Christian Apologetics A Comprehensive Case For Biblical Faith Douglas R Groothuis

Christian Apologetics Douglas Groothuis,2022-02-08 The Christian faith offers people hope But how can we know that Christianity is true How can Christians confidently present their beliefs in the face of doubts and competing views In this second edition of a landmark apologetics text Douglas Groothuis makes a clear and rigorous case for Christian theism addressing the most common questions and objections raised regarding Christianity

*Christian Apologetics* Douglas R. Groothuis,2012

**The Knowledge of God in the World and the Word** Douglas Groothuis,Andrew I. Shepardson,2022-12-06 Amid the crisis of authority in our modern and postmodern era Christians need to be able to point to God s revelation in the natural world in addition to defending God s unique revelation in the Bible and in the person of Jesus Christ Classical apologetics takes a two step approach to commending the Christian picture of reality First arguments for the existence of God such as those of natural theology are employed to create common ground with people outside the household of the Christian faith and to provide intellectual support for Christians Second classical apologetics defends key items of Christian revelation including the reliability of the Bible the identity of the historical Jesus and the resurrection of Jesus Christ from the dead In Knowledge of God in the World and the Word authors Douglas Groothuis and Andrew Shepardson provide a simple introduction to classical apologetics that also addresses the most common objections to natural theology Readers will discover in the book an easy point of entry into understanding why Christian beliefs about Jesus are true and rational Further the authors apply the power of classical apologetics to Christian ministry

Truth Decay Douglas Groothuis,2009-09-20 A 2001 Christianity Today Award of Merit winner The concept of truth as absolute objective and universal has undergone serious deterioration in recent years No longer is it a goal for all to pursue Rather postmodernism sees truth as inseparable from culture psychology race and gender Ultimately truth is what we make it to be What factors have accelerated this decay of truth Why are people willing to embrace such a devalued concept How does this new view compare and contrast with a Christian understanding While postmodernism contains some truthful insights despite its attempt to dethrone truth Douglas Groothuis sees its basic tenets as intellectually flawed and hostile to Christian views In this spirited presentation of a solid biblical and logical perspective Groothuis unveils how truth has come under attack and how it can be defended in the vital areas of theology apologetics ethics and the arts

**Reasons for Faith (Foreword by Lee Strobel)** Norman L. Geisler,Chad V. Meister,2007-10-26 Many Christians want to witness for their faith but they are afraid they will not be able to answer questions that others may ask of them First Peter 3 15 reminds believers to always be prepared to make a defense to anyone who asks you for a reason for the hope that is in you Norman Geisler and Chad Meister realize the fear of facing questions about the Christian faith Their book Reasons for Faith gives believers grounded biblical apologetics to help them defend their faith By covering the importance of apologetics and then applying apologetics to popular culture and theological issues these authors give all Christians the tools they need to stand firm in their faith and to be able to share that faith in today s society
