**Pop Culture in Latin America and the Caribbean** Apr 11 2022 This insightful book introduces the most important trends, people, events, and products of popular culture in Latin America and the Caribbean. In recent times, Latin American influences have permeated American culture through music, movies, television, and literature. This sweeping volume serves as a ready-reference guide to pop culture in Central America, South America, and the Caribbean, focusing on Mexico, Brazil, Venezuela, Argentina, Haiti, Cuba, the Dominican Republic, Jamaica, and Costa Rica, among other areas. The work encourages hands-on engagement with the popular culture in these places, making such suggestions as Brazilian films to rent or where to find Venezuelan music on the Internet. To start, the book covers various perspectives and issues of these regions, including the influence of the United States, how the idea of machismo reflects on the portrayal of women in these societies, and the representation of Latino-Caribo cultures in film and other mediums. Entries cover key trends, people, events, and products from

the beginning of the 20th century to the present day. Each section gives detailed information and profound insights into some of the more academic—and often controversial—debates on the subject, while the inclusion of the Internet, social media, and video games make the book timely and relevant.

The Routledge Companion to Comics Nov 18 2022 This cutting-edge handbook brings together an international roster of scholars to examine many facets of comics and graphic novels. Contributor essays provide authoritative, up-to-date overviews of the major topics and questions within comic studies, offering readers a truly global approach to understanding the field. Essays examine: the history of the temporal, geographical, and formal development of comics, including topics like art comics, manga, comix, and the comics code; issues such as authorship, ethics, adaptation, and translating comics connections between comics and other artistic media (drawing, caricature, film) as well as the linkages between comics and other academic fields like linguistics and philosophy; new perspectives on comics genres, from funny animal comics to war comics to romance comics and beyond. The Routledge Companion to Comics expertly organizes representative work from a range of disciplines, including media and cultural studies, literature, philosophy, and linguistics. More than an introduction to the study of comics, this book will serve as a crucial reference for anyone interested in pursuing research in the area, guiding students, scholars, and comics fans alike.

La historieta en Chile en la última década May 01 2021

**Romancing Yesenia** Sep 04 2021 "This book considers the unexpected and mostly unexamined popularity of the Mexican film *Yesenia* (Alfredo B. Crevenna, 1971) in the Soviet Union. Set during the Second Franco-Mexican war, this unassuming movie melodrama was based on a successful television series, itself an adaptation of a popular women's romance graphic novel, a genre that was extremely common in mid-century Mexico. Screened in the Soviet Union in 1975, *Yesenia* became the highest grossing film in the history of Soviet film exhibition, unsurpassed by any movie, foreign or domestic. Based on ticket sales alone, it was seen by an astounding 91.4 million viewers in only the first year of its release. *Yesenia*'s popularity in the socialist bloc, largely unbeknown to its Mexican producers, continued for decades after its initial release as the film migrated from cinemas to television screens and video. Boosted by its success with Soviet audiences, the film enjoyed a similarly spectacular exhibition history in China in the late 1970s, when the country was opening itself up to more international media, paving the way for other Mexican and Latin American productions broadcasted on Chinese television in decades to follow. Approaching this period retrospectively, cognizant of more contemporary developments in the global media, I conceive of this episode in film history through a framework of television culture whose increasing impact, I argue, shaped both the film's Mexican production and its subsequent reception within the Socialist bloc. I also argue that *Yesenia*'s popularity carved out a crucial node within the global circuit of cultural and industrial networks, further enabling Latin American media's transcontinental reach"--Provided by publisher.

Spanish Comics Aug 16 2022 Spanish comics represent an exciting and diverse field, yet one

that is often overlooked outside of Spain. Spanish Comics offers an overview on contemporary scholarship on Spanish comics, focusing on a wide range of comics dating from the Francoist dictatorship, 1939-1975; the Political Transition, 1970-1985; and Democratic Spain since the early 1980s including the emergence of the graphic novel in 2000. Touching on themes of memory, gender, regional identities, and history, the chapters in this collection demonstrate the historical and cultural significance of Spanish comics.

**Comics Beyond the Page in Latin America** Feb 07 2022 Comics Beyond the Page in Latin America is a cutting-edge study of the expanding worlds of Latin American comics. Despite lack of funding and institutional support, not since the mid-twentieth century have comics in the region been so dynamic, so diverse and so engaged with pressing social and cultural issues. Comics are being used as essential tools in debates about, for example, digital cultures, gender identities and political disenfranchisement.

**Crónicas de un Dandy** Nov 06 2021 Con su peculiar sentido del humor y su provocador estilo visual, Trino nos presenta, juntas por primera vez, las Crónicas de un Dandy. El Dandy, distinguido, sarcástico, siempre de traje y corbata, nos enseña a comportarnos para no desentonar en ninguna ocasión. La elegancia de un dandy nos acompañará si tomamos nota de sus enseñanzas. En estas páginas aprenderemos a dejar atrás los peinados a la John Travolta, así como a no viajar en avión con nuestras tortillas y queso panela, si es que vamos a Europa. Puro consejo valioso para conducirnos como lo haría cualquier notable miembro del jet set. Y si acaso eres Godínez, aquí aprenderás a ocultarlo o, en todo caso, a comportarte como uno de altura. Por si fuera poco, Trino se dio a la tarea de crear material inédito para esta edición en la que nuestro querido Dandy derrama sobre nosotros aún más sabiduría social.

