To Janey Larkin, the blue willow plate was the most beautiful thing in her life, a symbol of the home she could only dimly remember. Now that her father was an itinerant worker, Janey didn't have a home she could call her own or any real friends, as her family had to keep moving, following the crops from farm to farm. Someday, Janey promised the willow plate, with its picture of a real house, her family would once again be able to set down roots in a community. Blue Willow is an important fictional account of the Dust Bowl and the Great Depression, and has been called *The Grapes of Wrath* for children. It won a Newbery Honor and many other awards. A beautifully crafted graphic novel adaptation of Harper Lee's beloved American classic, voted the #1 Great American Read 2018. 'Shoot all the bluejays you want, if you can hit 'em, but remember it's a sin to kill a mockingbird.' A haunting portrait of race and class, innocence and injustice, hypocrisy and heroism, tradition and transformation in the Deep South of the 1930s, Harper Lee's *To Kill a Mockingbird* remains as important today as it was upon its initial publication in 1960, during the turbulent years of the Civil Rights movement. Now, this most beloved and acclaimed novel is reborn for a new age as a gorgeous graphic novel. Scout, Jem, Boo Radley, Atticus Finch and the small town of Maycomb, Alabama, are all captured in vivid and moving illustrations by artist Fred Fordham. Enduring in vision, Harper Lee's timeless novel illuminates the complexities of human nature and

the depths of the human heart with humour, unwavering honesty and a tender, nostalgic beauty. Lifetime admirers and new readers alike will be touched by this special visual edition. "In his play, Christopher Sergel has shifted the focus slightly. The result of this shift, I believe, highlights the novel's universal qualities. [He] reminds us...that the issues explored are not those of a 'regional' work of art (as the novel is often categorised) but are of importance in Nottingham, Manchester, Birmingham or wherever the play is seen by an audience." - from Ray Speakman's introduction.

Ambition will fuel him. Competition will drive him. But power has its price. It is the morning of the reaping that will kick off the tenth annual Hunger Games. In the Capitol, eighteen-year-old Coriolanus Snow is preparing for his one shot at glory as a mentor in the Games. The once-mighty house of Snow has fallen on hard times, its fate hanging on the slender chance that Coriolanus will be able to outcharm, outwit, and outmaneuver his fellow students to mentor the winning tribute. The odds are against him. He's been given the humiliating assignment of mentoring the female tribute from District 12, the lowest of the low. Their fates are now completely intertwined - every choice Coriolanus makes could lead to favor or failure, triumph or ruin. Inside the arena, it will be a fight to the death. Outside the arena, Coriolanus starts to feel for his doomed tribute . . . and must weigh his need to follow the rules against his desire to survive no matter what it takes.

Reproduction of the original. The publishing house Megali specialises in reproducing historical works in large print to make reading easier for people with impaired vision. The explosion of racial hate and violence in a small Alabama town is viewed by a little girl whose father defends a black man accused of rape. New York Times Bestseller "A winning, nuanced portrait. . . . It seems unlikely we'll ever have a better record of a remarkable American life." —USA Today "There are many reasons to be grateful for *The Mockingbird Next Door*....A zesty account of two women living on their own terms yet always guided by the strong moral compass instilled in them by their father.... It is also an atmospheric tale of changing small-town America; of an unlikely, intergenerational friendship between the young author and her elderly subjects; of journalistic integrity; and of grace and fortitude.... The world [Mills] depicts is sadly gone, but—lucky for us—she caught it just in time."—Washington Post *To Kill a Mockingbird* is one of the best loved novels of the twentieth century. Yet for the last fifty years, the novel's celebrated author, Harper Lee, known to her friends as Nelle, has said almost nothing on the record. But in 2001, Nelle and her sister, Alice Finch Lee, opened their door to Chicago Tribune journalist Marja Mills. It was the beginning of a long conversation—and a wonderful friendship. Mills was given a rare opportunity to know Nelle, to be a part of the Lees' life in Alabama, and to hear them reflect on their

