Practical English Level 365 Volume 1 Answer Key Oct 21 2021 The primary objective for providing this ANSWER KEY is to ease the burden of the teacher in marking the assignments. Many Teaching Assistants can use it to mark the assignments for the teacher. Even in situations where teachers have no Teaching Assistants, the class teacher may employ the conventional method of engaging the students in a quick-in-class marking where students mark each other's assignments. Although I do not consider Practical English Level 365 completely self-instructional, some students, with the help of this ANSWER KEY, can use the text book with little or no help at all from professional teachers and/or parent-teachers.