**The Riddle of Cantinflas** Mar 23 2023 Ilan Stavans's collection of essays on kitsch and high art in the Americas makes a return with thirteen new colorful conversations that deliver Stavans's trademark wit and provocative analysis. "A Dream Act Deferred" discusses an issue that is at once and always topical in the dialogue of Hispanic popular culture: immigration. This essay generated a vociferous response when first published in The Chronicle of Higher Education as the issue of immigration was contested in states like Arizona, and is included here as a new addition that adds a rich layer to Stavans's vibrant discourse. Fitting in this reconfiguration of his analytical conversations on Hispanic popular culture is Stavans's "Arrival: Notes from an Interloper," which recounts his origins as a social critic and provides the reader with interactive insight into the mind behind the matter. Once again delightfully humorous and perceptive, Stavans delivers an expanded collection that has the power to go even further beyond common assumptions and helps us understand Mexican popular culture and its counterparts in the United States.

**Mafalda & Friends - 4** Mar 03 2024 Mafalda, the six-year-old girl who has captivated millions of hearts in Latin America and the world, is now on Google Play with her love for The Beatles, pancakes, books, tv (except for series), running in the open air, and playing cowboys. This character has been an inspiration to many, others have learnt to read with her stories. Mafalda is a symbol of liberty and of children's rights; she hates soup and can't stand injustice, war, violence, or racism. She would like to work at ONU when she grows up, so she can help the world. She is both critical and naive at the same time, a mix that you will surely find charming. Her thoughts and the values she stands for are good reasons for sharing her comic strips with the

family. Download and share her eleven books, now available on Google Play. Enjoy.

Asturias Jun 25 2023 Un puñado de estudiosos venidos de horizontes muy diversos: la Geografía, la Historia, la Historia del Arte, la Filología, la Sociología, la Literatura... han plasmado sus voces en páginas, esta vez de libro, a las que se asoman dibujantes, guionistas y personajes de la comicografía asturiana, con la frescura de su grafismo, el impulso de su creación e intenciones más que serias. La experiencia es singular por cuanto supone el establecimiento, por primera vez, de un diálogo intertextual explícito que alcanza a crear, desde cada disciplina, un nuevo caldo de cultivo, una textura nueva que, a fuerza de polifonías, hace germinar otros discursos, al fin otro texto. El resultado es este volumen, peripetia de reflexiones abiertas, que se presenta con la ilusión de que al hojearlo se puedan hacer realidad los postulados que Roland Barthes formulara en "El placer del texto", y se logre, además de aprender, disfrutar leyendo.

**El cómic español de la democracia** Jun 01 2021 La Transición española trajo consigo un auge de las publicaciones en papel, que se potenciaron en el conocido como boom del cómic adulto de los años ochenta, formado por revistas como Cairo, El Víbora o Zona 84. Este libro analiza las posibles causas que llevaron a la progresiva desaparición de estos magazines, los nuevos caminos de los autores en manifestaciones artísticas como la pintura, el cine o la ilustración, y la emergencia de un mercado basado en el formato libro. Se dan cita las trayectorias de Max, Nazario y Miguelanxo Prado, además de las de Antonio Altarriba, Beà, Calpurnio, Montse Clavé, Luis García, Keko, Laura, Miguel Ángel Martín, Montesol, Paco Roca o Marika Vila.

**Everyday Forms of State Formation** May 13 2022 Everyday Forms of State Formation is the first book to systematically examine the relationship between popular cultures and state formation in revolutionary and post-revolutionary Mexico. While most accounts have emphasized either the role of peasants and peasant rebellions or that of state formation in Mexico's past, these original essays reveal the state's day-to-day engagement with grassroots society by examining popular cultures and forms of the state simultaneously and in relation to one another. Structured in the form of a dialogue between a distinguished array of Mexicanists and comparative social theorists, this volume boldly reassesses past analyses of the Mexican revolution and suggests new directions for future study. Showcasing a wealth of original archival and ethnographic research, this collection provides a new and deeper understanding of Mexico's revolutionary experience. It also speaks more broadly to a problem of extraordinary contemporary relevance: the manner in which local societies and self-proclaimed "revolutionary" states are articulated historically. The result is a unique collection bridging social history, anthropology, historical sociology, and cultural studies in its formulation of new approaches for rethinking the multifaceted relationship between power, culture, and resistance. Contributors. Ana María Alonso, Armando Bartra, Marjorie Becker, Barry Carr, Philip Corrigan, Romana Falcón, Gilbert M. Joseph, Alan Knight, Florencia E. Mallon, Daniel Nugent, Elsie Rockwell, William Roseberry, Jan Rus, Derek Sayer, James C. Scott

**Historietas Nacionales** Jul 27 2023 En sus •Historietas nacionales•, cuenta con un estilo narrativo sencillo y ameno historias de honda raigambre popular. En ellas plasma la resistencia heroica de los espa•oles a los invasores franceses, •picas historias de bandoleros y otras escenas

costumbristas.

Redrawing The Nation Mar 11 2022 This volume discusses the role of comics in the formation of a modern sense of nationhood in Latin America and the rise of a collective Latino identity in the USA. It is one of the first attempts - in English and from a cultural studies perspective - to cover Latin/o American comics with a fully continental scope. Specific cases include cultural powerhouses like Argentina, Brazil, and Mexico, as well as the production of lesser-known industries, like Chile, Cuba, and Peru.

**Para hacer historietas** May 05 2024 La primera edición de Para hacer historietas es de 1978 y nació de la experiencia de los talleres que Juan Acevedo impartió en el entonces naciente Villa El Salvador. El libro alcanzó repercusión internacional gracias a sus ediciones españolas, alemanas y brasileñas. Agotado hace más de 20 años, se publica ahora en su octava edición, nuevamente en el Perú; no obstante haber sido revisado y ampliado por su autor, conserva el espíritu original cuyo método y propósito es democratizar el lenguaje de la historieta.
