

Logistics
FORSCOM STANDING LOGISTICS INSTRUCTIONS

Summary. This regulation prescribes U.S. Army Forces Command (FORSCOM) Standing Logistics Instructions for planning and executing FORSCOM support responsibilities for operations plans, and concept/contingency plans; provides policies and procedures for the pre-mobilization/pre-deployment stockage and storage of CTA items. As of this publication commanders are given some leverage to either store or not store commodities with the proviso to gradually lessen inventory over time. As most commodities can be obtained within 72 hours if they are part of a centrally managed inventory controlled program or where responsive contracts are in place, e.g., Prime Vendor, Virtual Inventory management contracts, Integrated Sustainment Maintenance (ISM) management, just in time delivery practices, and the like. Any emerging doctrine associated with contractors on the battlefield should not be forgotten (AR 715-X, Army Contractors on the Battlefield (release due Dec 99)) and the Logistics Civil Augmentation Program (LOGCAP) support. Attention should be given to the Army Pre-positioned Stocks (APS) Afloat and Ashore (FM 100-17 series) along with the U. S. Army Materiel Command's (USAMC) deployable tailored contingency Logistics Support Element (LSE). This regulation also provides policies and procedures for support of reserve components annual training.

Applicability. This regulation applies to all FORSCOM deployable units (Active Army, United States Army Reserve (USAR), Army National Guard (ARNG) when federalized) and installations supporting deploying units. "Deployable units" in this context also include those units selected to support operations within CONUS, i.e., Military Support to Civil Defense (MSCD), Military Assistance to Civil Disturbances (MACDHS), and Military Support to Civil Authorities (MSCA).

Changes. Changes to this regulation are not official unless they are authenticated by the Deputy Chief of Staff for Command, Control, Communications and Computers, HQ FORSCOM, 1777 Hardee Avenue, SW., Fort McPherson, GA 30330-1062. Users will destroy changes on their expiration dates unless sooner superseded or rescinded.

Suggested improvements. The proponent agency of this regulation is the Deputy Chief of Staff for Logistics (DCSLOG), HQ FORSCOM. Users are invited to send comments and suggested improvements on DA Form 2028 (Recommended Changes to Publications and Blank Forms) directly to Commander, FORSCOM, ATTN: AFLG-P2L, 1777 Hardee Avenue, SW., Fort McPherson, GA 30330-1062.

Restrictions. Approved for public release; distribution unlimited.

Supplementation of this regulation is prohibited unless specifically approved by HQ FORSCOM. Requests for exception, with justification, will be sent through command channels to HQ FORSCOM, ATTN: AFLG-P2L, 1777 Hardee Avenue, SW., Fort McPherson, GA 30330-1062.

FOR THE COMMANDER:

OFFICIAL:
