A False Spring Pat Jordan,2016-04-19 One of the best and truest books about baseball and about coming to maturity in America Time In the late 1950s acclaimed sportswriter Pat Jordan was a young pitching phenom blowing away opposing batters for his Fairfield Connecticut high school baseball team Fifteen major league clubs offered him a contract but it was the Milwaukee Braves who won out signing Jordan to a 45 000 bonus one of the largest paid to any new player by the organization and shipping him off to McCook Nebraska to play for their Class D ball club It did not take long however for Jordan to realize he was out of his depth in professional baseball s backwoods He battled with inconsistency and a lack of control for three dismal seasons in such far flung locales as Keokuk Iowa and Palatka Florida before the Braves released him and he gave up his dreams of big league greatness Declared unforgettable by the Los Angeles Times and a major triumph by the Philadelphia Inquirer A False Spring is a powerful and deeply affecting memoir about the gift of athletic talent and the heartbreak of unfulfilled promise

Latin American Cultural Objects and Episodes William H. Beezley,2020-12-01 Delight in the cultural aspects of Latin America by observing the objects that give life to history Latin American Cultural Objects and

Episodes provides readers with an eclectic and fascinating exploration of Latin American history through the examination of physical objects. Distinguished author and Professor William H. Beezley takes readers on a journey that includes objects used in music and visual media such as movies, documentaries, and television. Forming an integral part of the history they represent, the objects described in this book tell the tale of the little-known or neglected part of Latin American history. While most historical authors and researchers focus on the political and economic life of Latin America, this author uses the objects he highlights to explain and illuminate the daily lives of the Latin American peoples and the legacies that they share. Forming an essential part of a comprehensive understanding of Latin American history, the book includes discussions and explorations of how objects have transformed and shaped the cultures of Latin America over the years. Unusual and interesting objects serendipitously discovered by a variety of researchers and historians. Ten chapters, each beginning with an object acting as a synecdoche or metonym that introduces a discussion of Latin American historical life. The significance of the objects to particular religious practices, musical traditions, or schools of visual media such as folk art, film, or television. Perfect for anyone interested in Latin American life beyond politics and economics. *Latin American Cultural Objects and Episodes* belongs on the bookshelves of everyone with a curiosity about culture in Latin America as it is revealed through physical objects.

Buddha Takes the Mound by Donald S. Lopez, Jr., Ph.D., 2020-05-05. In 2010, a Buddhist scroll was found in the ruins of Yankee Stadium, and it proved what Buddhist scholar and award-winning author Donald Lopez, Ph.D., had suspected: the Buddha created the game of baseball. *Buddha Takes the Mound: Enlightenment in 9 Innings* is the Tao of Pooh for baseball. Funny, moving, and enlightening, this is a read that will engross, enrich, and charm any baseball fan. At once a love letter to the sport and an engaging introduction to Buddhism, it shows how the Buddha invented baseball to teach us deep truths about the world, about ourselves, and about each other. Lopez believes that Buddhism provides a lens for us to see baseball in a new way, a way that makes us love the game even more, a way that makes us ponder profound questions about winning and losing, about who we are, about finitude and infinitude, about birth and death. As Lopez reveals, not only is Buddhism integral to baseball, but baseball is Buddhism, and baseball is ourselves.

The T206 Collection by Tom Zappala and Ellen Zappala, 2010. This book is a great read for anyone who loves baseball, not just the collector. Enjoy your look at this snapshot in time. Book Jacket: Hang Tough, Paul Mather. Alfred Slote, 1985. Paul Mather is a pitcher, a really good one. His off-speed pitch is enough to bowl a kid backward, and his fast ball is pure smoke. There isn't anything he can't throw: sliders, change-ups, and sinkers to a mean curve ball that breaks at just the right moment. He's pitched no-hitters and perfect games. To Paul, pitching is what you live for, and why you live. Lately, though, Paul hasn't been allowed to do much of anything, much less play ball. He's got leukemia, and it's put him into the hospital several times already.

His parents are so worried they've forbidden him to play the game he loves so much. They're afraid that if Paul strains himself, his illness may come back a final time and maybe even take his life. But Paul is a winner. His team needs him and he won't give up without a fight. Paul Mather is determined to pitch every inning to keep playing baseball and to keep hanging tough no matter what the odds.

Dirty Water Mary-Ann Tirone Smith, Jere Smith, 2008 An abandoned baby is found in the clubhouse at Fenway Park. The nurses at Deaconess name him Ted Williams, what else? A promising minor league pitcher goes missing. A player agent is caught up in a web of blackmail. A woman's body turns up in the Back Bay fens. Enter Rocky Patel, Boston Homicide Detective First Grade, ordered to connect the dots. And joining him out of left field, an anonymous blogger who knows too much.

The Wax Pack Brad Balukjian, 2020-04-01 Is there life after baseball? Starting from this simple question, *The Wax Pack* ends up with something much bigger and unexpected: a meditation on the loss of innocence and the gift of impermanence for both Brad Balukjian and the former ballplayers he tracked down. To get a truly random sample of players, Balukjian followed this wildly absurd but fun as hell premise: he took a single pack of baseball cards from 1986, the first year he collected cards, opened it, chewed the nearly thirty-year-old gum inside, gagged, and then embarked on a quest to find all the players in the pack. Absurd, maybe, but true. He took this trip solo in the summer of 2015, spanning 11,341 miles through thirty states in forty-eight days. Balukjian actively engaged with his subjects, taking a hitting lesson from Rance Mulliniks, watching kung fu movies with Garry Templeton, and going to the zoo with Don Carman. In the process of finding all the players, but one, he discovered an astonishing range of experiences and untold stories in their post-baseball lives, and he realized that we all have more in common with ballplayers than we think. While crisscrossing the country, Balukjian retraced his own past, reconnecting with lost loves and coming to terms with his lifelong battle with obsessive compulsive disorder. Alternately elegiac and uplifting, *The Wax Pack* is part baseball nostalgia, part road trip travelogue, and all heart—a reminder that greatness is not found in the stats on the backs of baseball cards but in the personal stories of the men on the front of them.

After the Miracle Art Shamsky, Erik Sherman, 2019-03-19 The inside account of an iconic team in baseball history: the 1969 New York Mets, a consistently last-place team that turned it all around in just one season, told by 69 Mets outfielder Art Shamsky, Hall of Fame pitcher Tom Seaver, and other teammates as they reminisce about what happened then and where they are today. The New York Mets franchise began in 1962, and the team finished in last place nearly every year. When the 1969 season began, fans weren't expecting much from the Lovable Losers. But as the season progressed, the Mets inched closer to first place and then eventually clinched the National League pennant. They were underdogs against the formidable Baltimore Orioles but beat them in five games to become world champions. No one had predicted it. In fact, fans could hardly believe it happened. Suddenly, they were the Miracle Mets. Playing right field for the 69 Mets was Art Shamsky, who had stayed in touch with his former teammates over the years. He hoped to get together with star pitcher Tom Seaver, who would win the Cy Young award as the best pitcher in the league in 1969 and go on to become the first Met elected to the Hall of

Fame but Seaver was ailing and could not travel So Shamsky organized a visit to Tom Terrific in California accompanied by the 2 pitcher Jerry Koosman outfielder Ron Swoboda and shortstop Bud Harrelson Together they recalled the highlights of that amazing season as they reminisced about what changed the Mets fortunes in 1969 With the help of sportswriter Erik Sherman Shamsky has written After the Miracle for the 1969 Mets This is a book that every Mets fan and every baseball fan must own
