrooms. Discussion as a Way of Teaching is a book full of ideas, techniques, and usable suggestions on: * How to prepare students and teachers to

participate in discussion * How to get discussions started * How to keep discussions going * How to ensure that teachers' and students' voices are kept in some sort of balance It considers the influence of factors of race, class and gender on discussion groups and argues that teachers need to intervene to prevent patterns of inequity present in the wider society automatically reproducing themselves inside the discussion-based classroom. It also grounds the evaluation of discussions in the multiple subjectivities of students' perceptions. An invaluable and helpful resource for university and college teachers who use, or are thinking of using, discussion approaches.

Refugee Feb 02 2023 The award-winning, #1 New York Times bestselling novel from Alan Gratz tells the timely--and timeless--story of three different kids seeking refuge. A New York Times bestseller! JOSEF is a Jewish boy living in 1930s Nazi Germany. With the threat of concentration camps looming, he and his family board a ship bound for the other side of the world... ISABEL is a Cuban girl in 1994. With riots and unrest plaguing her country, she and her family set out on a raft, hoping to find safety in America... MAHMOUD is a Syrian boy in 2015. With his homeland torn apart by violence and destruction, he and his family begin a long trek toward Europe... All three kids go on harrowing journeys in search of refuge. All will face unimaginable dangers -- from drownings to bombings to betrayals. But there is always the hope of tomorrow. And although Josef, Isabel, and Mahmoud are separated by continents and decades, shocking connections will tie their stories together in the end. As powerful and poignant as it is action-packed and page-turning, this highly acclaimed novel has been on the New York Times bestseller list for more than four years and continues to change readers' lives with its meaningful takes on survival, courage, and the quest for home.

Option B Mar 15 2024 #1 NEW YORK TIMES BEST SELLER □ From authors of Lean In and Originals: a powerful, inspiring, and practical book about building resilience and moving forward after life's inevitable setbacks After the sudden death of her husband, Sheryl Sandberg felt certain that she and her children would never feel pure joy again. "I was in "the void,"" she writes, "a vast emptiness that fills your heart and lungs and restricts your ability to think or even breathe." Her friend Adam Grant, a psychologist at Wharton, told her there are concrete steps people can take to recover and rebound from life-shattering experiences. We are not born with a fixed amount of resilience. It is a muscle that everyone can build. Option B combines Sheryl's personal insights with Adam's eye-opening research on finding strength in the face of adversity. Beginning with the gut-wrenching moment when she finds her husband, Dave Goldberg, collapsed on a gym floor,

Sheryl opens up her heart—and her journal—to describe the acute grief and isolation she felt in the wake of his death. But Option B goes beyond Sheryl's loss to explore how a broad range of people have overcome hardships including illness, job loss, sexual assault, natural disasters, and the violence of war. Their stories reveal the capacity of the human spirit to persevere . . . and to rediscover joy. Resilience comes from deep within us and from support outside us. Even after the most devastating events, it is possible to grow by finding deeper meaning and gaining greater appreciation in our lives. Option B illuminates how to help others in crisis, develop compassion for ourselves, raise strong children, and create resilient families, communities, and workplaces. Many of these lessons can be applied to everyday struggles, allowing us to brave whatever lies ahead. Two weeks after losing her husband, Sheryl was preparing for a father-child activity. "I want Dave," she cried. Her friend replied, "Option A is not available," and then promised to help her make the most of Option B. We all live some form of Option B. This book will help us all make the most of it.

Tactics Study Guide Jan 13 2024 In a world increasingly indifferent to Christian truth, followers of Christ need to be equipped to communicate with those who do not speak their language or accept their source of authority. In the Tactics Study Guide, apologist and radio host Gregory Koukl demonstrates how to get in the driver's seat in discussions about faith, keeping any conversation moving with thoughtful, artful tact. Content-area Conversations Apr 16 2024 A guide to fostering academic discourse in classrooms regardless of subject area, with a focus on English language learners at all levels.

Every Thought Captive Dec 12 2023 Publisher's description: How many Christians can defend their faith? I Peter 3:15 exhorts us to be ready to give a defense to anyone who asks about the hope within us. As we prepare our children for

adulthood, part of bringing them to maturity should be teaching them biblically sound apologetics. Every Thought Captive was written with that very purpose in mind! Dr. Pratt created the lessons in this book for high school-age students to specifically train them in presuppositional apologetics, a genuine biblical defense of the faith. This book can be used for individual study or with a group. Parents, you may want to study alongside your student, equipping yourself as well as your child!

The 1-Page Marketing Plan Feb 07 2021 **WARNING: Do Not Read This Book If You Hate Money** To build a successful business, you need to stop doing random acts of marketing and start following a reliable plan for rapid business growth. Traditionally, creating a marketing plan has been a difficult and time-consuming process, which is why it often doesn't get done. In The 1-Page Marketing Plan, serial entrepreneur and rebellious marketer Allan Dib reveals a marketing implementation breakthrough that makes creating a marketing plan simple and fast. It's literally a single page, divided up into nine squares. With it, you'll be able to map out your own sophisticated marketing plan and go from zero to marketing hero. Whether you're just starting out or are an experienced entrepreneur, The 1-Page Marketing Plan is the easiest and fastest way to create a marketing plan that will propel your business growth. In this groundbreaking new book you'll discover:

- How to get new customers, clients or patients and how to make more profit from existing ones.
- Why "big business" style marketing could kill your business and strategies that actually work for small and medium-sized businesses.
- How to close sales without being pushy, needy, or obnoxious while turning the tables and having prospects begging you to take their money.
- A simple step-by-step process for creating your own personalized marketing plan that is literally one page. Simply follow along and fill in each of the nine squares that make up your own 1-Page Marketing Plan.
- How to annihilate competitors and make yourself the only logical choice.
- How to get amazing results on a small budget using the secrets of direct response marketing.
- How to charge high prices for your products and services and have customers actually thank you for it.