upbringing, their corner of the Deep South, and how *To Kill a Mockingbird* affected their lives. Part coming of age, part call to action, this fast-paced #ownvoices novel about a Deaf teenager is a unique and inspiring exploration of what it means to belong. Smart, artistic, and independent, sixteen year old Piper is tired of trying to conform. Her mom wants her to be “normal,” to pass as hearing, to get a good job. But in a time of food scarcity, environmental collapse, and political corruption, Piper has other things on her mind—like survival. Piper has always been told that she needs to compensate for her Deafness in a world made for those who can hear. But when she meets Marley, a new world opens up—one where Deafness is something to celebrate, and where resilience means taking action, building a community, and believing in something better. Published to rave reviews as *Future Girl* in Australia (Allen & Unwin, Sept. 2020), this empowering, unforgettable story is told through a visual extravaganza of text, paint, collage, and drawings. Set in an ominously prescient near future, *The Words in My Hands* is very much a novel for our turbulent times.

An in-depth analysis of Harper Lee, his writings, and the historical time period in which they were written. Originally published in 1929, “*The Blacker the Berry*” is a novel by American novelist Wallace Henry Thurman (1902–1934). An active writer during the Harlem Renaissance, he produced essays, worked as an editor, and was a publisher of numerous newspapers and

journals. His best-known work, "The Blacker the Berry", represents a detailed exploration of the discrimination within the black community based on skin colour, with a higher value being placed on lighter skin. A moving tale of the hardships faced by African-American post-emancipation not to be missed by those interested in black history and literature. Contents include: "If I Had Known by Alice Dunbar-Nelson", "Emma Lou", "Harlem", "Alva", "Rent Party", "Pyrrhic Victor". Read & Co. Classics is proudly republishing this classic novel now in a brand new edition, complete with the introductory poem "If I Had Known" by Alice Dunbar-Nelson. "This is a Borzoi book published by Alfred A. Knopf"--Title page verso. Teaching Mockingbird presents educators with the materials they need to transform how they teach Harper Lee's novel To Kill a Mockingbird. Interweaving the historical context of Depression-era rural Southern life, and informed by Facing History's pedagogical approach, this resource introduces layered perspectives and thoughtful strategies into the teaching of To Kill a Mockingbird. This teacher's guide provides English language arts teachers with student handouts, close reading exercises, and connection questions that will push students to build a complex understanding of the historical realities, social dynamics, and big moral questions at the heart of To Kill a Mockingbird. Following Facing History's scope and sequence, students will consider the identities of the characters,

and the social dynamics of the community of Maycomb, supplementing their understanding with deep historical exploration. They will consider challenging questions about the individual choices that determine the outcome of Tom Robinson's trial, and the importance of civic participation in the building a more just society. Teaching *Mockingbird* uses Facing History's guiding lens to examine *To Kill a Mockingbird*, offering material that will enhance student's literary skills, moral growth, and social development. Everyone thought Stoner's Boy was dead. Seckatary Hawkins and the other boys saw him take that terrible fall into the cliff cave abyss. But the masked marauder known as the Gray Ghost is back -- running the river and causing mischief... or is he? It's not altogether clear whether or not someone from the old Red Runner gang, either Androfski the Silent or Jude the Fifth, is masquerading as the Fair and Square Club's old archenemy to hide from the law. Plus, there's a new boy in town named Simon Bleaker who seems just as rotten and wily as Stoner's Boy ever was. Will Seck and his friends be able to solve the mystery in time and bring peace back to the riverbank? Before Nancy Drew and the Hardy Boys, Seckatary Hawkins and his friends were solving mysteries and thrilling readers with tales of adventure, loyalty, and courage. One of the biggest fans of the series was author Harper Lee, and she ends her masterpiece *To Kill a Mockingbird* with a quote from *The Gray Ghost*. Now,

