The Wanted The Wanted, 2010 The Wanted Our Story is the official book by the most popular boy band to break this year. The Wanted made headlines in August 2010 when their debut single went straight to number one and their lives since have been a roller coaster ride to the top of the UK music scene. Published in full collaboration with the band, this beautifully illustrated book will contain exclusive photographic material and unseen behind-the-scenes shots as well as a special section dedicated to their devoted fans. It also offers an extraordinary insight into the boys' lives, including each member's journey to becoming part of The Wanted. This book will reveal everything the fans wanted to know about Max, Nathan, Jay, Siva, and Tom. Quite simply, this will be the most wanted book of the year. **Our Story** Union J, 2013-09-26 Join Union J as they embark on their journey to become THE next big boyband in Our Story. Only a few months ago, Union J were just average guys dreaming of performing on the X Factor stage, making music, and having legions of fans screaming their names. And now that dream has become a reality. Follow Union J's unique journey from ordinary boys to stars as one of the most popular acts on X Factor 2012 in their first official memoir. Packed full of exclusive photos, behind-the-scenes gossip, and the individual stories of JJ, Jaymi, Josh, and George. Union J's Our Story is the book is a must-have for all J-Cats. Union J shot to stardom after reaching the X Factor finals in 2012. Jaymi, Josh, and JJ had originally auditioned as a three-piece called Triple J, but Louis selected soloist George to join the group, recognising their potential as a four-piece. They have since played to sold-out arenas around the country on the X Factor tour, signed a record deal with Sony Music, and recorded their first single to be released in June 2013. The Vamps: Our Story The Vamps, 2016-10-20 Since forming on YouTube in 2012, The Vamps have become one of the biggest bands in the UK. They have travelled the world with massive arena tours, sold hundreds of thousands of records, and gained legions of amazing and devoted fans. They have gone from schoolboys to superstardom in just a few years, and for the first time, Connor, Brad, Tristan, and James tell their story. From life on the road to dealing with their new-found fame, nothing is off-limits. Featuring exclusive behind-the-scenes photography, this is a fully illustrated joint autobiography, the perfect book for any Vamps fan. **The Power of Branding** Tony Sinanis, Joseph Sanfelippo, 2014-09-04 Turn a spotlight on what's great about your school. Money Mohammad Ashraf,2020-10-05 This book clarifies some misunderstandings about money by tying the concept of money to the goods and services sector of the economy In addition it demystifies the process of money creation on the part of central banks The phenomenon of money is ubiquitous it has been around for tens of thousands of years if not longer Indeed no modern economy could function without money For many however the concept of money remains elusive Worse still misinformation abounds which leaves the uninitiated vulnerable to fraud This lack of understanding has serious policy implications as well When policymakers lack a firm grasp of the concept policy is likely to be flawed and its effects are likely to be detrimental to the body politic After providing a brief history of money the author details the role of money in the division of labor and specialization in economic growth and in an interconnected world Throughout the book he points out the pitfalls of fallacious thinking In recent policy debates such thinking has led to proposals ranging from the re institution of the gold standard to supplying limitless money as suggested by Modern Monetary Theory
