THE ISSUE

Each day, Deloitte rededicates itself to a clear goal—to becoming the undisputed leader in professional services. For Deloitte, which specializes in helping clients with digital enterprise transformation, realizing that vision requires that the organization constantly explore ways it can transform its own operations with leading-edge technologies and reimagined business processes.

THE SOLUTION

To help enhance its operations and deliver next-level service to clients, Deloitte has adopted modern solutions for digital core operations and procurement. Deployment of these solutions not only helps the organization operate more effectively with the latest digital capabilities; it also provides powerful first-hand insights that Deloitte can use to help clients with their own transformation journeys. One key to the success of the project: leveraging savings from Deloitte's deployment of cloud procurement solutions in the United Kingdom to help fund digital core ERP implementation.