the tales of the Fair and Square Club's encounters with the river renegade are back in print and ready to ignite the imaginations of devoted fans and new readers of all ages. Plot synopsis of this classic is made meaningful with analysis and quotes by noted literary critics, summaries of the work's main themes and characters, a sketch of the author's life and times, a bibliography, suggested test questions, and ideas for essays and term papers. To commemorate the 50th anniversary of Harper Lee's beloved classic *To Kill a Mockingbird*, filmmaker Mary Murphy has interviewed prominent figures—including Oprah, Anna Quindlen, and Tom Brokaw—on how the book has impacted their lives. These interviews are compiled in *Scout, Atticus, and Boo*, the perfect companion to one of the most important American books of the 20th Century. *Scout, Atticus, and Boo* will also feature a foreword from acclaimed writer Wally Lamb. In 1960, *To Kill a Mockingbird* was published to critical acclaim. To commemorate *To Kill a Mockingbird*'s 50th anniversary, Michael J. Meyer has assembled a collection of new essays that celebrate this enduring work of American literature. These essays approach the novel from educational, legal, social, and thematic perspectives. Harper Lee's only novel won the Pulitzer Prize and was transformed into a beloved film starring Gregory Peck as Atticus Finch. An American classic that frequently appears in middle school and high school curriculums, the novel has been subjected to criticism for its subject

matter and language. Still relevant and meaningful, *To Kill a Mockingbird* has nonetheless been underappreciated by many critics. There are few books that address Lee's novel's contribution to the American canon and still fewer that offer insights that can be used by teachers and by students. These essays suggest that author Harper Lee deserves more credit for skillfully shaping a masterpiece that not only addresses the problems of the 1930s but also helps its readers see the problems and prejudices the world faces today. Intended for high school and undergraduate usage, as well as for teachers planning to use *To Kill a Mockingbird* in their classrooms, this collection will be a valuable resource for all teachers of American literature.

Reproduction of the original:  
*Southern Horrors: Lynch Law in All Its Phases* by Ida B. Wells-Barnett

A powerfully moving novel from a three-time Newbery Honor-winning author Evie Thomas is not who she used to be. Once she had a best friend, a happy home and a loving grandmother living nearby. Once her name was Toswiah. Now, everything is different. Her family has been forced to move to a new place and change their identities. But that's not all that has changed. Her once lively father has become depressed and quiet. Her mother leaves teaching behind and clings to a new-found religion. Her only sister is making secret plans to leave. And Evie, struggling to find her way in a new city where kids aren't friendly and the terrain is as unfamiliar as her

name, wonders who she is. Jacqueline Woodson weaves a fascinating portrait of a thoughtful young girl's coming of age in a world turned upside down. A National Book Award Finalist. On the hot Texas army base she calls home, Katie spends the lazy days of her summer waiting: waiting to grow up; waiting for Dickie Mack to fall in love with her; waiting for her breasts to blossom; waiting for the beatings to stop. Since their mother died, Katie and her older sister, Diane, have struggled to understand their increasingly distant, often violent father. While Diane escapes into the arms of her boyfriend, Katie hides in her room or escapes to her best friend's house—until Katie's admiration for her strong-willed sister leads her on an adventure that transforms her life. Written with an unerring ability to capture the sadness of growth, the pain of change, the nearly visible vibrations that connect people, this beautiful novel by the bestselling author of *Open House* reminds us how wonderful—and wounding—a deeper understanding of life can be.

Who was the real Atticus Finch? A prize-winning historian reveals the man behind the legend. The publication of *Go Set a Watchman* in 2015 forever changed how we think about Atticus Finch. Once seen as a paragon of decency, he was reduced to a small-town racist. How are we to understand this transformation? In *Atticus Finch*, historian Joseph Crespino draws on exclusive sources to reveal how Harper Lee's father provided the central inspiration for each of her books. A lawyer and

newspaperman, A. C. Lee was a principled opponent of mob rule, yet he was also a racial paternalist. Harper Lee created the Atticus of Watchman out of the ambivalence she felt toward white southerners like him. But when a militant segregationist movement arose that mocked his values, she revised the character in *To Kill a Mockingbird* to defend her father and to remind the South of its best traditions. A story of family and literature amid the upheavals of the twentieth century, Atticus Finch is essential to understanding Harper Lee, her novels, and her times. "This gorgeously rendered graphic-novel version provides a new perspective for old fans but also acts as an immersive introduction for youngsters as well as any adult who somehow missed out on the iconic story set in Maycomb, Alabama."--USA Today A beautifully crafted graphic novel adaptation of Harper Lee's beloved, Pulitzer Prize-winning American classic, voted America's best-loved novel in PBS's Great American Read. "Shoot all the bluejays you want, if you can hit 'em, but remember it's a sin to kill a mockingbird." A haunting portrait of race and class, innocence and injustice, hypocrisy and heroism, tradition and transformation in the Deep South of the 1930s, Harper Lee's *To Kill a Mockingbird* remains as important today as it was upon its initial publication in 1960, during the turbulent years of the Civil Rights movement. Now, this most beloved and acclaimed novel is reborn for a new age as a gorgeous graphic novel. Scout, Jem, Boo Radley,

