Crowning Glory Feb 02 2022 This is the first extensive collection of descants on hymns in Episcopal sources that do not appear in the published hymnals. It contains descants by twenty-two composers on one hundred one hymn texts set to eighty-one hymn tunes. An added bonus is that twenty-seven of the tunes have alternate harmonizations. In addition to dramatic descants on triumphal and celebrative hymns, several hymns are included that require the descant to be reflective and quiet. Many may be played by instruments rather than sung by sopranos and/or tenors. These descants, harvested from working Episcopal church musicians, are examples of the useful day-to-day work in the local church. Even though they are small musical gems and greatly enjoyed by congregations, such practical compositions rarely obtain exposure beyond the local parish or diocese. The theme of the 2005 Annual Conference of the Association of Anglican Musicians in Baltimore, MD was "Come to us, Creative Spirit: The Art and Craft of the Church Musician." The vision embodied in that conference title echoes a hymn text by David Mowbray (Come to us, creative Spirit) which honors the creativity of those who speak their faith artistically and seeks to make such voices available to all. It is in that spirit that this book of descants is published.

***The Green Cord Dream* Mar 25 2021** Publisher's description. In 1842, fifteen-year-old Ellen Harmon had a dream. "[The angel] handed me a green cord coiled up closely. This he directed me to place next to my heart, and when I wished to see Jesus, take it from my bosom, and stretch it to the utmost. He cautioned me not to let it remain coiled for any

length of time, lest it should become knotted and difficult to straighten. I placed the cord near my heart, and joyfully descended the narrow stairs, praising the Lord, and telling all whom I met where they could find Jesus.” In The Green Cord Dream author Alex Bryan asks, Is there a purpose and possibility for Adventist Christianity in the twenty-first century? Will we desire the Bible again as a way to fall in love with Jesus? Will Jesus be everything in Adventism? Will we live for heaven alone? Will we get lost in minor theological disputes and church spats? Or will we live within the grand story of The Great Controversy? I believe the Adventist movement can have a bright, prevailing future, but we are at a critical time. The challenges are significant. We must choose a vision of Adventist Christianity for the future. We need bold and beautiful dreams emerging from every generation and locality. We need Green Cord Dreams. We need the The One. We need Jesus.

Posthumous Papers of a Living Author Apr 06 2022 This collection of exploratory pieces, short stories, and reflections was originally published in Zurich in 1936. It was the last volume Robert Musil published before his sudden death in 1942. Musil had begun to fathom the impossibility of completing his monumental masterpiece *The Man Without Qualities* and this volume reveals a radically different aspect of his work. Musil observes a fly's tragic struggle with flypaper, the laughter of a horse; he peers through microscopes and telescopes, dissecting both large and small. Musil's quest for the essential is a voyage into the minute.

While most parishioners participate in music making at some level (such as singing hymns or common responses), fewer people might understand the specific genres that comprise the music of an Episcopal worship service or the liturgical meaning behind each selection. This book provides a more in-depth understanding of this rich and complex tradition, discussing the history and evolution of music within the Episcopal Church, including its Anglican roots. Additional topics--such as psalm singing, anthems, major works, organs, and other Anglican traditions (such as Lessons and Carols)--are also addressed. Music is an essential element in Anglican worship; in fact, The Hymnal 1982 is used in virtually every Episcopal service of worship that involves singing. While most

Poems of Grace Mar 18 2023 Reading hymns as poetry for meditation and understanding has long been an Anglican practice. Some hymnals in England print one stanza with music and the rest as poetry. Americans have preferred that texts be interlined with music for ease and instruction in singing. This text-only edition of The Hymnal 1982 brings out the beauty and meaning of the poetry that has moved Christians to ministry for hundreds of years. This handsome red book is a companion to the study edition of the Book of Common Prayer and is an ideal accompaniment to A Closer Walk: Meditating on Hymns for Year A and Awake, My Soul: Meditating on Hymns for Year B by Nancy Roth.
