High Conflict Amanda Ripley, 2022-04-05 In the tradition of bestselling explainers like *The Tipping Point* this book is based on cutting edge science that breaks down the idea of extreme conflict the kind that paralyzes people and places and then shows how to escape it

Ask a Manager Alison Green, 2018-05-01 From the creator of the popular website Ask a Manager and New York s work advice columnist comes a witty practical guide to 200 difficult professional conversations featuring all new advice There s a reason Alison Green has been called the Dear Abby of the work world Ten years as a workplace advice columnist have taught her that people avoid awkward conversations in the office because they simply don t know what to say Thankfully Green does and in this incredibly helpful book she tackles the tough discussions you may need to have during your career You ll learn what to say when coworkers push their work on you then take credit for it you accidentally trash talk someone in an email then hit reply all you re being micromanaged or not being managed at all you catch a colleague in a lie your boss seems unhappy with your work your cubemate s loud speakerphone is making you homicidal you got drunk at the holiday party Praise for Ask a Manager A must read for anyone who works Alison

Green's advice boils down to the idea that you should be professional even when others are not and that communicating in a straightforward manner with candor and kindness will get you far no matter where you work. Booklist starred review. The author's friendly, warm, no-nonsense writing is a pleasure to read and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management or anyone hoping to improve their work experience. Library Journal starred review. I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces and to do so with grace, confidence, and a sense of humor. Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide*. Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way. Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*. *Touching Spirit Bear* Ben Mikaelson, 2010-04-20. In his Nautilus Award-winning classic *Touching Spirit Bear*, author Ben Mikaelson delivers a powerful coming-of-age story of a boy who must overcome the effects that violence has had on his life. After severely injuring Peter Driscoll in an empty parking lot, mischief maker Cole Matthews is in major trouble. But instead of jail time, Cole is given another option: attend Circle Justice, an alternative program that sends juvenile offenders to a remote Alaskan island to focus on changing their ways. Desperate to avoid prison, Cole fakes humility and agrees to go. While there, Cole is mauled by a mysterious white bear and left for dead. Thoughts of his abusive parents, helpless Peter, and his own anger cause him to examine his actions and seek redemption from the spirit bear that attacked him, from his victims, and most importantly, from himself. Ben Mikaelson paints a vivid picture of a juvenile offender examining the roots of his anger without absolving him of responsibility for his actions and questioning a society in which angry people make victims of their peers and communities. *Touching Spirit Bear* is a poignant testimonial to the power of a pain that can destroy or lead to healing. A strong choice for independent reading, sharing in the classroom, homeschooling, and book groups. [Conflict Resolution Skills for Teens](#) David Cowan, Susanna Palomares, Dianne Schilling, 2010-12. This timely and practical book provides a variety of engaging activities, group discussions, reproducible handouts, and Sharing Circles, all designed to help teens develop the knowledge, skills, and techniques necessary for effective conflict resolution. In addition, students are given meaningful experiences and information to help them improve their own behaviors while giving them the abilities to deal effectively with others. Use these high-impact activities to provide students with guidance and help in handling confrontations, learning the language of conflict, de-escalation, coping with anger, managing moods, and dealing with criticism, understanding the rules for fighting fair, exploring alternatives to conflict, developing the power of listening, improving social skills, effectively solving problems, and making decisions, learning the factors that trigger conflict, controlling behaviors that lead to misunderstandings and conflict. *The Legend of Rock Paper Scissors* Drew Daywalt, 2020-02-11. New York Times Bestseller. 5 Starred Reviews. Will have listeners in stitches. Kirkus Reviews starred review. Purely absurd, sidesplitting humor. Booklist starred review. Demands bombastic, full