Atticus Finch, and the small town of Maycomb, Alabama, are all captured in vivid and moving illustrations by artist Fred Fordham. Enduring in vision, Harper Lee's timeless novel illuminates the complexities of human nature and the depths of the human heart with humor, unwavering honesty, and a tender, nostalgic beauty. Lifetime admirers and new readers alike will be touched by this special visual edition that joins the ranks of the graphic novel adaptations of *A Wrinkle in Time* and *The Alchemist*. The inspiring true story of Harper Lee, the girl who grew up to write *To Kill a Mockingbird*, from Bethany Hegedus and Erin McGuire. Perfect for fans of *The Right Word* and *I Dissent*. This nonfiction picture book is an excellent choice to share during homeschooling, in particular for children ages 4 to 6. It's a fun way to learn to read and as a supplement for activity books for children. Nelle Harper Lee grew up in the rocky red soil of Monroeville, Alabama. From the get-go she was a spitfire. Unlike most girls at that time and place, Nelle preferred overalls to dresses and climbing trees to tea parties. Nelle loved to watch her daddy try cases in the courtroom. And she and her best friend, Tru, devoured books and wrote stories of their own. More than anything Nelle loved words. This love eventually took her all the way to New York City, where she dreamed of becoming a writer. Any chance she had, Nelle sat at her typewriter, writing, revising, and chasing her dream. Nelle wouldn't give up--not until she discovered the

right story, the one she was born to tell. Finally, that story came to her, and Nelle, inspired by her childhood, penned *To Kill a Mockingbird*. A groundbreaking book about small-town injustice that has sold over forty million copies, Nelle's novel resonated with readers the world over, who, through reading, learned what it was like to climb into someone else's skin and walk around in it. --School Library Journal Examines the individual author's entire body of work and on his/her single works of literature. A tale inspired by the 1976 attempted assassination of Bob Marley spans decades and continents to explore the experiences of journalists, drug dealers, killers, and ghosts against a backdrop of social and political turmoil. Contains essays about Harper Lee's *To kill a mockingbird*, addressing the novel's characters, structure, themes, and subject matter. Dua puluh tahun lalu, Jean Louise menyaksikan Atticus, sang Ayah, membela Negro di pengadilan Maycomb County. Kini, Jean Louise menyadari bahwa Maycomb dan sang Ayah, ternyata tak seperti yang dia kira selama ini dan dia pun bukan Scout yang polos lagi. *Go Set a Watchman* adalah naskah pertama yang diajukan Harper Lee kepada penerbit sebelum *To Kill a Mockingbird*, yang memenangi Pulitzer. Setelah 60 tahun dianggap hilang, naskah berharga ini ditemukan pada akhir 2014. Terbitnya *Go Set a Watchman* disambut animo luar biasa. Buku ini terjual lebih dari 1,1 juta kopi di minggu pertama, memuncaki daftar bestseller di Amerika

