The Resistance Declaration 2 Gemma Malley

The Declaration Gemma Malley,2012 Sixteen year old Anna should not have been born It is the year 2140 and people can live for ever No one wants another mouth to feed so she lives in a Surplus Hall where unwanted children go to learn valuable lessons at least she wasn t put down at birth One day a new inmate arrives Anna s life is thrown into chaos He says things about her parents and the Outside that couldn t possibly be true Or could they Thrilling passionate and beautifully written this dystopian novel is perfect for fans of The Hunger Games

The Resistance Gemma Malley,2010-11-01 The chilling powerful sequel to Gemma Malley s acclaimed debut The Declaration For fans of The Hunger Games In a world where nobody dies Peter and Anna are Opt Outs they choose not to live for ever but is that enough To try and fight the system further Peter infiltrates Pincent Pharma the company behind Longevity the drug that offers eternal life But he finds himself involved in things he didn t think possible and begins to struggle with his own family It appears Richard Pincent will stop at nothing to get what he wants even if it means ripping Peter and Anna s new life apart

Legacy Gemma Malley,2012-11-01 The unimaginable has happened Longevity the drug that is supposed to guarantee eternal youth isn t working A virus is sweeping the country killing many in its wake and Longevity is powerless to fight it The Outside is frightened death is suddenly a possibility and Pincent Pharma need someone to blame The Underground are accused of deliberately contaminating a batch of the drugs and Peter and Anna are hunted down But someone knows the truth Will they speak up or watch as everything is torn to pieces The thrilling conclusion to the brilliant dystopian trilogy that began with The Declaration For fans of The Hunger Games

The Disappearances Gemma Malley,2013-03-28 Riveting brilliantly imagined and passionate THE DISAPPEARANCES the compelling sequel to THE KILLABLES will appeal to everyone who loved the powerful and gripping storytelling of THE HUNGER GAMES They walked in silence onto the raised path that led to the East Gate The closer they got the louder the buzzing was As they approached the gate it was almost unbearable There was a stench in the air that made it hard to breathe a stench that made the hair on the back of Lucas neck stand up on end Whatever had brought the flies here wasn t good It s been a year since Evie and Raffy escaped the controlling regime of the City leaving Lucas behind to rebuild the ruins of the place they once called home And Lucas knew that once he said goodbye Evie would be lost to him forever But the City soon finds itself plagued by another terrifying threat the Disappearances teenagers who have gone missing from within the City walls apparently vanishing into thin air With the City at stake Lucas has no choice but to call on his old friends even if seeing them together is more than he can bear

The Returners Gemma Malley,2011-02-07 Will Hodges life is a mess His mother is dead he has no friends and he thinks he is being followed by a strange group of people who tell him they know him But Will can t remember them at first And when he does he doesn t like what he can remember While Will is struggling with unsettling memories he learns that his past is a lot deeper than many

people s and he has to find out if he is strong enough to break links with the powerful hold that history has on him This compelling novel set in an alternate future challenges readers to consider the role we all have to play in making our society and asks how much we are prepared to stand up for what s right

The Killables Gemma Malley,2012-03-29 Evil has been eradicated The City has been established And citizens may only enter after having the evil part of their brain removed They are labelled on the System according to how good they are If they show signs of the evil emerging they are labelled a K But no one knows quite what that means Only that they disappear never to be seen again

Twenty-First Century Populism D. Albertazzi,D. McDonnell,2007-12-14 Twenty First Century Populism analyses the phenomenon of sustained populist growth in Western Europe by looking at the conditions facilitating populism in specific national contexts and then examining populist fortunes in those countries The chapters are written by country experts and political scientists from across the continent

The System Gemma Malley,2014 To survive you need people watching you following your every move That s the only currency now being interesting being liked And of course you have to update every fifteen minutes It means everyone knows where you are what you re doing it means that there are no secrets Everybody watches everyone else nothing is hidden And for those who fail to update every fifteen minutes the consequences are deadly Evie and Raffy may have escaped the City but they still fear for their lives Now the only person who can help them is Frankie a total stranger the most popular girl in the world watched every second by millions of people But Frankie has other ideas And all the time Lucas is waiting desperately for word from Evie word that she is coming back to him The conclusion to Gemma Malley s terrifyingly dark vision of our near future will leave you gasping for air