selama 5 minggu berturut-turut dalam 1,5 bulan, dan mengalahkan penjualan Harry Potter serta 50 Shades of Grey. Go Set a Watchman, warisan berharga Harper Lee, penulis Amerika paling berpengaruh pada abad ke-20. "Go Set a Watchman mempertanyakan beberapa hal penting yang justru disamarkan dalam To Kill a Mockingbird. Menghibur, lucu, tapi lugas dan jujur."-Ursula K. Le Guin, penulis The Earthsea Cycle "Aset terbesar Go Set a Watchman ialah perannya dalam memicu diskusi jujur tentang sejarah gelap Amerika mengenai persamaan ras."-San Francisco Chronicle "Luar biasa, sebuah novel yang ditulis lebih dari 50 tahun lalu ternyata masih kontekstual dengan masalah yang kita hadapi sekarang, tentang ras dan ketidakadilan."-Chicago Tribune "Go Set a Watchman lebih kompleks daripada To Kill a Mockingbird, karya klasik Harper Lee. Sebuah novel yang lengkap ... sebuah karya sastra baru yang memuaskan dan autentik." -The Guardian "Go Set a Watchman memberikan pencerahan tentang kompleksitas dan kecerdasan salah satu penulis Amerika yang paling penting."-USA Today "Seperti yang dikemukakan Faulkner, kisah yang bagus adalah kisah manusia yang berkonflik dengan nuraninya. Dan itu adalah ringkasan yang tepat tentang Go Set a Watchman."-Daily Beast "Kompleksitas karakter Atticus membuat Go Set a Watchman pantas dibaca. Dengan Mockingbird, Harper Lee membuat kita mempertanyakan siapa sebenarnya diri kita dan apa yang sebenarnya kita tahu. Go Set a

Watchman meneruskan tradisi mulia ini." -New York Post [Mizan, Mizan Publishing, Novel, Terjemahan, Legendaris, Indonesia] Harper Lee's Pulitzer Prize-winning story of a black man on trial for rape in the 1930s Alabama is one of the most poignant works on the destructive effects of racism. An instant New York Times bestseller! From the bestselling author of *But What if We're Wrong*, a wise and funny reckoning with the decade that gave us slacker/grunge irony about the sin of trying too hard, during the greatest shift in human consciousness of any decade in American history. It was long ago, but not as long as it seems: The Berlin Wall fell and the Twin Towers collapsed. In between, one presidential election was allegedly decided by Ross Perot while another was plausibly decided by Ralph Nader. In the beginning, almost every name and address was listed in a phone book, and everyone answered their landlines because you didn't know who it was. By the end, exposing someone's address was an act of emotional violence, and nobody picked up their new cell phone if they didn't know who it was. The 90s brought about a revolution in the human condition we're still groping to understand. Happily, Chuck Klosterman is more than up to the job. Beyond epiphenomena like "Cop Killer" and Titanic and Zima, there were wholesale shifts in how society was perceived: the rise of the internet, pre-9/11 politics, and the paradoxical belief that nothing was more humiliating than trying too hard. Pop culture

accelerated without the aid of a machine that remembered everything, generating an odd comfort in never being certain about anything. On a 90's Thursday night, more people watched any random episode of Seinfeld than the finale of Game of Thrones. But nobody thought that was important; if you missed it, you simply missed it. It was the last era that held to the idea of a true, hegemonic mainstream before it all began to fracture, whether you found a home in it or defined yourself against it. In *The Nineties*, Chuck Klosterman makes a home in all of it: the film, the music, the sports, the TV, the politics, the changes regarding race and class and sexuality, the yin/yang of Oprah and Alan Greenspan. In perhaps no other book ever written would a sentence like, "The video for 'Smells Like Teen Spirit' was not more consequential than the reunification of Germany" make complete sense. Chuck Klosterman has written a multi-dimensional masterpiece, a work of synthesis so smart and delightful that future historians might well refer to this entire period as Klostermanian. When Lucy, Elena, and Michael receive their summer reading list, they are excited to see *To Kill A Mockingbird* included. But not everyone in their class shares the same enthusiasm. So they hatch a plot to get the entire town talking about the well-known Harper Lee classic. They plan controversial ways to get people to read the book, including re-shelving copies of the book in bookstores so that people think they are missing and starting a

website committed to "destroying the mockingbird." Their efforts are successful when all of the hullabaloo starts to direct more people to the book. But soon, their exploits start to spin out of control and they unwittingly start a mini revolution in the name of books. *I Kill the Mockingbird* by Paul Acampora is a middle grade novel perfect for fans of *To Kill a Mockingbird* and *Go Set a Watchman*. This title has Common Core connections. "The banter among the three whip-smart friends would make John Green proud. . . . You won't have to hide any copies of this to create demand." —The Bulletin "Fans of Janet Tashjian's *The Gospel According to Larry* series will enjoy this look at how the power of creativity and the internet can cause a cultural movement. . . . Acampora's novel is for lovers of literature, especially how the classics work in the current moment." —VOYA "Asim has given us a book that is at once entertaining and evocative of a moment that truly was a turning point in black and American history." —Chicago Tribune Jabari Asim's debut novel returns readers to Gateway City, the fictional Midwestern city first explored in his acclaimed short story collection, *Taste of Honey*. Against a 1970s backdrop of rapid social and political change, *Only the Strong* portrays the challenges and rewards of love in a quintessential American community where heartbreak and violence are seldom far away. Moved by the death of Martin Luther King Jr., Lorenzo "Guts" Tolliver decides to abandon his career as a professional leg-

breaker and pursue a life of quiet moments and generous helpings of banana pudding in the company of his new, sensuous lover. His erstwhile boss, local kingpin Ananias Goode, is also thinking about slowing down—but his tempestuous affair with Dr. Artinces Noel, a prominent pediatrician, complicates his retirement plans. Meanwhile, Charlotte Divine, the doctor's headstrong protégée, struggles with trials of her own. With prose that's sharp, humorous, and poetic, Asim skillfully renders a compelling portrait of urban life in the wake of the last major civil-rights bill. Massive change is afoot in America, and these characters have front-row seats. "[A] heartfelt, polyphonic ode to 1970s black America." —The Wall Street Journal "Captivating." —Jane Ciabattari, NPR Book Concierge: Best Books of 2015 "Incomparable charisma and verve." —The Root, Best Fiction of 2015 "Lean, mean, and moving." —Kirkus Reviews, Kirkus Prize nominee "Thoroughly entertaining and stylish . . . deserves favorable comparison to the works of Chester Himes and Walter Mosley." —Publishers Weekly, starred review

The explosion of racial hate and violence in a small Alabama town is viewed by a little girl whose father defends a Black man accused of rape

A female professor, a super maximum security prisoner, and how Shakespeare saved them both

Shakespeare professor and prison volunteer Laura Bates thought she had seen it all. That is, until she decided to teach Shakespeare in a place the bard had never been

before—supermax solitary confinement. In this unwelcoming place, surrounded by inmates known as the worst of the worst, is Larry Newton. A convicted murderer with several escape attempts under his belt and a brilliantly agile mind on his shoulders, Larry was trying to break out of prison at the same time Laura was fighting to get her program started behind bars. A testament to the power of literature, *Shakespeare Saved My Life* is a remarkable memoir. Fans of *Orange Is the New Black* (Piper Kerman), *A Place to Stand* (Jimmy Baca) and *I Couldn't Help Myself* (Wally Lamb) will be inspired by the story of the most unlikely friendship, one bonded by Shakespeare and lasting years—a friendship that would, in the end, save more than one life. What readers are saying about *Shakespeare Saved My Life*: "I was tremendously moved by both the potential impact of Shakespeare and learning on human beings and the story of this one man." "This is one of the most extraordinary books I've ever read." "I have never read a book that touched me as much as this memoir." "It is a challenging and remarkable story." "I loved this book so much. It changed my life." What reviewers are saying about *Shakespeare Saved My Life*: "You don't have to be a William Shakespeare fan, a prisoner, or a prison reformer to appreciate this uplifting book. "*Shakespeare Saved My Life*" also reveals many important truths ... about the meaning of empathy in our dealings with others"—*Finger Lake Times*

"Shakespeare Saved My Life touches on the search for meaning in life, the struggles that complicate the path to triumph and the salvation that can be found in literature's great works ... An inspiring account."—Shelf Awareness "Opening the mind's prison proves enormously gratifying, not to mention effective ... brave, groundbreaking work"—Publishers Weekly "An eye-opening study reiterating the perennial power of books, self-discipline, and the Bard of Avon."—Kirkus "A powerful testament to how Shakespeare continues to speak to contemporary readers in all sorts of circumstances."—Booklist Voted America's Best-Loved Novel in PBS's The Great American Read Harper Lee's Pulitzer Prize-winning masterwork of honor and injustice in the deep South—and the heroism of one man in the face of blind and violent hatred One of the most cherished stories of all time, *To Kill a Mockingbird* has been translated into more than forty languages, sold more than forty million copies worldwide, served as the basis for an enormously popular motion picture, and was voted one of the best novels of the twentieth century by librarians across the country. A gripping, heart-wrenching, and wholly remarkable tale of coming-of-age in a South poisoned by virulent prejudice, it views a world of great beauty and savage inequities through the eyes of a young girl, as her father—a crusading local lawyer—risks everything to defend a black man unjustly accused of a terrible crime. Tom Santopietro, an author well-known for his

writing about American popular culture, delves into the heart of the beloved classic and shows readers why *To Kill a Mockingbird* matters more today than ever before. With 40 million copies sold, *To Kill a Mockingbird*'s poignant but clear eyed examination of human nature has cemented its status as a global classic. Tom Santopietro's new book, *Why To Kill a Mockingbird Matters*, takes a 360 degree look at the *Mockingbird* phenomenon both on page and screen. Santopietro traces the writing of *To Kill a Mockingbird*, the impact of the Pulitzer Prize, and investigates the claims that Lee's book is actually racist. Here for the first time is the full behind the scenes story regarding the creation of the 1962 film, one which entered the American consciousness in a way that few other films ever have. From the earliest casting sessions to the Oscars and the 50th Anniversary screening at the White House, Santopietro examines exactly what makes the movie and Gregory Peck's unforgettable performance as Atticus Finch so captivating. As Americans yearn for an end to divisiveness, there is no better time to look at the significance of Harper Lee's book, the film, and all that came after. Harper Lee's first and only novel, *To Kill a Mockingbird*, published in July 1960, is not only a beloved classic but also a touchstone in American literary and social history. It may well be our national novel. With Scout, Atticus, and Boo, Mary McDonagh Murphy commemorates more than half a century of *To Kill a Mockingbird* by exploring the great novel's

history and how it has left its indelible mark. In compelling interviews, Anna Quindlen, Tom Brokaw, Oprah Winfrey, James Patterson, James McBride, Scott Turow, Wally Lamb, Andrew Young, Richard Russo, Adriana Trigiani, Rick Bragg, Jon Meacham, Allan Gurganus, Diane McWhorter, Lee Smith, Rosanne Cash, and others reflect on their own personal connections to Lee's literary masterpiece, what it means to them—then and now—and how it ultimately has affected their lives and careers. Dramatization of the story about the explosion of racial hate in an Alabama town as viewed by a little girl whose father defends a black man accused of rape. NATIONAL BOOK CRITICS CIRCLE AWARD WINNER • A deep and compassionate novel about a young man who returns to 1940s Cajun country to visit a Black youth on death row for a crime he didn't commit. Together they come to understand the heroism of resisting. "An instant classic." —Chicago Tribune A "majestic, moving novel...an instant classic, a book that will be read, discussed and taught beyond the rest of our lives" (Chicago Tribune), from the critically acclaimed author of *A Gathering of Old Men* and *The Autobiography of Miss Jane Pittman*. "A Lesson Before Dying reconfirms Ernest J. Gaines's position as an important American writer." —Boston Globe "Enormously moving.... Gaines unerringly evokes the place and time about which he writes." —Los Angeles Times "A quietly moving novel [that] takes us back to a place we've been before to impart a lesson for

living.” —San Francisco Chronicle From celebrated Pulitzer Prize-winning author Harper Lee, her bestselling novels *To Kill a Mockingbird* and *Go Set a Watchman* available together in this convenient e-book bundle. Set in the small town of Maycomb, Alabama, and featuring characters that have become indelible in American culture, Harper Lee’s beloved classic of Southern literature, *To Kill a Mockingbird* and its follow-up, *Go Set a Watchman*, offer a haunting portrait of race and class, innocence and injustice, hypocrisy and heroism, tradition and transformation in the Deep South of the 1930s and 1950s that resonates today. Enduring in vision, Harper Lee’s timeless novels illuminate the complexities of human nature and the depths of the human heart with humor, unwavering honesty, and a tender, nostalgic beauty, and will be celebrated by generations to come.
